Dear Sir/Madam

SUBMISSION OF IPO PROSPECTUS

We refer to the above.

Currently, the printed copies of the Initial Public Offerings ("IPOs") prospectus, application forms and the soft copy in PDF format ("PDF Files") are submitted to the Issues & Listing Division, Bursa Malaysia on the date of issuance of the said prospectus. The soft copy of the prospectus will be posted on the Exchange's website on the same day for dissemination to the investing public at large.

As part of its on-going efforts to further improve its services to the investing public, we wish to request that all IPO prospectus, application forms and PDF Files be submitted to Issues & Listing Division, Bursa Malaysia **at least one (1) market day** before the date of issue of the prospectus. For example, if an IPO prospectus is issued on a Monday, then the prospectus should be submitted to the Exchange latest by Friday, the week before.

The above arrangement will take effect from **1 November 2004**.

For further information and inquiries on the above, kindly contact the following persons:-

Thank you.

Yours faithfully
