CHAPTER 1 – DEFINITIONS AND INTERPRETATION

1.1 Definition of “core business”

Pursuant to Rule 1.01 of the ACE LR, “core business” means the business which provides the principal source of operating revenue or after-tax profit to a corporation and which comprises the principal activities of the corporation and its subsidiary companies.

The principal activities of ABC Bhd are manufacturing and property development.

(i) Scenario 1

Both principal activities of ABC Bhd generate the following operating revenue and after-tax profit for ABC Bhd:

	Manufacturing Business	Property Development Business
Operating Revenue	RM20 million	RM30 million
After-Tax Profit	RM15 million	RM24 million

Pursuant to the definition of “core business” in Rule 1.01 of the ACE LR, what is the core business of ABC Bhd?

As the operating revenue and after-tax profit of its property development business provide the higher quantitative contribution compared to the operating revenue and after-tax profit of its manufacturing business, the core business of ABC Bhd is property development.

(ii) Scenario 2

How does ABC Bhd determine its core business if both its principal activities generate the following operating revenue and after-tax profit?

	Manufacturing Business	Property Development Business
Operating Revenue	RM25 million	RM30 million
After-Tax Profit	RM18 million	RM15 million

If the figures in relation to the quantitative aspect of the core business definition do not clearly show the core business of ABC Bhd (i.e. where the operating revenue of its property development business is higher than that for its manufacturing business but its after-tax profit of its manufacturing business is higher than that for its property development business), ABC Bhd may take into account other relevant factors such as its corporate objectives and plans when determining its core business.

1.2 Definition of “independent director”

- (i) **Is there a difference between the definition of “officer” in sub-Rules (b) and (d) of the said definition of “independent director” in Chapter 1 of the ACE LR (“the said definition”)?**

Yes. For the purpose of sub-Rule (b) of the said definition, “officer” shall have the meaning set out in section 2 of the Companies Act 2016 (e.g. director, secretary or employee of a corporation) whereas for the purpose of sub-Rule (d) of the said definition, “officer” has been defined in Rule 1.01 of the ACE LR to be the chief executive, the chief operating officer, the chief financial controller or any other person primarily responsible for the operations or financial management of an applicant, a listed corporation or its related corporation, by whatever name called.

- (ii) **Mr Y is currently a non-executive director of C Bhd, a listed corporation. Can Mr Y subsequently be designated as an independent director of C Bhd?**

Mr Y can only be designated as an independent director –

- after he observes a cooling-off period of 3 years as prescribed in sub-Rule (b)¹ of the said definition; and
- he meets the other independence criteria stipulated in the said definition.

- (iii) **Would an independent director of a subsidiary of a listed corporation, who is proposed to be appointed as an independent director of such listed corporation, be disqualified from acting as an independent director of such listed corporation pursuant to sub-Rule (b) of the said definition?**

No, an independent director of a subsidiary will not be disqualified from acting as an independent director of such listed corporation pursuant to sub-Rule (b) of the said definition.

¹ Sub-Rule (b) of the said definition stipulates that an independent director is one who is not, and has not been within the last 3 years, an officer (except as an independent director) of the applicant, listed corporation or any related corporation of such applicant or listed corporation. For this purpose, “officer” has the meaning given in section 2 of the Companies Act 2016.

- (iv) **If *Mr A* were to be appointed by a listed corporation to act as a non-executive director of the listed corporation's unlisted subsidiary, would such appointment disqualify him from being an independent director of the listed corporation pursuant to sub-Rule (e) of the said definition?**

No, the appointment of *Mr A* by the listed corporation as a non-executive director of a non-listed subsidiary of a listed corporation would not disqualify him from being an independent director of such listed corporation pursuant to sub-Rule (e) of the said definition.

- (v) **What are the examples of "adviser" used in sub-Rule (f) of the said definition?**

"Adviser" is as defined in Rule 1.01 of the ACE LR and includes, amongst others, Advisers or Sponsors, Qualified Persons and Senior Officers of the Advisers or Sponsor, advocates and solicitors, licensed investment banks, universal brokers, tax consultants, accounting firms, auditing firms etc offering professional advisory services to the listed corporation or its related corporation.

- (vi) **Paragraph 5.1 of Guidance Note 9 in relation to sub-Rule (g) of the said definition states that a person is disqualified from being an independent director of a listed corporation if he –**

- **had engaged personally in transactions with the listed corporation or its related corporation (other than for board services as an independent director) within the last 3 years; or**
- **is presently a partner, director or major shareholder of a firm or corporation ("the Entity") (other than subsidiaries of the listed corporation) which has engaged in transactions with the listed corporation or its related corporation within the last 3 years,**

and the consideration in aggregate exceeds 5% of the gross revenue on a consolidated basis (where applicable) of the person or the Entity or RM1 million, whichever is the higher ("the said Threshold").

***Mr A* is an independent director of *X Bhd*, a listed corporation. If *Mr A* were to purchase a car from *X Bhd* for his own use, the value of which exceeds the said Threshold, would he be disqualified from being an independent director of *X Bhd* pursuant to sub-Rule (g) of the said definition and Paragraph 5.1 of Guidance Note 9?**

As clarified under paragraph 5.2(a) of Guidance Note 9, an acquisition of a car from the listed corporation will not be considered a "transaction" where it is purchased for personal use provided that the transaction is on normal commercial terms. Therefore, *Mr A* would not be disqualified from being an independent director of *X Bhd* pursuant to sub-Rule (g) of the said definition and paragraph 5.2(a) of Guidance Note 9 due to the purchase of the car, provided that the purchase is on normal commercial terms.

- (vii) ***Mr X is a director (and not a major shareholder) of A Bhd, a listed corporation. He is proposed to be appointed as an independent director of B Bhd, another listed corporation. A Bhd and B Bhd are engaged in transactions, the consideration of which exceeds the said Threshold. Would paragraph 5.1 of Guidance Note 9 preclude Mr X from being appointed as an independent director of B Bhd?***

Mr X would not be disqualified from being an independent director of B Bhd pursuant to sub-Rule (g) of the said definition and paragraph 5.2(b) of Guidance Note 9 if Mr X is not involved in the transactions entered into between A Bhd and B Bhd, i.e. Mr X is not the initiator, specified shareholder, agent or is not a party to such transactions, and provided that such transactions are on normal commercial terms.

- (viii) ***Mr X is an executive director of A Bhd, a listed corporation and is proposed to be appointed as an independent director of B Bhd, another listed corporation. A Bhd is a telecommunications corporation and provides telecommunications services to B Bhd, the amount of which exceeds the said Threshold. Mr X, being the executive director of A Bhd, is directly involved in the transactions entered into with B Bhd. Would sub-Rule (g) of the said definition preclude Mr X from acting as an independent director of listed corporation B Bhd?***

Mr X would not be disqualified from being an independent director of B Bhd pursuant to sub-Rule (g) of the said definition and paragraph 5.2(c)(i) of Guidance Note 9 provided that the services rendered by A Bhd are based on a non-negotiable fixed price or rate, which is published or publicly quoted, and the material terms including the prices or charges are applied consistently to all customers or classes of customers.

- (ix) ***In order to come within the ambit of “published or publicly quoted” as provided under paragraph 5.2(c) of Guidance Note 9, must the prices be advertised to the public?***

In order to satisfy the criterion of “published or publicly quoted” under paragraph 5.2(c) of Guidance Note 9, the prices need not be advertised. So long as the pre-determined prices are or can be made readily available to the public or customers, this criterion is deemed satisfied.

- (x) ***Mr A is appointed a director of X Bhd, a listed corporation on 5 August 2010. Mr A is also a major shareholder of Y Sdn Bhd. 5% of Y Sdn Bhd’s gross revenue for the financial years ending 31 December 2007, 31 December 2008 and 31 December 2009 amounted to RM800,000. Y Sdn Bhd supplied X Bhd with raw materials in March 2010 and April 2010, the value of which amounted to RM900,000. Is Mr A disqualified from being an independent director of X Bhd?***

The relevant threshold to be considered pursuant to paragraph 5.1 of Guidance Note 9 is RM1 million or 5% of *Y Sdn Bhd's* gross revenue for the last 3 financial years whichever is the higher. As 5% of the gross revenue of *Y Sdn Bhd* for the last 3 financial years amounted to only RM800,000, the relevant threshold is RM1 million. Pursuant to paragraph 5.1 of Guidance Note 9, *Mr A* will not be disqualified from being an independent director of *X Bhd* because the value of the transactions entered into with *Y Sdn Bhd* of which *Mr A* is a major shareholder does not exceed RM1 million.

- (xi) **Mr A is an independent director of *X Bhd*, a listed corporation. Mr A entered into a contract to provide technical services to a subsidiary of *X Bhd*, the consideration of which is RM5 million and constitutes 10% of Mr A's gross revenue. Does this mean that Mr A is disqualified from being an independent director insofar as that transaction is concerned?**

The disqualification to act as an independent director is not specific to a transaction. As *Mr A* had entered into a transaction that exceeds the said Threshold, *Mr A* is disqualified from being an independent director. *Mr A* would not qualify to act as an independent director of *X Bhd* until such time when he fulfils all the requirements of the said definition.

- (xii) **Would the issuance of shares by a listed corporation or its subsidiary to a director of such listed corporation constitute a "transaction" as used in sub-Rule (g) of the said definition?**

No, the issuance of shares by a listed corporation or its subsidiary to a director of such listed corporation would not constitute a "transaction" for the purposes of sub-Rule (g) of the said definition.

- (xiii) **Mr X will receive remuneration from the listed corporation for services rendered to the listed corporation as a director. Would Mr X be disqualified from being an independent director pursuant to sub-Rule (g) of the said definition, for receiving remuneration from the listed corporation, particularly if the remuneration exceeds the said Threshold?**

No, the receipt of remuneration for services rendered to the listed corporation as a director would not constitute a "transaction" for the purposes of sub-Rule (g) of the said definition.

1.3 Definition of "person connected"

Is the stepmother of a director of a listed corporation deemed a family member of that director and hence, a person connected with that director?

Although a stepmother would not be regarded as a family member for purposes of the ACE LR, a stepmother may still be regarded as a person connected with the director if she fulfils the other criteria of the definition of "person connected" as stipulated under Rule 1.01 of the ACE LR.

1.4 Definition of “public”

- (i) **A collective investment scheme or statutory institution that is managing funds belonging to contributors or investors who are members of the public, subject to fulfilling certain conditions as set out in the ACE LR, would be deemed as "public" where its interest, direct or indirect, in a listed corporation is more than 5% but less than 15% of the total number of shares of such listed corporation. Would an associate of such collective investment scheme or statutory institution also be deemed as "public"?**

No, the associate of such a collective investment scheme or statutory institution would not be deemed as "public" under sub-Rule (c) of the definition “public” in Rule 1.01 of the ACE LR. Accordingly, the associate’s shareholdings should be excluded from comprising the public shareholding spread.

- (ii) **Scheme A is a unit trust with an interest in 10% of the total number of listed shares in X Bhd. B is the fund manager of Scheme A. B holds 3% of the total number of shares of X Bhd. In computing its public spread, can X Bhd include both Scheme A and B as part of the public spread?**

X Bhd may include Scheme A in computing its public spread provided that Scheme A satisfies certain conditions as set out in the ACE LR but it cannot include B as "public". This is because B is an associate of Scheme A, which is a substantial shareholder of X Bhd.

- (iii) **It is noted that a “public” shareholder excludes a person who holds or acquires shares through artificial means. What are the circumstances or examples where a person is deemed to hold or acquire shares through artificial means?**

Some examples which fall within the ambit of “artificial means” are as follows:

- (a) shares given away as free shares;
- (b) shares given as a gift; and
- (c) providing financial assistance or loans to acquire shares to nominees of the directors or substantial shareholders.

1.5 What is the definition of “year” in the ACE LR? Does it refer to a calendar year or a financial year?

Where there is a reference to “year” in the ACE LR, it refers to a calendar year. Where the reference is intended to be in relation to a “financial year”, the provision in the ACE LR will clearly state so.

1.6 Definition of “Surprise Holiday” and “market day”**(i) What is a Surprise Holiday, and under what circumstances will the Exchange operate on a Surprise Holiday?**

Under Rule 1.01 of the ACE LR, Surprise Holiday means a day that is declared as a public holiday in the Federal Territory of Kuala Lumpur that has not been gazetted as a public holiday at the beginning of the calendar year. An example of a Surprise Holiday would be the declaration of a public holiday on 3 December 2021 for the Federal Territories of Kuala Lumpur, Putrajaya and Labuan in celebration of Kuala Lumpur City Football Club winning the Malaysia Cup on 30 November 2021.

Therefore, the provisions relating to Surprise Holidays in the ACE LR are meant to address public holidays which are unscheduled or unanticipated only.

The Exchange will take into consideration the following factors before deciding to operate on a Surprise Holiday, i.e. whether -

- (a) the Real-Time Electronic Transfer of Funds and Securities System, being the financial market infrastructure, is also operating on such day to facilitate the clearing and settlement service; and
- (b) there is concurrence from the SC for the capital markets to remain open on the Surprise Holiday.

(ii) How soon will the Exchange notify the market before it operates on a Surprise Holiday, and how will the market be notified?

The Exchange will endeavour to provide advance notice to the industry and market in a timely manner. The Exchange will issue a media release to inform the public if it decides to operate on a Surprise Holiday.

Share registrar**2.10 How does a listed corporation ensure compliance with Rule 2.21A of the ACE LR in relation to the appointment of its share registrar?**

The requirements under Rule 2.21A of the ACE LR set out the general criteria and factors to be taken into account by a listed corporation when appointing and retaining a share registrar. The main objectives of the requirements are to facilitate the appointment and retention of suitable share registrars who are able to ensure the proper performance of the listed corporation's obligations under the ACE LR and provide better quality services in a professional manner.

Hence, a listed corporation in appointing a share registrar, must be satisfied that the share registrar is able to provide the services that meet with its needs and expectations in line with the objectives of the requirements. For this purpose, the listed corporation may, amongst others:

- (a) make reasonable due enquiries to ensure and satisfy itself that the share registrar complies with Rule 2.21A of the ACE LR prior to the appointment of the share registrar; and

What constitutes electronic means under Rule 2.19B of the ACE LR?**

Some of the electronic means contemplated include electronic mail (“**email**”), listed corporation’s website, or other electronic mode of communication agreed between the listed corporation and its securities holders.

2.15 A listed corporation which intends to send Documents to its securities holders via electronic means must, among others, ensure that its constitution provides for the use of electronic means, specifies the manner in which the electronic means is to be used and states that the contact details of a securities holder as provided to the Depository shall be deemed as the last known address provided by the securities holder to the listed corporation for purposes of communication with the securities holder.

What are the details that a listed corporation’s constitution should specify relating to the manner in which the electronic means is to be used?

2.16 If a listed corporation chooses website as the mode of communication with its securities holders, how may the listed corporation give the separate notification in writing as required under Rule 2.19B(b) of the ACE LR?

The listed corporation may give the separate notification in writing in hard copy (e.g. letter) or by way of electronic means other than through the listed corporation's website (e.g. email, short messaging service ("SMS")) or any other form of communication permitted under the listed corporation's constitution for purposes of notification.

In the event of a delivery failure, the listed corporation must immediately send the Documents to the affected securities holders by other appropriate means as permitted under the listed corporation's constitution, such as in hardcopies. A listed corporation should, among others, inform the securities holders that they have the right to request for a hard copy of the Documents and how may they make such a request.

-
- 2.20 Rule 2.19B(e) of the ACE LR stipulates that a listed corporation must send documents required to be completed by securities holders for a rights issue or offer for sale (“Rights Issue and Offer for Sale Documents”) through electronic mail, in hard copy or in any other manner as the Exchange may prescribe from time to time. What are the documents that fall within the ambit of Rights Issue and Offer for Sale Documents?**

The listed corporation is in compliance with the requirement under the ACE LR so long as the documents which are required to be completed by securities holders in relation to the rights issue (e.g. notices of provisional allotment and rights subscription forms) are sent in hardcopy, by way of email, or in any other manner as the Exchange may prescribe from time to time.

- 2.23 A listed corporation has opted to send the Rights Issue and Offer for Sale Documents via email to its shareholders who have given their email addresses to the Depository. What is the reasonably practicable timeframe for a listed corporation to forward hard copies of the Document after the receipt of such request?**

Generally, hardcopies of the Rights Issue and Offer for Sale Documents, should be given within 2 market days after the receipt of the request. This is to ensure that securities holders have sufficient time to understand the procedures involved and act immediately or promptly to complete the forms within the specified timeframe for the rights issue or offer for sale.

As for Documents other than the Rights Issue and Offer for Sale Documents, hardcopies of such documents should be given within 4 market days after receipt of the request.

Obligation to comply with the ACE LR on a Surprise Holiday which is a market day

- 2.25 Will a listed corporation be required to fulfill its obligations under the ACE LR if the Exchange operates on a Surprise Holiday? Will the answer be any different if the listed corporation is not open on such day?**

Yes, a listed corporation is expected to make the necessary arrangements to execute its duties and obligations on the Surprise Holiday, irrespective whether it remains open or otherwise.

There may be some instances of Surprise Holidays that are sudden, or announced pursuant to the Holidays Act 1951 with short notice. The Exchange will take into consideration all facts and circumstances before deciding if any variation to the obligations or timelines applicable to the listed corporation under the ACE LR should be considered on a case-to-case basis, in such instances.

A listed corporation may consult the Exchange for guidance if it foresees any issues with meeting its obligations.

- 2.26 How will a period of market days be computed if there is a Surprise Holiday within that period where the Exchange is open for trading in securities?**

The Surprise Holiday will be included in the computation of the period of market days. This means that a listed corporation must also comply with, or give effect to, the provisions in the ACE LR within a stipulated timeframe which falls on, or includes, the Surprise Holiday.

No, only shares held by the Sponsor is counted for the purpose of determining whether the Sponsor holds 5% or more of the enlarged issued and paid-up share capital in the applicant or listed corporation. However, the Sponsor must still assess if its directors’ and employees’ shareholding in the Sponsored Corporation would impair its ability to discharge its functions independently.

¹ Rule 4.02 of the ACE LR defines “Public Document” as any document issued by an applicant or a listed corporation to the public or to the holders of any class of securities in a listed corporation pursuant to the ACE LR.

**Chapter 4 Sponsors and Recognised Approved Advisers
[Questions & Answers]**

- 4.4 Pursuant to Rule 4.09(a) of the ACE LR, a Sponsor must among others, maintain regular contact with the Sponsored Corporation, including being available at all times to advise and guide the Sponsored Corporation. Does this mean that the Sponsor must assign or station an officer in the Sponsored Corporation's office at all times?**

Bursa Securities does not prescribe the manner in which a Sponsor must undertake this duty. As long as the Sponsor is available to advise and guide the Sponsored Corporation and its directors as prescribed under the ACE LR, the Sponsor is considered to have fulfilled its duty,

- 4.5 Pursuant to Rule 4.09(c) of the ACE LR, a Sponsor must advise the Sponsored Corporation if the trading of the Sponsored Corporation's listed securities will or should be halted or suspended. What are the key roles of a Sponsor under this Rule 4.09(c)?**

A Sponsor must among others, assess and advise the Sponsored Corporation whether there is a need to request for suspension pursuant to Guidance Note 12.

When a Sponsored Corporation makes an announcement during trading hours, a Sponsor is expected to advise the Sponsored Corporation whether the announcement will trigger a trading halt and the period of such trading halt, if applicable, under Guidance Note 14.

The above is not exhaustive. A Sponsor is expected to advise a listed corporation to request for suspension where a situation warrants it. For example, X Bhd's board of directors deliberated on a material acquisition at a meeting ended at 2 p.m. on Monday. The board decided to make an announcement after 5 p.m. while maintaining the confidentiality of the acquisition. However, there is unusual trading in the securities of X Bhd when trading commences at 2.30 p.m. X Bhd is uncertain whether there is a leak of information. In such instances, the Sponsor must advise X Bhd to request a suspension of trading in its securities pending the release of the announcement on the acquisition.

- 4.6 Pursuant to Rule 4.11(c) of the ACE LR, a Sponsor may seek necessary assistance and consultation from other appropriately qualified and suitable professionals when required. Does it mean that a Sponsor is absolved of its responsibilities when it has obtained the necessary assistance or consultation from the said professionals?**

No, the Sponsor is not absolved of its responsibilities under the ACE LR and must at all times ensure full compliance with the requirements imposed on it as a Sponsor.

- 4.7 [Deleted]**

- 4.8 Pursuant to Rule 4.12(b) of the ACE LR, a Sponsor must notify Bursa Securities immediately when it believes or becomes aware that a matter reported by it to the board of directors of its Sponsored Corporation has not been satisfactorily resolved resulting in a breach of the ACE LR. In this regard, must the notification be in writing?**

No. However, a Sponsor is encouraged to notify the same to Bursa Securities in writing to ensure that the information given to Bursa Securities is communicated clearly.

**Chapter 4 Sponsors and Recognised Approved Advisers
[Questions & Answers]**

Appointment of an Adviser for a corporate proposal**4.9 Can a Sponsored Corporation appoint an Adviser other than its Sponsor, to act on its behalf when undertaking a corporate proposal during the Sponsorship Period?**

Yes, a Sponsored Corporation may appoint an Adviser other than its Sponsor to act on its behalf when undertaking a corporate proposal during the Sponsorship Period. However, the Sponsored Corporation must obtain the prior written consent of its Sponsor for such appointment pursuant to Rule 4.25 of the ACE LR. The responsibilities of a Sponsor and Adviser in this circumstance are as set out in Rule 4.16 of the ACE LR.

4.10 Can a Sponsor reject a Sponsored Corporation's request to appoint an Adviser to undertake a corporate proposal?

Yes, however pursuant to Rule 4.25 of the ACE LR, a Sponsor must not unreasonably withhold its consent to the Sponsored Corporation's request to appoint an Adviser for the purpose of undertaking a corporate proposal. The Sponsor should act professionally in considering the request for the appointment of an Adviser.

Resignation and termination of a Sponsor**4.11 X is the Sponsor who makes an application for listing on behalf of A Bhd. A Bhd is listed on the ACE Market on 1 September 2009. Based on Rule 3.21 of the ACE LR, A Bhd must secure and maintain the services of a Sponsor for at least 3 full financial years after its admission to the Official List, and extended to at least 1 full financial year after the applicant has generated operating revenue. A Bhd financial period ends on 31 December 2010.****(a) Can X resign or A Bhd terminate X's appointment as the Sponsor of A Bhd before 31 December 2010?**

No, based on Rule 4.18 of the ACE LR, X who makes a listing application on behalf of an applicant must act as the Sponsor for at least 1 full financial year after admission. During the said period, X cannot resign, neither can A Bhd terminate X's appointment as its Sponsor.

(b) Can X resign as A Bhd's Sponsor after 31 December 2010?

It depends on whether A Bhd has found a replacement Sponsor to succeed X. Based on Rule 4.19(1), if a replacement Sponsor has been found, X can resign by notifying Bursa Securities of the proposed resignation, together with the detailed reasons for the resignation. However, if no replacement Sponsor has been found, X must seek the Exchange's prior approval for its proposed resignation, together with the detailed reasons for the resignation.

**Chapter 4 Sponsors and Recognised Approved Advisers
[Questions & Answers]**

- (c) On 1 June 2011, X decides to resign as a Sponsor in A Bhd. A Bhd agrees to X's resignation and has found Y as its new Sponsor, who is willing to take over as A Bhd's Sponsor immediately. Must X seek Bursa Securities' approval for its resignation?**

No, pursuant to Rule 4.19(1)(a) of the ACE LR, X only needs to notify Bursa Securities together with detailed reasons for its resignation.

- (d) If X intends to resign as A Bhd's Sponsor but A Bhd refuses to accept X's resignation, what can X do to end the sponsorship?**

Notwithstanding A Bhd's objection, X may apply to Bursa Securities to resign as A Bhd's Sponsor. X must provide the detailed reasons for its application. Based on Rule 4.19(3) of the ACE LR, Bursa Securities will not grant its approval unless there are exceptional circumstances which warrant the consideration of Bursa Securities.

- (e) Further to Question (d) above, what are the exceptional circumstances under which Bursa Securities may consider in allowing a resignation or termination of X as A Bhd's Sponsor?**

Generally, Bursa Securities will consider whether the parties have acted "reasonably". The exceptional circumstances which Bursa Securities may consider X's resignation or termination as A Bhd's Sponsor include circumstances where –

- (i) there is an irreconcilable breakdown in the relationship between X and A Bhd; or
- (ii) X is no longer qualified to act as a Sponsor for any reasons, including not having the minimum number of Qualified Person or being removed from the Register of Sponsors by Bursa Securities.

The parties must substantiate their application with the relevant facts and information.

- (f) Assuming X resigns as A Bhd's Sponsor and A Bhd appoints Y as its new Sponsor for the remaining sponsorship period. Must A Bhd still include a statement in the Public Documents that its admission was sponsored by X for the remaining sponsorship period?**

Yes, pursuant to Rule 4.27(2) of the ACE LR, even though X has ceased to be A Bhd's Sponsor, A Bhd must still include X's name as its listing sponsor on all Public Documents issued by A Bhd during the remaining sponsorship period.

- (g) In a case where A Bhd applies for and obtains an exemption from Bursa Securities from continued compliance with the remaining sponsorship period pursuant to Rule 3.21(2A), must A Bhd still state in the Public Documents that its admission was sponsored by X after the date the exemption was obtained?**

No, A Bhd would not be required to state that its admission was sponsored by X in the Public Documents issued after the effective date of the exemption.

If the Sponsored Corporation still fails to find a replacement sponsor at the end of 2 months after the expiry of the 3 months period, Bursa Securities shall automatically de-list the Sponsored Corporation.

Rules governing Sponsored Corporations in dealing with Sponsors

CHAPTER 6 – NEW ISSUES OF SECURITIES

Admission

- 6.1 Pursuant to Rule 6.02(3)(d) of the ACE LR, Bursa Securities when granting approval for the listing of a new issue of securities by listed corporations, will consider amongst others, whether the listed corporation has satisfactory corporate governance practices. What will Bursa Securities consider in determining whether that is fulfilled?**

Bursa Securities in considering a proposal, would take into account a listed corporation's corporate governance record, including any previous actions taken against the listed corporation for any breach of any relevant laws, guidelines or rules issued by the SC or Bursa Securities, or for failure to comply with any written notice or condition imposed by the SC or Bursa Securities.

In addition, Bursa Securities will also consider the past corporate conduct of the board of directors.

6.1A The facts are as follows:

- *XYZ Bhd* was a corporation listed on the LEAP Market which had successfully transferred its listing to the ACE Market.
- *RAA Sdn Bhd* is a Recognised Approved Adviser and had acted as an Approved Adviser for *XYZ Bhd's* initial listing on the LEAP Market. It was also the Joint Transfer Sponsor for the submission of *XYZ Bhd's* transfer of listing application.
- *XYZ Bhd* proposes to undertake a private placement made under a general mandate.

- (a) If *XYZ Bhd* is not the Sponsored Corporation of *RAA Sdn Bhd*, can *XYZ Bhd* appoint *RAA Sdn Bhd* to submit its listing application for the new issue of securities pursuant to the private placement?**

Yes. Pursuant to Rule 6.02(4A) of the ACE LR, as long as *RAA Sdn Bhd* had acted as the Joint Transfer Sponsor for *XYZ Bhd*, *RAA Sdn Bhd* can be appointed by *XYZ Bhd* to submit its listing application in respect of the issue of new securities pursuant to the private placement.

- (b) If *RAA Sdn Bhd* is not permitted to act as the placement agent, it must ensure that *XYZ Bhd* appoints a qualified person to be the placement agent under Rule 6.13(2) of the ACE LR. Who is the qualified person for this purpose?**

XYZ Bhd may appoint any person who holds a license for dealing in securities under the SC's Licensing Handbook, as the qualified person to be the placement agent. This includes a Sponsor or Adviser.

6.2 Is a listed corporation allowed to submit its listing application for a new issue of securities to Bursa Securities on its own?

Yes, but only in relation to a listing application of Specified Bonus Issue¹ of equity securities, which may be submitted by the listed corporation on its own pursuant to Rule 6.02(4) of the ACE LR.

Listing procedures**6.2A What is the key difference between the procedures under paragraphs 2.0 and 4.0 of Guidance Note 17?**

Pursuant to paragraph 2.0 of Guidance Note 17, the listed corporation is required to submit 2 applications to Bursa Securities for approval –

- (a) Additional Listing Application (“**ALA**”) - of which the approval from Bursa Securities will be sought for the listing of new securities; and
- (b) Quotation Application – of which listed corporation is required to furnish Bursa Securities with the requisite documents/confirmations to facilitate the listing and quotation of the new securities on Bursa Securities.

However, under paragraph 4.0 of Guidance Note 17, the Quotation Application is merged with the ALA. Hence, only 1 application is required to be submitted to Bursa Securities (“**Consolidated Application**”). All the requisite documents/confirmations required under the Quotation Application will be procured in the form of undertakings when the listed corporation submits its Consolidated Application.

The procedures under paragraph 4.0 of Guidance Note 17 are similar to paragraph 3.0 of Guidance Note 17 in relation to the listing of bonus issue of securities and convertible securities arising from the bonus issue, which was implemented successfully in April 2007 with the objective of shortening the time to market.

6.3 Y Bhd is a company listed on the ACE Market. It proposes to make a rights issue to raise further funds and Bursa Securities' review of such circular is not required. In this situation, must Y Bhd submit the printed circular to Bursa Securities together with the listing application?

In the event the circular has been issued to its shareholders when *Y Bhd* submits the listing application to Bursa Securities for the rights issue of securities, *Y Bhd* must enclose the circular together with its listing application to Bursa Securities. However, if the circular has not been issued to shareholders when *Y Bhd* submits the listing application to Bursa Securities, then *Y Bhd* must enclose a copy of the draft circular together with its listing application.

¹ A “**Specified Bonus Issue**” is a bonus issue of securities which –

- (i) is not conditional upon any other corporate proposal, or
- (ii) is conditional upon another corporate proposal but –
 - (aa) that other corporate proposal is a subdivision or consolidation of shares; or
 - (bb) that other corporate proposal has been completed or become unconditional.

- 6.4 ***X Bhd* is a Cash Company. It proposes to undertake a regularisation proposal which involves new issue of securities. When must *X Bhd* submit the draft circular for such proposal to Bursa Securities for its review before issuing the same to its shareholders?**

X Bhd must submit the draft circular to Bursa Securities together with its regularisation proposal for Bursa Securities' approval and clearance before *X Bhd* issues the circular.

- 6.5 **Please elaborate further on the type of proposals to which the procedures under paragraph 4.0 of Guidance Note 17 apply.**

This procedure is applicable to the additional securities which will be listed and quoted as the existing listed securities of the same type and class.

Examples where paragraph 4.0 is applicable

Example 1

PLC A proposes to issue additional new ordinary shares pursuant to the exercise of Share Issuance Scheme where the new ordinary shares arising from the Share Issuance Scheme will be listed and quoted as the existing listed ordinary shares.

In this instance, *PLC A* will adhere to the procedures under paragraph 4.0 for the listing and quotation of the new ordinary shares issued pursuant to the Share Issuance Scheme as it involves the same class of securities.

Example 2

PLC B has existing ordinary shares and warrants listed on Bursa Securities. *PLC B* proposes to undertake a rights issue of 100 million new ordinary shares on the basis of 1 new ordinary share for every 2 existing ordinary shares held ("**Rights Issue**"). Pursuant to the provision in the deed poll, additional warrants will be issued arising from the adjustment pursuant to the Rights Issue ("**Additional Warrants**").

In this instance, *PLC B* will adhere to the procedures under paragraph 4.0 provided that the additional 100 million new ordinary shares and the Additional Warrants will be listed and quoted as the existing listed ordinary shares and warrants respectively.

Example 3

PLC E undertakes a corporate exercise which entails the following:

- (a) Proposed acquisition of *ABC company* for a purchase consideration of RM100 million to be satisfied by the issuance of 50 million new ordinary shares at RM2.00 per share ("**Acquisition**").
- (b) Rights issue of 80 million new ordinary shares on the basis of 1 new ordinary share for every 1 share held ("**Rights Issue**").

Facts

- (i) The Acquisition shares and Rights Issue will be listed and quoted as the existing listed ordinary shares; and

- (ii) The Acquisition and Rights Issue are inter-conditional upon each other and hence, the new ordinary shares arising from both the Rights Issue and Acquisition must be listed and quoted at the same time.

In this instance, *PLC E* will adhere to the procedures under paragraph 4.0 of Guidance Note 17 because both the new shares arising from the Acquisition and Rights Issue will be listed and quoted as the existing listed shares.

Examples where paragraph 4.0 of Guidance Note 17 is NOT applicable

Example 4

PLC C proposes to undertake a private placement of new ordinary shares and these new ordinary shares will not be entitled to the final dividend for the financial year ended 30 March 2009.

As the new ordinary shares to be issued pursuant to the private placement will not be listed and quoted as the existing listed ordinary shares to which the procedures under paragraph 4.0 apply, *PLC C* must follow the procedure under paragraph 2.0 of Guidance Note 17.

Example 5

PLC D has existing ordinary shares and warrants listed on Bursa Securities and propose to undertake a rights issue of 80 million new ordinary shares and RM80 million nominal value of Irredeemable Convertible Loan Stocks (“**ICULS**”) to its shareholders.

As the rights issue involves the issuance of a new type of securities i.e. ICULS, which is not currently listed, *PLC D* must follow the listing procedures under paragraph 2.0 of Guidance Note 17 similar to Example 3 above.

Example 6

PLC F undertakes a corporate exercise which entails the following:

- (a) Proposed acquisition of *DEF company* for a purchase consideration of RM100 million to be satisfied by the issuance of 50 million new ordinary shares at RM2.00 per share (“**Acquisition**”).
- (b) Rights issue of 80 million new ordinary shares on the basis of 1 new ordinary share for every 1 share held (“**Rights Issue**”).

Facts

- (i) the new ordinary shares arising from the Acquisition will not be entitled to the Rights Issue;
- (ii) the Rights Issue shares will be listed and quoted as the existing listed ordinary shares; and
- (iii) the Acquisition is not conditional upon the Rights Issue.

In this instance, *PLC F* will adhere to the following procedures:

- procedures under paragraph 2.0 of Guidance Note 17 for new ordinary shares arising from Acquisition as it involves the issuance of a new class of securities i.e. “A” shares; and
- procedures under paragraph 4.0 of Guidance Note 17 for Rights Issue because the new shares arising from the Rights Issue will be listed and quoted as the existing listed shares.

Please refer to Annexure GN17-A of Guidance Note 17 for a better understanding on the application of each additional listing procedure set out under paragraphs 2.0, 3.0 and 4.0 of Guidance Note 17.

6.6 When will the listing and quotation of the additional securities be effected under paragraph 4.0 of Guidance Note 17?

Pursuant to the procedures under paragraph 4.0 of Guidance Note 17, the additional securities will be listed and quoted on the next market day after the listed corporation has -

- (a) submitted the relevant certificate together with a covering letter containing the summary of the corporate proposal to Bursa Depository before **10 a.m.** on the market day before the listing date;
- (b) received confirmation from Bursa Depository that the additional securities are ready for crediting into the respective account holders; and
- (c) announced pursuant to paragraph 12.2 of Guidance Note 17 through *Bursa Link* via a dedicated template, “*ALA template*” before **3 p.m.** on the market day before the listing date the following:
 - (i) details of corporate proposal;
 - (ii) total number of securities issued under each proposal and its issue price, if any;
 - (iii) date of listing and quotation; and
 - (iv) latest share capital and number of issued shares after the proposal indicating the number of shares (in units and RM).

6.7 A controlling shareholder which is a statutory institution managing funds belonging to the public is no longer required to list down its directorships or substantial shareholdings in all other listed corporations in Malaysia for the past 3 years, in the additional listing application for new issue of securities under paragraph 12, Part A of Annexure GN17-B. What are some examples of “statutory institutions managing funds belonging to the public”?

Examples of statutory institutions managing funds belonging to the public include the Employees Provident Fund (“**EPF**”), Lembaga Tabung Angkatan Tentera (“**LTAT**”), Kumpulan Wang Persaraan (Diperbadankan) (“**KWAP**”) and Lembaga Tabung Haji.

- 6.8 Paragraph 1(c) of Part C Annexure GN17-B of Guidance Note 17 requires a listed corporation to enclose among others, a confirmation from the listed corporation that Bursa Depository is ready to credit the new securities to the accounts of the entitled holders. Are there any specific requirements to be complied with by a listed corporation with regard to providing this confirmation?**

In order to provide the confirmation that Bursa Depository is ready to credit the new securities to the accounts of the entitled holders, a listed corporation must procure a confirmation from Bursa Depository as set out below when the listed corporation submits the new scrip in respect of new securities to Bursa Depository. The listed corporation must include the following confirmation in its cover letter to Bursa Depository when submitting the said new scrip:

A listed corporation is encouraged to seek a general mandate from its shareholders only when it has a clear purpose for the utilization of the general mandate, such as for working capital or debt repayment.

- 6.10 The facts are as follows:**

- **On 31 July 2017, PLC A obtained a general mandate from its shareholders under Rule 6.04(1) of the ACE LR to issue shares at any time until the conclusion of its next annual general meeting provided that the aggregate number of shares to be issued does not exceed 10% of its total number of issued shares for the time being.**
- **PLC A's total number of issued shares as at 31 July 2017 was 95 million shares.**

- On 1 September 2017, *PLC A*'s total number of issued shares increased to 100 million shares pursuant to a private placement exercise of 5 million shares of RM1.00 each issued under the general mandate.
- On 31 December 2017, *PLC A* issued another 50 million shares of RM1.00 each pursuant to a rights issue exercise which has been approved under a specific shareholders' approval.
- *PLC A* intends to undertake another private placement exercise by 30 June 2018.

What is the maximum amount of shares that *PLC A* can issue for the private placement exercise under the general mandate?

As at 30 June 2018, *PLC A*'s total number of issued shares is 150 million. Therefore, the maximum amount that *PLC A* can issue under the general mandate is 15 million shares. Further, *A Bhd* must make an announcement which contains the prescribed information under Rule 6.07(4)(c) and since it is not an exempted transaction under Rule 10.08(11)(a) of the ACE LR, the announcement must also comply with Rule 10.08(1) of the ACE LR.

- 6.13 *A Bhd*, a listed corporation, is issuing shares to a director of its subsidiary, *C Sdn Bhd* for cash. The director is not a director or major shareholder of *A Bhd* or its holding company or a person connected with such director or shareholder. Must *A Bhd* obtain shareholder approval for the issuance of securities?**

No, Rule 6.07 of the ACE LR does not impose any obligation on *A Bhd* in relation to such issuance of securities. Hence, shareholder approval is not required pursuant to Rule 6.07. In addition, *A Bhd* need not comply with the requirements of Part E of Chapter 10 of the ACE LR as this is an issuance of securities by the listed corporation for cash and hence, exempted under Rule 10.08(11)(a) of the ACE LR. However, please note that the general disclosure obligations under Chapter 9 of the ACE LR may apply.

- 6.14** *D Sdn Bhd, a subsidiary of A Bhd, a listed corporation. D Sdn Bhd intends to issue shares to a director of A Bhd. What are the obligations set out in Rule 6.07 and Part E of Chapter 10 of the ACE LR that A Bhd must comply with?*

- 6.15** **Under Rule 6.15(2) of the ACE LR, one of the requirements in a back-to-back placement is that the listed corporation must give Bursa Securities a declaration from its existing shareholders involved in the back-to-back placement arrangement, that they will not derive any financial benefit from such an arrangement, directly or indirectly. When must such declaration be given to Bursa Securities?**

The following table clarifies the obligations of the listed corporation and the external auditors/reporting accountants in providing the relevant confirmations required for purposes of complying with Rule 6.31(3) of the ACE LR and paragraph 1(dA) in Part B, Annexure GN17-B of Guidance Note 17:

⁴ Rule 6.31(2)(b) stipulates that a listed corporation undertaking a bonus issue by way of capitalisation must ensure that it has sufficient reserves to cover the capitalisation issue. 	SCENARIO	FINANCIAL STATEMENTS RELIED UPON			OBLIGATIONS	
		Latest audited financial statements	Latest audited financial statements adjusted for subsequent events	Latest unaudited financial statements	Must the listed corporation confirm the sufficiency of reserves for capitalization?	Must the reserves for capitalization be verified and confirmed by the external auditors (or reporting accountants) and the report be submitted to Bursa Securities?

	Scenario 3	No	Yes	N/A (Latest quarterly financial statements subsequent to the audited financial statements is not due for release)	Yes	Yes
Are the available reserves for capitalization sufficient?	Scenario 4	No	N/A	Yes	Yes	Yes

6.30 In circumstances where the reserves for capitalization are based on the latest unaudited financial statements and such reserves must be verified and confirmed by the external auditors or reporting accountants, what is the required scope of the audit verification or confirmation?

The audit verification or confirmation must be made in accordance with the approved auditing standards applied in Malaysia for review of interim financial statements.

In relation to a foreign corporation with primary listing on Bursa Securities, the audit verification or confirmation may also be made in accordance with the International Standards on Auditing.

- 6.31** Rule 6.32 of the ACE LR requires a listed corporation which makes a bonus issue by way of capitalization of reserves arising from revaluation of real estate to submit 2 copies of the valuation report on the real estate to Bursa Securities immediately after the listed corporation announces the bonus issue or as soon as the valuation report is ready. Must the listed corporation submit the valuation report to the SC as well?

No, a valuation report required under Rule 6.32 of the ACE LR must be submitted to Bursa Securities only. A listed corporation need not submit the report to the SC.

- 6.32** Must a valuer who is required to submit an undertaking to Bursa Securities under Rule 6.32 of the ACE LR, file an undertaking each time it acts for a listed corporation?

No, a valuer is only required to provide Bursa Securities its letter of undertaking to comply with the ACE LR once. The same undertaking will be applicable for all listed corporations which the valuer acts for.

- 6.33** *C Bhd*, a listed corporation is undertaking a bonus issue by capitalising its reserves arising from the revaluation of real estate. The valuation figure of the real estate is RM100 million. Pursuant to Rule 6.32(4) of the ACE LR, Bursa Securities obtains a second opinion valuation, by which the real estate is valued at RM80 million. *C Bhd* is required to retain at least 20% of the valuation amount of the real estate in the revaluation reserves after undertaking the bonus issue in accordance with the provisions of the ACE LR. How much should *C Bhd* retain?

C Bhd should retain at least RM16 million in the revaluation reserves after taking into account/undertaking the bonus issue (i.e. based on the lower of the 2 valuation figures). The 20% is computed based on the valuation amount for the real estate set out in the valuation report. Where a second opinion valuation is required, the 20% would be based on the lower of the 2 valuation figures.

- 6.34** *ABC Bhd* is considering a proposal to undertake a capitalisation issue. Based on its latest consolidated audited accounts, *ABC Bhd* has revaluation reserves of RM60 million. *ABC Bhd* however has accumulated losses of RM80 million. Can *ABC Bhd* undertake a capitalisation issue?

Requirements relating to a Share Issuance Scheme

- 6.36** With Rule 6.42(d) of the ACE LR, who can confirm adjustments (other than on a bonus issue, subdivision or consolidation of shares) under a Share Issuance Scheme?

Pursuant to Rule 6.42(d) of the ACE LR, either the listed corporation's external auditor, Sponsor or Adviser, may confirm adjustments (other than on a bonus issue, subdivision or consolidation of shares) under a Share Issuance Scheme. However, this is subject to the provisions contained in the listed corporation's bylaws of the Share Issuance Scheme.

6.37 Pursuant to Rule 6.39(1) of the ACE LR, the total number of shares to be issued under a Share Issuance Scheme must not exceed 30% of the total number of issued shares at any one time. How is this percentage calculated?

Where a listed corporation has issued a percentage out of the 30% allowed under Rule 6.39(1) of the ACE LR, for the following issue, the listed corporation would need to deduct from the total number of issued shares, the number of shares already issued and paid for under the Share Issuance Scheme. The result from the deduction would be the new basis for calculating the percentage allowed for the scheme.

Illustration:

PLC A procured shareholder approval to implement a 5-year Share Issuance Scheme of up to 30% of its total number of issued shares on 8 February 2017. *PLC A* has a total number of issued shares of 20 million but arising from a rights issue implemented on 28 March 2017, the total number of issued shares is now 25 million. In addition, arising from the exercise of all the options offered by *PLC A* pursuant to the Share Issuance Scheme, as at December 2017, 5 million new shares were issued. Pursuant to Rule 6.39 of the ACE LR, what is the number of shares under the Share Issuance Scheme that can be offered by *PLC A* to its employees in year 2018?

Based on this example, the computation of the shares under the Share Issuance Scheme that may be offered by *PLC A* is as follow:

	Total Number of Issued Shares
8 February 2017	20 million
28 March 2017 (Issuance of new shares arising from rights issue – 5 million)	25 million
December 2017 (Total issuance of shares under the Share Issuance Scheme – 5 million)	30 million

Shares under the Share Issuance Scheme that can be offered by *PLC A* in year 2018:

= (30% x 30 million shares) LESS shares already issued under the Share Issuance Scheme (i.e. 5 million shares)

= 4 million new shares

6.38 Can a listed corporation establish more than 1 Share Issuance Scheme at any point in time?

Yes, a listed corporation may establish more than 1 Share Issuance Scheme provided that the aggregate number of shares available under all the Share Issuance Schemes does not exceed 30% of its total number of issued shares (excluding treasury shares).

Share Issuance Scheme by subsidiary**6.39 Is a Share Issuance Scheme undertaken by a subsidiary of a listed corporation subject to the approval of the listed corporation's shareholders?**

Generally, any Share Issuance Scheme implemented by a subsidiary of a listed corporation is no longer subjected to the approval of the listed corporation's shareholders under Rule 6.45 of the ACE LR. The Share Issuance Scheme implemented by the subsidiary will only require the approval of the listed corporation's shareholders if such Share Issuance Scheme is –

- (a) undertaken by a principal subsidiary⁶ and results in, or could potentially result in, a dilution amounting to 25% or more of the listed corporation's equity interest in the principal subsidiary under Rule 8.23 of the ACE LR; or
- (b) very material and triggers the percentage ratio of 25% or more under Rule 10.07 of the ACE LR where it will be considered as a "disposal of asset" by the listed corporation, due to dilution of its equity interest in the subsidiary.

In determining whether the obligations under Rules 8.23 or 10.07 of the ACE LR are triggered, the listed corporation must compute the relevant thresholds prior to implementation of the Share Issuance Scheme of the subsidiary based on the assumption that the Share Issuance Scheme is implemented in full.

Dividend Reinvestment Scheme**6.40 Will the shareholders having registered addresses outside Malaysia be entitled to participate in the Dividend Reinvestment Scheme?**

In addition to the requirements in Chapter 6 of the ACE LR, a listed corporation which intends to issue shares pursuant to a Dividend Reinvestment Scheme must also comply with the relevant provisions of law governing such issuance.

Hence, the listed corporation must ensure that there is no prohibition under the relevant laws in determining whether shareholders having registered addresses outside Malaysia are entitled to participate in the Dividend Reinvestment Scheme.

⁶ A "principal subsidiary" is defined in Rule 1.01 of the ACE LR as a subsidiary which accounts for 25% or more of the profit after tax or total assets employed of the listed corporation based on the latest published or announced audited financial statements of the listed corporation or audited consolidated financial statements of the listed corporation, as the case may be.

Issuance of convertible securities

6.41 Can a listed corporation revise the provisions in its deed poll or trust deed pertaining to the following changes as set out in Rule 6.55(3) of the ACE LR (“said restrictions”):

- **the tenure of the convertible securities; or**
- **the number of shares received for the exercise or conversion of each convertible security or pricing mechanism for the exercise or conversion price (other than adjustments following certain corporate exercises),**

if there are provisions allowing for alteration or adjustment in the deed poll or trust deed and the listed corporation complies with such provisions?

No, and this is clarified in Rule 6.56(b)⁷ of the ACE LR. The said restrictions are imposed on convertible securities (other than debt securities⁸) to provide certainty to the holders of such securities and avoid changes or adjustments to the terms and conditions of the convertible equity securities which may be detrimental to them.

Electronic mode for submission and payment of specified corporate exercises

6.42 Can a listed corporation offer the electronic mode as the only way of performing the corporate exercises as specified under Rule 6.09A of the ACE LR?

No, a listed corporation must still provide the manual method in addition to the electronic mode. This is to ensure that securities holders may continue to use the manual method to perform the relevant steps or procedures specified, if they choose to do so.

6.43 Where can a securities holder find out about the procedures for the subscription and payment of a rights issue?

The securities holder can obtain such information from the abridged prospectus of a rights issue.

6.44 The facts of the matter are as follows:

- **PLC A announces its issuance of convertible securities on 30 June 2020.**
- **PLC A issues the convertible securities on 1 July 2021.**
- **Shareholder B intends to exercise/convert its convertible securities on 31 November 2021.**

⁷ Rule 6.56 of the ACE LR stipulates that a listed corporation may make an alteration or adjustment to the terms of the convertible securities during the tenure of the securities only if such alteration or adjustment –

- (a) is provided upfront in the deed poll or trust deed governing the securities; and
- (b) does not relate to the provisions set out in in Rule 6.55(3) above.

⁸ Rule 6.55(4) of the ACE LR.

The requirements under Rule 6.09A of the ACE LR comes into effect for any rights issue, Dividend Reinvestment Scheme or issue of convertible securities announced on or after 2 February 2021. Based on the facts above, must *PLC A* facilitate the exercise/conversion of convertible securities by its securities holders electronically as required under Rule 6.09A of the ACE LR?

No. *PLC A* is only required to offer the electronic mode for issuance of convertible securities announced on or after 2 February 2021. However, *PLC A* may opt to offer the electronic mode to the securities holders provided that –

- it complies with all the requirements relating to the provision of electronic mode including the disclosure of the process involved in the notice of conversion or exercise of convertible securities; and
- the trust deed or deed poll in respect of the convertible securities facilitates such electronic mode.

CHAPTER 7 – CONSTITUTION

General

7.1 [Deleted]

7.2 **If a listed corporation undertakes amendments to its constitution, is there a requirement for the listed corporation to submit a letter of compliance and checklist of compliance similar to the requirement of Rule 3.11 of the ACE LR?**

Pursuant to Rules 2.11 and 2.12 of the ACE LR, any amendments made to the constitution by listed corporations must be submitted to Bursa Securities no later than 5 market days after the effective date of the amendment together with a letter of compliance. In relation to a checklist of compliance for such amendment, there is no requirement for submission of the same unless Bursa Securities requests for it.

Enhancements to proxy requirements

7.3 **Under Rule 7.21 of the ACE LR, where a member of a listed corporation is an exempt authorised nominee, there is no limit to the number of proxies which the exempt authorized nominee may appoint in respect of each omnibus account it holds. Who is an “exempt authorised nominee” for purposes of Rule 7.21 of the ACE LR?**

Under the Rules of Bursa Depository, an authorised nominee is defined as a person who is authorised to act as a nominee in accordance with the schedule prescribed under Part VIII of the Rules. This means that such person can hold securities on behalf of another person. On the other hand, an exempt authorised nominee is an authorised nominee who may hold deposited securities for more than one beneficial owner in respect of each securities account it holds, or commonly known as the omnibus account.

Annual shareholder approval for directors’ fees and benefits

7.4A **Given that section 230 of the Companies Act 2016 already requires that the fees of directors and any benefits payable to directors to be approved at a general meeting, why must a listed corporation amend its constitution to the effect that the fees of directors, and any benefits payable to directors (“Directors Fees and Benefits”) shall be subject to annual shareholder approval at a general meeting pursuant to the ACE LR?**

This is to make clear that apart from seeking shareholder approval on director’s fees on an annual basis pursuant sections 230 and 340(1)(c) of the Companies Act 2016, a listed corporation must also seek its shareholder approval for benefits payable to directors on an annual basis. This will provide greater clarity on the frequency of shareholder approval for directors’ benefits as the Companies Act 2016 is silent on this point.

7.4B Is a listed corporation required to seek shareholder approval for its Directors' Fees and Benefits even though there is no increase in such fees and benefits?

Yes. A listed corporation must seek shareholder approval for its Directors' Fees and Benefits annually irrespective of whether there is an increase in the amount of such fees and benefits or otherwise.

Effect of the ACE LR

7.5 In the event a listed corporation has incorporated the deeming provision under Rule 7.36(4) of the ACE LR in its constitution, is the listed corporation still required to amend its constitution if there are amendments made to Chapter 7 of the ACE LR which are not already in its constitution?

Yes, a listed corporation is still required to amend its constitution in accordance with the relevant amendments of Chapter 7 of the ACE LR. This is to ensure that shareholders have access to constitution which are updated and comprehensive.

If *Company P*'s intention is to maintain *Y Bhd*'s listing status, what are *Y Bhd*'s key obligations in regard to its non-compliance with the public shareholding spread requirement prescribed under Rule 8.02(1) of the ACE LR?**

Y Bhd must take immediate steps to comply with the public shareholding spread requirement.

Y Bhd must announce the status of its efforts to comply with the public shareholding spread requirement for each quarter of its financial year in accordance with paragraphs 3.3 and 3.4 of Guidance Note 13.

If *Y Bhd* requires an extension of time to rectify its situation, it must request for an extension under Rule 8.02(4) of the ACE LR. However, even though an extension of time is granted, *Y Bhd* must comply with the public shareholding spread requirement as soon as possible.

- 8.5 **On 19 August 2009, pursuant to a take-over offer, *Company X* holds 91% of the listed shares (excluding treasury shares) of *Z Bhd*, a listed corporation. If *Company X*'s intention is to maintain *Z Bhd*'s listing status, what must *Z Bhd* do?**

Lower public shareholding spread

8.5A Pursuant to paragraph 2.2 of Guidance Note 13, the Exchange may accept a public shareholding percentage of lower than the 25% threshold as prescribed in Rule 3.10(1) and Rule 8.02(1) of the ACE LR if the quantitative market capitalisation criteria¹ under paragraph 2.2(a) of Guidance Note 13 and qualitative criteria² under paragraph 2.2(b) of Guidance Note 13 are met. In this regard, how would the Exchange assess whether the qualitative criteria have been met?

In assessing or determining that the qualitative criteria have been met, the Exchange may consider or take into account (among others) the following:

Qualitative criteria	Consideration
Sufficient liquid market	<ul style="list-style-type: none"> • The concentration of public shareholdings in the applicant or listed corporation • Number of shares in issue in the applicant or listed corporation • The spread between the bid and ask price and trading volume of the shares of the listed corporation
Orderly and fair trading	<ul style="list-style-type: none"> • Any queries issued to the listed corporation relating unusual market activities • Any circumstances indicating manipulative activities or any issuance of market alerts in respect of the shares of the applicant or listed corporation
Satisfactory corporate governance conduct and compliance record	<ul style="list-style-type: none"> • If there is any enforcement proceeding or action commenced or taken against the applicant or listed corporation or its directors by the relevant authorities, including the Exchange and the Securities Commission

¹ A listed corporation must meet the quantitative market capitalisation of RM1 billion or more but less than RM3 billion for minimum acceptable lower spread of 20% or market capitalisation of RM3 billion or more for minimum acceptable lower public spread of 15%.

- (b) there is, or will be, orderly and fair trading in the shares of the applicant or listed corporation;
- (c) the applicant or listed corporation and its directors have satisfactory corporate governance conduct and compliance record with the Listing Requirements and securities laws; and

Chapter 8 Continuing Listing Obligations [Questions & Answers]

Qualitative criteria	Consideration
Reasonable justification necessitating the lower public spread	<ul style="list-style-type: none"> • All relevant facts and circumstances that warrant a lower public spread such as actual non-compliance of required public spread • Where the circumstance is that of actual non-compliance of required public spread, whether the non-compliance is beyond the reasonable control of the listed corporation, its controlling shareholders or its directors

8.5B Pursuant to Rule 2A.1 of Guidance Note 13, a listed corporation that has been granted with lower public spread is required to immediately notify the Exchange when it becomes aware of any of the Specified Decreases³. What are the examples of instances when a listed corporation would be deemed to become aware of any of the Specified Decreases?

A listed corporation would be deemed to become aware of the Specified Decrease (if any) -

- when it requests for a copy of the Record of Depositors from Bursa Malaysia Depository Sdn Bhd;
- during the preparation of its annual returns or annual reports; or
- when it undertakes a corporate exercise or corporate proposal;

as the listed corporations would have sufficient information in the said circumstances to be able to reasonably discover whether there is any Specified Decrease.

Notwithstanding the above, a listed corporation must also immediately notify the Exchange if it becomes aware of any Specified Decrease in any circumstances other than those stated above.

Cash Companies

8.6 If a listed corporation's assets on a consolidated basis, consist of 70% or more of cash or short term investments, or a combination of both, is the listed corporation automatically considered a "Cash Company"?

No, it is not. The listed corporation must notify Bursa Securities immediately of the fact and Bursa Securities will determine as to whether the listed corporation should be considered a "Cash Company". Bursa Securities will notify the listed corporation of its determination.

³ Under Rule 2A.1 of Guidance Note 13, a listed corporation approved with a lower public spread must immediately notify the Exchange when it becomes aware of any of the following:

- (a) any decrease in its issued share capital;

(collectively "the Specified Decreases").

Chapter 8 Continuing Listing Obligations
[Questions & Answers]**8.7 What are the “short-dated securities” referred to in Rule 8.03(4) of the ACE LR?**

“Short-dated securities” include money market instruments, structured deposits, debt securities, or any other type of deposit or products which are short term in nature (i.e. less than 12 months) offered by financial institutions.

8.8 A Bhd has disposed of its core business resulting in it triggering the Cash Criterion. Before it is classified as a Cash Company, A Bhd has existing investments in short-dated securities with institutions other than financial institutions licensed by Bank Negara Malaysia (“BNM”). How does A Bhd comply with Rule 8.03(4) of the ACE LR?

Upon triggering the Cash Criterion, these short-dated securities must be placed with a custodian. When these short-dated securities mature or are converted into cash, A Bhd must immediately place the funds with an account opened with financial institutions licensed by BNM, and operated by the custodian.

8.9 In year 2010, X Bhd disposes of its core business relating to printing and has been classified as a Cash Company by Bursa Securities. X Bhd intends to expand its other existing business, which is cartridge manufacturing. Can X Bhd regularise its condition by developing this cartridge manufacturing as its new core business?

No, a regularisation proposal under Rule 8.03 of the ACE LR must involve an acquisition of a new core business and not by developing the Cash Company’s existing business.

8.10 Pursuant to Rule 8.03(5)(a)(ii) of the ACE LR, a Cash Company must appoint a Sponsor within 3 months from the date it announces that it is a Cash Company. Who can be the Cash Company’s Sponsor in this instance?

Any person from the Register of Sponsor can be the Cash Company’s Sponsor. This includes a Sponsor that has acted for the Cash Company during the Sponsorship Period.

8.11 Rule 8.03(5)(b) of the ACE LR requires a Cash Company to retain the services of a Sponsor for at least 3 full financial years after it is no longer considered a Cash Company. Who can be the Cash Company’s Sponsor in this instance?

The Sponsor who is appointed by the Cash Company in Question 0 above must act as the Cash Company’s Sponsor in this instance for at least the first full financial year. After that, the Cash Company can either retain that Sponsor or retain another person from the Register of Sponsor to be the Cash Company’s Sponsor for the remaining 2 full financial years.

8.12 A Bhd’s Sponsorship Period ends in 2009. In 2010, A Bhd is classified as a Cash Company. In accordance with Rule 8.03(5)(a)(ii) of the ACE LR, A Bhd appoints X as its Sponsor within 3 months from the date it announces that it is a Cash Company. Before A Bhd completes the implementation of its regularisation proposal, can it replace X with any other person as its Sponsor?

No, A Bhd must retain X as its Sponsor until it completes the implementation of its regularisation proposal and for at least 1 full financial year after A Bhd is no longer considered as a Cash Company. If X resigns or has its appointment terminated before A Bhd completes its regularisation proposal, A Bhd is deemed to have failed its obligation to regularise under Rule 8.03(5)(a) of the ACE LR. In this case, Bursa Securities may suspend the trading of A Bhd’s listed securities and de-list A Bhd.

Chapter 8 Continuing Listing Obligations
[Questions & Answers]**8.13 Is a Cash Company required to disclose its failure to comply with any obligation imposed pursuant to Rule 8.03(5)(a) of the ACE LR?**

Yes, the Cash Company must announce its failure to comply with a particular obligation imposed pursuant to Guidance Note 2 and ensure that the announcement complies with the standard of disclosure set out in Rule 9.35 of the ACE LR with regard to the contents of the announcement. In addition, the Cash Company must also include the consequences of such failure in its announcement.

8.14 Can a Cash Company include the announcement on the status of its proposal as required under paragraph 2.1(b) of Guidance Note 2 (“status report”) in its quarterly report?

No, the quarterly announcement of the status report must be made separately.

8.15 *X Bhd* has been classified as a Cash Company by Bursa Securities. Pursuant to Rule 8.03(5)(a)(i) of the ACE LR, *X Bhd* submits a proposal to acquire a new core business to Bursa Securities for approval. While *X Bhd* is awaiting Bursa Securities’ approval, it has ceased to trigger the Cash Criterion. Can *X Bhd* apply to Bursa Securities for it to be no longer considered a Cash Company?

No, pursuant to Rule 8.03(8) of the ACE LR, *X Bhd* **must** complete the implementation of the proposal before it can apply to Bursa Securities for it to be no longer considered a Cash Company. So, even though *X Bhd* has ceased to trigger the Cash Criterion, that would not entitle it to be no longer considered as a Cash Company until it has completed its proposal to regularise its condition.

Listed corporations with inadequate level of operations**8.16 Is there any difference in the obligations of an affected listed corporation⁴ under the previous framework set out in Guidance Note 3 and the new framework in Rule 8.03A of the ACE LR?**

Under the new framework in Rule 8.03A of the ACE LR, generally the obligations of the affected listed corporation remain the same as that of a GN3 Company including the requirement to submit and implement a regularisation plan within the prescribed timeframe. However, taking into consideration that there are differences between these listed corporations (an affected listed corporation vis-a-vis a GN3 Company), under the new framework -

- (a) an affected listed corporation will not be tagged or classified as a “GN3” Company;
- (b) if the affected listed corporation fails to regularise its condition, Bursa Securities has the discretion to suspend and delist its securities, whilst in the case of a GN3 Company, the suspension and delisting is automatic; and

⁴ As stipulated in Rule 8.03A(3) of the ACE LR, an affected listed corporation refers to a listed corporation which has triggered the criteria of inadequate level of operations under Rule 8.03A(2) of the ACE LR namely that the listed corporation has –

- (a) suspended or ceased all of its business or its major business; or
- (b) suspended or ceased its entire or major operations; or
- (c) an insignificant business or operations.

**Chapter 8 Continuing Listing Obligations
[Questions & Answers]**

- (c) there is an express provision in Rule 8.03A for the affected listed corporation to apply not to undertake any regularisation plan if it is able to demonstrate to Bursa Securities' satisfaction that its remaining business is sustainable and has growth prospects with appropriate justifications, and its level of operations remains suitable for continued listing.

8.17 Which regularisation obligation must a listed corporation comply with in the following scenarios:**Scenario 1**

The listed corporation first triggers the criteria for inadequate level of operations set out in Rule 8.03A of the ACE LR and subsequently triggers the Prescribed Criteria set out in Guidance Note 3.

Scenario 2

The listed corporation first triggers the criteria for inadequate level of operations set out in Rule 8.03A of the ACE LR and subsequently triggers the Cash Criterion in Rule 8.03 of the ACE LR.

The general principle is that the listed corporation must comply with the stricter obligations.

Hence in Scenario 1, the listed corporation must comply with the obligations imposed on a GN3 Company under Rule 8.04 and Guidance Note 3 of the ACE LR.

In Scenario 2, the listed corporation must comply with the obligations imposed on a Cash Company under Rule 8.03 and Guidance Note 2 of the ACE LR.

In both the Scenarios, the timeframe for the listed corporation to regularise its condition commences 12 months from the date the listed corporation announces that it triggers the criteria for inadequate level of operations under Rule 8.03A of the ACE LR.

GN3 Companies**8.18 When must a listed corporation assess whether it is a GN3 Company?**

All listed corporations must on a continuing basis undertake a self assessment of their financial condition and level of operations. At any given time if a listed corporation finds that it triggers any one or more of the criteria prescribed in paragraph 2.1 of Guidance Note 3 ("**Prescribed Criteria**"), the listed corporation must comply with the requirements of Rule 8.04 of the ACE LR and Guidance Note 3.

8.19 Pursuant to Rule 8.04(3)(a)(ii) of the ACE LR, a GN3 Company must appoint a Sponsor within 3 months from the date it announces that it is a GN3 Company. Who can be the GN3 Company's Sponsor in this instance?

Any person from the Register of Sponsor can be the GN3 Company's Sponsor. This includes a Sponsor that has acted for the GN3 Company during the Sponsorship Period.

Chapter 8 Continuing Listing Obligations
[Questions & Answers]

- 8.20 Rule 8.04(3)(c) of the ACE LR requires a GN3 Company to retain the services of a Sponsor for at least 3 full financial years after it is no longer considered a GN3 Company. Who can be the GN3 Company's Sponsor in this instance?**

The Sponsor who is appointed by the GN3 Company in Question 0 above must act as the GN3 Company's Sponsor in this instance for at least the first full financial year. After that, the GN3 Company can either retain that Sponsor or retain another person from the Register of Sponsor to be the GN3 Company's Sponsor for the remaining 2 full financial years.

- 8.21 A Bhd's Sponsorship Period ends in 2009. In 2010, A Bhd is classified as a GN3 Company. In accordance with Rule 8.04(3)(a)(ii) of the ACE LR, A Bhd appoints X as its Sponsor within 3 months from the date it announces that it is a GN3 Company. Before A Bhd completes the implementation of its regularisation plan, can it replace X with any other person as its Sponsor?**

No, *A Bhd* must retain *X* as its Sponsor until it completes the implementation of its regularisation plan and for at least 1 full financial year after *A Bhd* is no longer considered as a GN3 Company. If *X* resigns or has its appointment terminated before *A Bhd* completes its regularisation plan, *A Bhd* is deemed to have failed its obligation to regularise under Rule 8.04(3)(a) of the ACE LR. In this case, Bursa Securities shall, in accordance with Rule 8.04(5) of the ACE LR –

- (a) suspend the trading of the GN3 Company's listed securities on the next market day after 5 market days from the date of notification of suspension by Bursa Securities; and
- (b) de-list the GN3 Company subject to the latter's right to appeal against the de-listing.

- 8.22 X Bhd is a GN3 Company. Pursuant to Rule 8.04(3)(a)(i) of the ACE LR, X Bhd submits a plan to regularise its condition to Bursa Securities for approval. While X Bhd is awaiting Bursa Securities' approval, it has ceased to trigger the Prescribed Criteria. Can X Bhd apply to Bursa Securities for it to be no longer considered a GN3 Company?**

No, pursuant to Rule 8.04(8) of the ACE LR, *X Bhd* must complete the implementation of the plan to regularise its condition before it can apply to Bursa Securities for it to be no longer considered a GN3 Company. So, even though *X Bhd* has ceased to trigger the Prescribed Criteria, that would not entitle it to be no longer considered as a GN3 Company until it has completed its plan to regularise its condition.

- 8.23 ABC Berhad, a listed corporation has changed its financial year end from 31 December 2009 to 31 March 2010. ABC Berhad's financial statements for the said period of 15 months show that it has incurred losses. For the purposes of determining if ABC Berhad triggers one of the Prescribed Criteria in Guidance Note 3, will the losses for the whole 15 months period be considered?**

Yes, the losses incurred for the full financial year of *ABC Berhad* i.e. the 15 months period from 1 January 2009 to 31 March 2010, will be taken into consideration. If the losses equal to or exceed the amount of its shareholders' equity and the shareholders' equity is 50% or less of the issued and paid up capital of the listed corporation at the end of the financial year 31 March 2010, *ABC Berhad* will trigger the Prescribed Criteria.

XYZ Bhd’s shareholders’ equity on a consolidated basis based on the Financial Statement was 60% of its share capital (excluding treasury shares).**

However, XYZ Bhd’s subsequent quarterly results for the period ended 30 September 2017 (“quarterly results”) shows that its shareholders’ equity has reduced to 35% of its share capital (excluding treasury shares).

Will XYZ Bhd trigger the Prescribed Criteria upon the release of its quarterly results?

Yes, since XYZ Bhd’s auditors have highlighted a material uncertainty related to going concern on XYZ Bhd in its latest Financial Statement and based on XYZ Bhd’s latest available results which is the quarterly results, its shareholders’ equity is less than 50% of its share capital (excluding treasury shares), XYZ Bhd will trigger the Prescribed Criteria pursuant to paragraph 2.1(g) of Guidance Note 3. In this event, XYZ Bhd must immediately make the First Announcement under paragraph 4.1(a) of Guidance Note 3 upon the release of its quarterly results.

Chapter 8 Continuing Listing Obligations
[Questions & Answers]

- (b) **What is the applicable timeframe for *X Bhd* to submit its proposal to regularise its condition as a Cash Company and GN3 Company?**

X Bhd must regularise its condition by submitting a proposal to Bursa Securities within 12 months from the date *X Bhd* announces that it is a Cash Company, i.e. by 2 February 2011.

- (c) **Must *X Bhd* regularise its condition by undertaking a regularisation proposal/plan under Rule 8.03(5)(a) or that under Rule 8.04(3)(a)(i) of the ACE LR?**

X Bhd must undertake a regularisation proposal under Rule 8.03(5)(a) of the ACE LR. This proposal must be able to regularise *X Bhd*'s condition as a Cash Company and GN3 Company. In this regard, the proposal must be one to acquire a new core business as required under Rule 8.03(5)(a)(i), and which will also fulfill the conditions set out in paragraphs 5.2 and 5.3 of Guidance Note 3.

8.29 Paragraph 2.1(e) of Guidance Note 3 sets out a criterion of a winding up of the listed corporation's subsidiary or associated company which accounts for at least 50% of the total assets employed of the listed corporation on a consolidated basis ("Criterion 2.1(e)").

- (a) **If a winding-up order has been made against such subsidiary or associated company of a listed corporation but the winding-up order is either stayed or under appeal, will the listed corporation still be classified as a GN3 Company?**

Yes, a stay order only has the effect of suspending the operation of the winding-up order. It does not change the fact that Criterion 2.1(e) has been triggered. Thus the classification as a GN3 Company will take effect. Similarly, if the winding-up order is pending appeal, the listed corporation will nonetheless be classified as a GN3 Company, pending the outcome of the appeal.

- (b) **Will a winding-up order against a listed corporation, instead of such subsidiary or associated company of a listed corporation, trigger Criterion 2.1(e)?**

No. However, pursuant to Rule 16.11(2)(d) of the ACE LR, Bursa Securities shall de-list a listed corporation where a winding up order has been made against the listed corporation itself.

8.30 What are the measures that will be taken by Bursa Securities to assist investors in identifying listed corporations which are GN3 Companies?

The full list of GN3 Companies and announcements relating to them are available on Bursa Malaysia's website. Hence, investors may access Bursa Malaysia's website to be kept informed and updated on the status of the financial condition of the GN3 Companies.

Is *X Bhd* required to comply with the enhanced requirements on regularisation plan in paragraphs 5.3, 5.4 and 5.5 of Guidance Note 3 which takes effect on 27 January 2015?

X Bhd must comply with the enhance requirements on regularisation plan in paragraphs 5.3, 5.4 and 5.5 of Guidance Note 3 if it submits its regularisation plan to Bursa Securities on or after 27 January 2015.

8.31A *Y Bhd* is a GN3 Company which intends to undertake a regularisation plan to regularize its financial condition pursuant to Rule 8.04 and GN3 of the ACE LR. Material Variations

- 8.34** Rule 8.24(1)(b) of the ACE LR requires a listed corporation to issue a circular to its shareholders and seek its shareholder approval for any material amendment, modification or variation to a proposal which has been previously approved by shareholders in general meeting. When is an amendment, modification or variation considered as “material”?

Pursuant to Rule 8.24(2)(b) of the ACE LR, an amendment, modification or variation is considered material if it can be reasonably expected to have a material effect on the decision of a holder of securities of the listed corporation in relation to such proposal.

- 8.35** Pursuant to Rule 8.24(3) of the ACE LR, an amendment, modification or variation to a proposal which has been approved by shareholders resulting from the direction or condition imposed by the relevant authorities does not require shareholder approval under Rule 8.24(1)(b) of the ACE LR.

Company A obtains shareholder approval for its corporate proposal i.e. to purchase a 10% interest in *Company B*. Subsequently, before making a submission for approval to the relevant authority, *Company A* revises its proposed purchase to a 30% interest in *Company B*. *Company A* then submits the amended proposal to the relevant authority for approval. The amended proposal is approved by the relevant authority. Although the amendment is material, it is already approved by the relevant authority. Would *Company A* still need to obtain shareholder approval for the amendment?

Yes, the material amendment to *Company A*'s proposal would still require shareholder approval under Rule 8.24(1)(b) of the ACE LR. Although the amended proposal may have been approved by the relevant authority, the amendment was not made pursuant to a direction or condition imposed by such authority.

$$\text{RM13 million/RM50 million} \times 100 = 26\%.$$

In this respect, the listed corporation must ensure that the announcement includes such information as set out in Annexure GN4-A of Guidance Note 4 and Appendix 8D (if applicable) of the ACE LR.

- 8.40** Will a listed corporation (other than a listed corporation whose activities are regulated by any written law relating to banking, finance companies or insurance and are subject to supervision by Bank Negara Malaysia or an equivalent foreign regulatory authority as Bursa Securities deems appropriate) which lends money pursuant to a moneylending licence ("Moneylending") be exempted from compliance with Rule 8.25 of the ACE LR?

[Questions & Answers]

8.42 In the absence of a specific regulatory framework governing “scheduled institutions” in the Financial Services Act 2013 which replaces the Banking and Financial Institutions Act 1989 (“BAFIA”), Rule 8.25(4)(c) of the ACE LR has been deleted, which previously exempted scheduled institutions which were registered and supervised by Bank Negara Malaysia under the BAFIA from complying with the requirements in Rule 8.25. Does it mean that all corporations which were previously “scheduled institutions” under the BAFIA must now comply with Rule 8.25 in full?

Only corporations which were previously “scheduled institutions” and which are no longer subjected to Bank Negara Malaysia’s regulation and supervision⁵ must now adhere strictly to the requirements set out in Rule 8.25 when providing financial assistance.

On the other hand, previous “scheduled institutions” such as the development finance institutions which are prescribed under the Development Financial Institutions Act 2002⁶, and therefore, still regulated and supervised by Bank Negara Malaysia will continue to enjoy the exemption from the provision on financial assistance under Rule 8.25(4)(b) of the ACE LR.

8.43 A listed corporation grants a corporate guarantee to a third party for services rendered by the third party to the listed corporation’s non-wholly owned subsidiary. Is the corporate guarantee subject to disclosure requirements under Guidance Note 4?

No, a corporate guarantee granted to a subsidiary by a listed corporation would not be subject to Guidance Note 4 as it is provided pursuant to Rule 8.25(1)(iii) of the ACE LR and not Rule 8.25(1)(ii). In the circumstances, the quarterly disclosure under paragraph 3.1 of Guidance Note 4 is not applicable.

8.44 What is a moneylending company under Rule 8.25 of the ACE LR? Are corporate guarantees or loans granted to non-wholly owned subsidiaries and contractors regarded as moneylending under the ACE LR?

A moneylending company is defined under Rule 8.25(2)(a)(ii) of the ACE LR as a listed corporation or its subsidiary that lends or advances money in the ordinary course of business as a moneylender pursuant to the Moneylenders Act 1951. As such, provision of corporate guarantees or advances necessary to facilitate the ordinary course of business of the listed corporation or its subsidiary (i.e. for purposes of getting a contract or to enable a sub-contractor to commence work) would not be regarded as moneylending operations.

⁵ For example, corporations which carry out building credit business, factoring or leasing business or development finance institutions which are not prescribed under the Development Financial Institutions Act 2002.

⁶ The existing prescribed development finance institutions are:

- (a) Bank Pembangunan Malaysia Berhad;
- (b) Bank Perusahaan Kecil & Sederhana Malaysia Berhad (SME Bank);
- (c) Export-Import Bank of Malaysia Berhad (EXIM Bank);
- (d) Bank Kerjasama Rakyat Malaysia Berhad;
- (e) Bank Simpanan Nasional; and
- (f) Bank Pertanian Malaysia Berhad (Agrobank)

Chapter 8 Continuing Listing Obligations
[Questions & Answers]

- 8.45 Under Rule 8.25(2)(c) of the ACE LR, a listed corporation must procure its shareholders' prior approval for any provision of financial assistance to an associated company or joint arrangement where the aggregate amount provided compared to the net tangible assets of the group is 5% or more. In such circumstances, what is the prescribed content of the circular to be issued to the shareholders?**

The minimum content of a circular for purposes of seeking shareholder approval for provision of financial assistance which is not a related party transaction is not specifically prescribed under the ACE LR. However, a listed corporation can seek guidance from the minimum content prescribed for circulars in relation to transactions as set out under Appendix 10B of the ACE LR.

- 8.46 Pursuant to Rule 8.25(2)(a)(i) of the ACE LR, where a listed corporation or any of its subsidiaries provides financial assistance, the board of directors must ensure, amongst others, that the provision of financial assistance is fair and reasonable to the listed corporation. What would be considered as "fair and reasonable"?**

What would be considered as "fair and reasonable" is subjective and varies from case to case. To ascertain the fairness and reasonableness of the financial assistance granted, the board of directors is required to make an assessment of the circumstances and terms of the provision of financial assistance including comparisons with market practices. For instance, if the proposal is for a one-off lump sum payment to be given to a sub-contractor for services rendered in the listed corporation's housing development project when the market practice is typically for advances to be given by way of instalments and subject to certification of staggered work done by the sub-contractor, the board of directors should scrutinise the proposal to see whether there are exceptional circumstances to justify that such an advance is nonetheless fair and reasonable.

- 8.47 Pursuant to Rule 8.25(2)(e) of the ACE LR, a moneylending company must make quarterly disclosures of certain information as prescribed not later than 7 market days after the end of each quarter of a financial year ("Quarterly Disclosure"). A moneylending company does not lend or advance any money in a particular quarter. Does it still have to make the Quarterly Disclosure?**

In a situation where there is no new money lending activities in that particular quarter and no outstanding advances or loans from the previous quarters, then for subsequent Quarterly Disclosure, the listed corporation would only need to make a negative statement to that effect in its Quarterly Disclosure. If there are still outstanding advances or loans, the listed corporation is required to comply with Rule 8.25(2)(e) of the ACE LR.

- 8.48 Can a listed corporation or any of its subsidiaries commence or continue to lend or advance monies to third party(ies) pursuant to its moneylending business?**

Pursuant to Rule 8.25(1)(ii) of the ACE LR, a listed corporation or any of its subsidiaries can provide such financial assistance where it is made pursuant to or where it is necessary to facilitate the ordinary course of business of the listed corporation or its subsidiaries. As such loans/advances made to a third party by the listed corporation or any of its subsidiaries in the ordinary course of its moneylending business is permitted. However, unless the listed corporation or its wholly owned subsidiary is exempted under Rule 8.25(4), the conditions set out in Rule 8.25 of the ACE LR must be satisfied and in particular, Rule 8.25(2). In this respect, the board of directors of the listed corporation would have to oversee the moneylending operations and the management of credit risk of the moneylending company including ensuring adequate policies and procedures are in place in relation to the matters set out in Rule 8.25(2)(a)(ii)(aa)-(dd).

**Chapter 8 Continuing Listing Obligations
[Questions & Answers]**

In addition to this, the listed corporation will have to make the relevant quarterly announcements for each of the moneylending company not later than 7 market days after the end of each quarter of the financial year as prescribed under Rule 8.25(2)(e) of the ACE LR.

8.49 What are “problem credits” as referred to in Rule 8.25(2)(a)(ii)(dd) of the ACE LR?

“Problem credits” means such problems arising from, amongst others, the borrower’s non-compliance with the terms of the financial assistance including failure to meet repayment of principal/interest or collateral obligations. It is to be noted that the assessment as to what “problem credits” are by the listed corporation/board of directors should not be limited to actual occurrence of default only but may include possible defaults such as signs of the borrower having difficulties in complying with the terms of the financial assistance (e.g. making or requesting for partial or late payments).

8.50 Do all listed corporations which are subject to the requirements in paragraph 3.1 of Guidance Note 4 also have to make the quarterly disclosures stipulated in Rule 8.25(2)(e) of the ACE LR?

No, Rule 8.25(2)(e) is only applicable where a listed corporation or its subsidiary lends or advances money in the ordinary course of its business as a moneylender.

Electronic payment of cash distributions**8.51 Must a listed corporation amend its constitution to allow for payment of cash dividends electronically to its shareholders pursuant to Rule 8.28A of the ACE LR?**

By virtue of Rule 7.36 of the ACE LR, a listed corporation is in a position to pay cash dividends to its shareholders electronically pursuant to Rule 8.28A of the ACE LR regardless of what may be stated in its constitution in relation to cash dividend payment.

Notwithstanding this, to ensure that the listed corporation’s constitution are updated and comprehensive, it should proceed to amend the relevant provisions in its constitution that may be inconsistent with the requirements for the listed corporation to pay cash dividends electronically as set out in Rule 8.28A of the ACE LR.

8.52 What should a listed corporation do if its securities holders have not provided their bank account information to the Depository?

A listed corporation must take all reasonable and appropriate steps to engage and communicate with its securities holders on the availability and benefits of the electronic payment of cash distributions, for example, in the various channels or means set out in the directive dated 19 February 2010 (Ref. No. SR/TAC/ro/LD08/10) (“**Directive**”), and encourage its securities holders to provide their bank account information to the Depository. If, after taking such steps, the securities holders still do not provide their bank account information to the Depository, the listed corporation may continue to pay cash distributions to these securities holders in the existing manner as authorized under the listed corporation’s constituent documents or issuing documents such as the constitution, trust deed or terms of issuance.

A listed corporation can obtain its securities holders' relevant contact details from the Depository when requesting for the bank account information.

8.54 Must a listed corporation notify all its securities holders electronically for purposes of electronic notification under Rule 8.28A(2) of the ACE LR?

In addition, the listed corporation may also, at its discretion, provide other means of electronic notification such as notification via SMS to securities holders who have provided their mobile phone numbers only.

8.55 For purposes of compliance with Rule 8.28A(2) of the ACE LR, must a listed corporation provide the electronic notification to its securities holders by itself?

No, while a listed corporation is at liberty to issue the electronic notification itself, this function can also be done by the listed corporation's service provider such as the bank which debits the cash distributions from the listed corporation's account or through its share registrar.

8.56 When must a listed corporation notify its securities holders electronically under Rule 8.28A(2) of the ACE LR?

A listed corporation must notify its securities holders electronically, as soon as practicable after the cash distributions have been paid out of its account.

8.57 Who can be the service providers for the electronic payment of cash distributions?

The service providers for the electronic payment of cash distributions include the share registrars (whether external or in-house), the paying agents providing cash management services for payment to third parties such as the banks or lead arranges of the listed corporations who offer such facilities, and the Depository.

8.58 Can a listed corporation appoint another share registrar or the Depository to be its service provider for the electronic payment of cash distributions such as cash dividends whilst at the same time maintaining its existing share registrar for other services?

Yes, a listed corporation may appoint another share registrar or the Depository to be its service provider for the electronic payment of cash distributions such as cash dividends.

8.59 Does a listed corporation have to procure the consent of each of its securities holders to receive payment of the cash distributions electronically?

No. The consent will be procured by the Depository when the securities holders provide their bank account information to the Depository.

8.60 Is a listed corporation required to provide the services for electronic payment of cash distributions to its securities holders if payment of the dividend is satisfied by an issue of shares (dividend in specie) and in cash?

Where payment of dividend is to be satisfied by an issue of shares (dividend in specie) and in cash, a listed corporation is still required to provide the services for electronic payment of cash distributions to its securities holders in respect of the cash dividend portion. However, electronic payment of cash distributions is not applicable to the dividend in specie.

8.61 Can a listed corporation pay other types of cash payments not falling within Rule 8.28A(3) of the ACE LR, to its securities holders electronically?

Yes, a listed corporation may voluntarily pay the other types of cash payments not falling within Rule 8.28A(3) of the ACE LR, to its securities holders via direct crediting into the bank accounts of its securities holders who have provided their bank account details to the Depository. For this, the listed corporation must refer to and comply with the relevant requirements set out in the Rules of the Depository.

Poll Voting

8.61A Under Rule 8.31A(1) of the ACE LR, a listed corporation must, among others, ensure that any resolution set out in the notice of any general meeting, is voted by poll. What is an example of a matter that is not set out in the notice of general meeting and therefore not subjected to the poll voting requirements?

Adjournment of general meeting due to unforeseen circumstances is an example of a matter that is not set out in the notice of general meeting.

8.61B Are resolutions set out in an addendum, errata or amendment to the notice of general meeting subjected to voting by poll under Rule 8.31A(1) of the ACE LR?

Yes, “notice of any general meeting” in Rule 8.31A(1) of the ACE LR includes any addendum, errata or amendment to the earlier notice of general meeting. Hence, any resolution set out in the addendum, errata or amendment to the notice of general meeting is subjected to voting by poll.

- the scrutineer must be independent of the person undertaking the polling process; and
- if the scrutineer is interested in a resolution to be passed at the general meeting, the scrutineer must refrain from acting as scrutineer for that resolution.

⁷ “Officer” has the meaning given in section 2 of the Companies Act 2016 and includes the director, company secretary and employees.

CHAPTER 9 – CONTINUING DISCLOSURE

General

9.1 Does the ACE LR impose an obligation on listed corporations to make an announcement on financial estimate, forecast or projection?

The ACE LR does not impose an obligation on listed corporations to announce its financial estimate, forecast or projection.

However, if the listed corporations choose to announce their financial estimate, forecast or projection, the listed corporations must, amongst others, comply with the following:

- the requirements on the standard of disclosure prescribed for contents of announcement as set out in Rule 9.35 of the ACE LR and in particular, the preparation and the announcement of the financial estimate, forecast or projection must comply with Chapters 9 and 10 in Division 1, Part II of the SC's Prospectus Guidelines in relation to future financial information ("**SC FFI Standards**") as required under Rule 9.35(2) of the ACE LR. This includes the obligation to ensure that the underlying accounting policies and assumptions of the financial estimate, forecast or projection are reviewed by the external auditors or reporting accountants, as the case may be, in accordance with the SC FFI Standards;
- the requirements as set out in Rule 9.19(37) of the ACE LR and Notes 3(b) and 4 of Appendix 9B of the ACE LR; and
- the disclosure must adhere to the Corporate Disclosure Policy prescribed under the ACE LR including the requirement that there should not be selective disclosure of the financial estimate, forecast or projection to the investors, press, analysts or any other parties prior to the release or simultaneous release, of the financial estimate, forecast or projection through Bursa Link.

9.2 If a listed corporation chooses to announce its internal targets that are set as part of its business plan, is it required to comply with the SC FFI Standards in respect of such announcement?

No. The listed corporation need not comply with the SC FFI Standards. However, the listed corporation must comply with the following obligations instead when it announces its internal targets:

- the requirements on the contents of announcement as set out in Rule 9.35 of the ACE LR and in particular the announcement on its internal target must explain the nature of the internal targets in accordance with Rule 9.35(1)(f) of the ACE LR;
- the immediate and periodic disclosures must comply with Rule 9.19(37) of the ACE LR and Notes 3(b) and 4 of Appendix 9B of the ACE LR; and

Immediate disclosure of material information

9.4 Is a listed corporation required to make immediate disclosure of a notice of demand issued pursuant to section 466(1)(a) of the Companies Act 2016 (“S. 466 Notice”)?

There is usually no requirement for an immediate announcement to be made by a listed corporation of a S.466 Notice as this is merely a letter of demand. However, where a S.466 Notice is considered to be material pursuant to Rule 9.03 of the ACE LR based on the facts and circumstances of a particular listed corporation, the listed corporation must make an immediate announcement of the same.

9.5 *Mr. P was required to despatch certain private and confidential documents pertaining to a material corporate proposal of X Bhd which has yet to be announced. Mr. P subsequently discovered that the documents were missing under suspicious circumstances and hence, was unable to despatch the same. Mr. P immediately reported the matter to X Bhd. Is X Bhd required to make an immediate disclosure of the corporate proposal?*

X Bhd would be required to make an assessment of the circumstances and must make an immediate announcement pursuant to the Rule 9.06(3) of the ACE LR if the suspicious circumstances aforesaid would reasonably lead to the belief that the material information has been inadvertently disclosed. It is to be noted that the illustration provided above is not exhaustive and the circumstances which may cause a listed corporation to believe that material information may have been inadvertently disclosed are varied and subjective on a case to case basis. It may include situations where a listed corporation is of the view that the necessary degree of confidentiality cannot be maintained or suspicious ‘leak’ of the information by party(ies) privy to the material information have occurred. In such circumstances, the listed corporation would have to make an immediate announcement notwithstanding that there is no unusual market activity or insider trading in the listed corporation’s securities or rumours / reports concerning the information.

9.5A What are some of the examples where a listed corporation cannot rely on the exceptional circumstance of “prejudicing the ability of a listed corporation to pursue its corporate objectives” to delay disclosure of material information?

The following are some examples where the listed corporation **cannot** rely on this exceptional circumstance to delay disclosure of material information:

- (a) when there is a material default in a loan by a listed corporation and it is in the process of negotiating with the bank;
- (b) when a listed corporation is involved in a material litigation which adversely impacts the listed corporation; or
- (c) when there is a termination of a material contract and the listed corporation is renegotiating with the counter party.

In the above examples, while disclosure of the information may have an unfavourable impact to the listed corporation, such information is critical for investors to make informed investment decision. In such instances, non-disclosure of the material information is prejudicial to the interest of investors. Hence, announcement of the default, litigation or termination of contract must be made immediately.

9.5B Rule 9.05(2) of the ACE LR stipulates that disclosure of material information may be temporarily withheld if the facts are in a state of flux and a more appropriate moment for disclosure is imminent. In this regard, what constitutes facts that are in a state of flux?

This refers to information that, although material, is subject to rapid change. If the situation is about to stabilise or resolve itself in the near future, it may be proper to withhold public announcement until a firm announcement may be made, since successive public announcements concerning the same subject but based on changing facts may confuse or mislead the public rather than enlighten it.

As an illustration, a listed corporation is in negotiations for the acquisition of another corporation. In the course of the successful negotiation, the only information known to each party at the outset may be the willingness of the other to hold discussions. Shortly after that, it may become apparent to the parties that it is likely an agreement can be reached. Finally, an agreement in principle is reached on specific terms.

In such circumstances, the listed corporation need not issue a public announcement at each stage of the negotiations to describe the current state of constantly changing facts, but may wait until agreement in principle is reached on specific terms. If, on the other hand, progress in the negotiations should stabilise at some other point, disclosure should then be made if the information is material.

9.5C Can a listed corporation withhold immediate disclosure of material information -

- **due to confidentiality obligations pursuant to the terms of negotiations or agreements; or**
- **where consent is required from the counter party for the disclosure of the terms of the agreements?**

No. A listed corporation must avoid putting itself in a position where it is bound by confidentiality obligations or requirement on consent from the counter party that may defeat its obligation to disclose material information on an immediate basis.

Clarification, confirmation or denial of rumours or reports

- 9.5D** Rule 9.10(1)(a) of the ACE LR requires a listed corporation to immediately announce a denial or clarification of erroneous rumour or report and take reasonable effort to bring the announcement to the attention of the party that initially distributed such rumour or report. How does the listed corporation comply with taking “reasonable effort to bring the announcement to the attention of the party that initially distributed the erroneous rumour or report”?

The listed corporation may do so by sending a copy of the announcement to such party, e.g. the newspaper’s editor (in the case of an erroneous newspaper article), or the broker responsible for the erroneous market report.

Thorough public dissemination

- 9.6** Is selective disclosure of material information allowed under the ACE LR?

Pursuant to Rule 9.08(2) of the ACE LR, listed corporations must ensure that under no circumstances disclosure of material information is made on an individual or selective basis to analysts, shareholders, journalists or other persons unless such information has previously been fully disclosed and disseminated to the public.

However, pursuant to Rule 9.08(3) of the ACE LR, under limited circumstances, selective disclosure to such persons where it is necessary towards achieving certain corporate objectives is permitted subject to the requirements in the said Rule. Hence, disclosure of unpublished material information to solicitors and advisers in undertaking a corporate or due diligence exercise is permitted provided that the strictest confidentiality is imposed and maintained, and the market activity of the listed corporation is closely monitored.

Preparation of announcements – content of press or public announcement

Prescribed events which require immediate announcement

- 9.9** *A Bhd* does not have a chief financial officer. Financial matters fall under the responsibility of its general manager, *Mr. X*. These matters include signing cheques, monitoring cash flow, financial planning and preparing the financial statements. *Mr. X* is also responsible for signing the statutory declaration in relation to the accounts of *A Bhd*. *Mr. X* has recently resigned from *A Bhd*. Must *A Bhd* announce *Mr. X*’s resignation and provide reasons for the resignation in accordance with Rule 9.19(14A)(b) of the ACE LR?

Under Rule 9.19(14A) of the ACE LR, *A Bhd* is required to announce the cessation of office of its chief financial officer and to include the reasons for such cessation. Rule 1.01 of the ACE LR further defines “**chief financial officer**” to mean the person primarily responsible for the management of the financial affairs of the corporation (such as record keeping, financial planning and financial reporting) by whatever name called. As *Mr. X* is primarily responsible for the management of *A Bhd*’s financial affairs, *Mr. X* would fall within the definition of “**chief financial officer**”. Hence, *A Bhd* is required to make the relevant announcement under Rule 9.19(14A)(b) of the ACE LR in relation to the resignation of *Mr. X*.

- 9.10 Listed corporations are required to immediately announce the reasons given for cessation of office of a director¹, chief executive² and chief financial officer³ including but not limited to any information relating to his disagreement with the board and a statement as to whether or not there are any matters that need to be brought to the attention of the shareholders. If the reasons for cessation are contentious in nature, for example, where the reasons are defamatory or where there is an existing dispute in relation to the cessation of office, how does a listed corporation ensure compliance with such requirement?**

Listed corporations must adhere to the standard of disclosure set out in Rule 9.35 under the ACE LR. Amongst others, the listed corporation must ensure that its announcement is factual, clear, unambiguous, accurate, succinct and contains sufficient information to enable securities holders and investors to make informed investment decisions. Further, the announcement must be balanced and fair, and does not contain any language which is inflammatory, defamatory or scandalous of another person.

In instances where the reasons for cessation of office are contentious in nature, the listed corporation should seek prior legal advice in the preparation of the announcement required.

- 9.11 A director resigns from a listed corporation and does not provide reasons for his resignation. Is the listed corporation still required to provide reasons for the resignation of the director in the announcement under Rule 9.19(12)(b) of the ACE LR?**

Under Rule 9.19(12)(b), the listed corporation is required to disclose the reasons for the cessation of office of its director. Hence, the listed corporation must engage with the relevant director for the reasons of his resignation.

- 9.12 If a listed corporation's shareholders requisition for the removal of a director or auditor of the listed corporation, is the listed corporation required to disclose the reasons for removal pursuant to the shareholders' requisition, under Rules 9.19(12)(b) or 9.19(15) of the ACE LR respectively?**

The listed corporation is expected to use its best endeavours to obtain the reasons for such removal from the shareholders making the requisition, and subsequently announce the reasons under Rules 9.19(12)(b) or 9.19(15) of the ACE LR, as the case may be.

¹ See Rule 9.19(12)(b) of the ACE LR.

² See Rule 9.19(14)(b) of the ACE LR.

³ See Rule 9.19(14A)(b) of the ACE LR.

- 9.13 A chief executive resigns and provides the official reasons for his resignation in his letter to the listed corporation. The listed corporation makes the announcement required under Rule 9.19(14)(b) of the ACE LR. Subsequently, the actual reasons for the resignation of the chief executive surfaced. Will there be any enforcement action taken against the listed corporation in this instance by Bursa Securities?**

In making an announcement, the listed corporation must ensure adherence to the requirements under the ACE LR including Rule 9.35(1) which requires the listed corporation to make, amongst others, clear, factual and accurate announcements. Where there are discrepancies in the said announcement, Bursa Securities will investigate to see whether the listed corporation has done all that is necessary to ensure factual and accurate disclosure of facts. Additionally, under Rule 9.35(5) of the ACE LR, the listed corporation is required to immediately notify Bursa Securities when it becomes aware that the announcement does not fulfill the requirements of Rule 9.35(1) of the ACE LR, and do the necessary to rectify the earlier announcement made. If, in the course of Bursa Securities' investigation, it is found that the listed corporation has not taken the necessary steps to ensure accurate and complete disclosure of information, Bursa Securities may take the necessary enforcement action.

- 9.14 Rule 9.19(14B) of the ACE LR requires a listed corporation to announce any appointment or change in the legal representative(s) with sole powers to represent, exercise rights or enter into binding obligations, on behalf of the listed corporation or its foreign principal subsidiary pursuant to any relevant law applicable to the listed corporation or its foreign principal subsidiary. Who is a legal representative for purposes of Rule 9.19(14B) of the ACE LR?**

As expressly stated in Rule 9.19A(14B) of the ACE LR, a legal representative is a person with sole powers to represent, exercise rights or enter into binding obligations, on behalf of the listed corporation or its foreign principal subsidiary. It is a requirement imposed under the law of the relevant country like China for example which permits the appointment of a legal person who has the sole power to manage and direct the corporation, holds the corporation's common seal and is authorized to perform all acts regarding the general administration of the corporation including executing powers of attorney and any legal transaction on the corporation's behalf. The legal representative however, is separate from the director or senior officers of the listed corporation or its foreign principal subsidiary.

- 9.15 A winding-up petition is served on the subsidiary of a listed corporation. However, the winding-up petition has no financial or operational impact on the listed corporation and the listed corporation forms the view that there is no merit to the winding-up petition. Is the listed corporation still required to make an immediate announcement of the winding-up petition?**

Yes. Pursuant to Rule 9.19(20) of the ACE LR, a listed corporation must make an immediate announcement of any presentation of winding up petition against the listed corporation or any of its subsidiaries or major associated companies irrespective of whether -

- the winding-up has financial or operational impact on the listed corporation;
- the listed corporation is contesting the winding-up petition or forms the view that there is no merit to the winding-up petition; or
- the listed corporation is in negotiation with the petitioner to arrive at a settlement arrangement.

- 9.16 Does a listed corporation need to inform Bursa Securities when a listed corporation wants to utilise the balance of its initial public offerings proceeds which have been allocated for a project as disclosed in the prospectus, for another project?**

Pursuant to Rule 9.19(33) of the ACE LR, a listed corporation is required to make an immediate announcement to Bursa Securities in respect of any change to the utilisation of proceeds raised from issuance of securities (including arising from initial public offerings) that deviates by 5% or more from the total proceeds raised.

- 9.17 *Z Bhd* has disclosed in its prospectus issued for the initial public offering of *Z Bhd* that it expects the gross proceeds from the public issue of approximately RM35million to be fully utilised as set out in column (i) of the table below. Subsequent to the listing of *Z Bhd*, *Z Bhd* decides that it would need to purchase additional equipment and thus, *Z Bhd* would need a total of RM8.15 million towards the purchase of equipment. *Z Bhd* further decides that the additional RM2.15 million would be from its working capital as follows:**

Details of proposed utilisation of proceeds	Proceeds (RM'000) (i)	Revisions to Utilisation (RM'000)	Balance Revised Utilisation (RM'000)
Acquisition of a new factory	5,000	-	5,000
Purchase of equipment	6,000	2,150	8,150

Is *Z Bhd* required to make an immediate announcement of these changes to its proposed utilisation of proceeds under Rule 9.19(33) of the ACE LR⁴?

Yes. As *Z Bhd* would now utilise RM8.15 million towards the purchase of equipment, *Z Bhd* would be required to make an immediate announcement of the changes including the deviation in the utilisation of the RM2.15 million which was originally proposed for working capital purposes pursuant to Rule 9.19(33) of the ACE LR. This is because the deviation amounts to more than 5% of the the total proceeds raised:

$$\text{RM2.15 million/RM35 million} \times 100 = 6.14\%$$

- 9.18 Based on the same facts as in Question Error! Reference source not found. above, would *Z Bhd* be required to make an immediate announcement pursuant to Rule 9.19(33) of the ACE LR notwithstanding that *Z Bhd* has yet to proceed with the purchase of the additional equipment?**

Yes, *Z Bhd* would be required to make the immediate announcement pursuant to Rule 9.19(33) of the ACE LR notwithstanding that *Z Bhd* has yet to proceed with the purchase. For purposes of Rule 9.19(33) of the ACE LR, listed corporations would inherently be required to make the announcement once a decision has been made to change the proposed utilisation of proceeds which triggers the prescribed 5% threshold and not upon actual implementation of the change.

⁴ Rule 9.19(33) of the ACE LR requires a listed corporation to make immediate announcement on any change to the utilisation of proceeds raised by the listed corporation from the issuance of securities that deviates by 5% or more from the total proceeds raised.

9.19 Rule 9.19(37) of the ACE LR requires the listed corporation to make an immediate announcement of any circumstances or development which are likely to materially affect the results or outcome of any financial estimate, forecast, projection or internal targets of the listed corporation previously announced or disclosed in a public document. What is the extent of the variation to the results or outcome of the financial estimate, forecast, projection or internal targets that would be considered as “material”?

Bursa Securities does not prescribe a threshold where the variation would be considered “material” for purposes of making the requisite announcement under Rule 9.19(37) of the ACE LR. The variation would be considered material if the information of such variation is reasonably expected to have a material effect on –

- (a) the price, value or market activity of any of the listed corporation’s securities; or
- (b) the decision of a holder of securities of the listed corporation or an investor in determining his choice of action.

- (ii) those matters that, in the auditor’s professional judgment, were of most significance in the audit of its financial statements for the reporting period, as described in the “**Key Audit Matters**” section of the external auditor’s report.

A Berhad has procured a credit facility of RM8 million from a bank and has withdrawn RM5 million from the facility as at 30 August 2009. On 30 August 2009, A Berhad defaults in the repayment of a monthly installment of RM100,000. Based on the facts above, is *X Berhad* required to immediately announce each default in payment pursuant to Rule 9.19A of the ACE LR?

Under Rule 9.19A(1)(a) of the ACE LR, a listed issuer must immediately announce any default in payment where the total amount outstanding either singly or collectively is 5% or more of the net assets of the listed corporation based on the latest published or announced financial

Date	Default in Payments	Total Amount Outstanding (RM'000)	Immediate Announcement Required?
31 July 2015	Default 1	10,000	No as total amount outstanding of Default 1 is only 4% of the net assets as at 30 July 2015.

CHAPTER 10 – TRANSACTIONS

Definition of “transaction”

10.1 Is the definition of "transaction" the same for both non-related party and related party transactions?

No, there is a different definition of "transaction" in the context of non-related party transactions and related party transactions respectively.

In the context of non-related party transactions, it means acquisitions or disposals of assets by a listed corporation or its subsidiaries and includes any of the following actions undertaken by the listed corporation:

- disposing of; or
- granting, accepting, exercising or discharging an option or any other right or obligation, present or future, conditional or unconditional, to dispose of,

the listed corporation's developmental rights, all or substantially all its rights, benefits, or control in an asset. However, it excludes transactions of a revenue nature in the ordinary course of business.

In the context of related party transactions, it includes, acquisitions, disposals or leasing of assets, establishment of joint ventures, provision of financial assistance, provision or receipt of services or any business transaction or arrangement entered into by a listed corporation or its subsidiaries.

10.2 For the purpose of Part D of Chapter 10 of the ACE LR, would an acquisition or disposal of property by a property development corporation be considered as being “in the ordinary course of business”?

No, Bursa Securities does not consider such transaction as being in the ordinary course of business of a property development corporation. However, where the property development corporation disposes of property which has been developed in the ordinary course of its business as a property developer, the listed corporation concerned would be excluded from complying with the provisions under Part D of Chapter 10. An example would be the sale of completed link houses, bungalows or bungalow lots by the property development corporation.

10.3 Is the receipt of financial assistance by a listed corporation or its subsidiaries from a major shareholder or director considered a “transaction” for the purpose of Part E, Chapter 10 of the ACE LR?

No, the receipt of financial assistance by a listed corporation or its subsidiaries from a major shareholder or director is not “provision of financial assistance” as envisaged under Rule 10.02(j) and therefore, it is not a “transaction” for the purposes of Part E of Chapter 10 of the ACE LR.

- 10.4** *A Bhd*, a listed corporation entered into a transaction with *B Sdn Bhd* to purchase shares of a company. *A Bhd* paid a deposit of RM10 million for the said purchase. *A Bhd* obtained shareholder approval for the said purchase. Subsequently, the said purchase was aborted. Instead, *B Sdn Bhd* offered land of equivalent market value, in settlement of the deposit of cash to be refunded. Will the acceptance of the land in settlement of the debt owed by *B Sdn Bhd* be considered as a new transaction, which may trigger the obligations set out in Chapter 10 of the ACE LR?

Yes, the acceptance of the land in settlement of the debt owed by *B Sdn Bhd* to *A Bhd* will be considered a new transaction which may trigger the obligations set out in Chapter 10 of the ACE LR.

- 10.5** What amounts to an “interest” as referred to in the definition of related party transaction set out in Rule 10.02(i) of the ACE LR?

Interest includes directorships, shareholdings (direct or deemed), commissions or such other benefits received or derived from the transaction.

- 10.6** Are outstanding receivables of a related party deemed to be financial assistance by a listed corporation?

“Financial assistance” is regarded as a transaction for purposes of Part E of Chapter 10 and is defined to include forgiving a debt or releasing or neglecting to enforce a financial obligation of another. In this regard, outstanding receivables of a related party which are written off or neglected to be enforced would be regarded as a related party transaction.

General requirements

- 10.7** Where the listed corporation and its subsidiary are both listed on the Official List of Bursa Securities and the listed subsidiary enters into a transaction that requires an announcement to be made pursuant to Chapter 10 of the ACE LR, is the announcement to be made by both the listed corporation and its listed subsidiary?

No, only the listed subsidiary is required to make the announcement pursuant to Chapter 10 of the ACE LR. The listed corporation would not be required to make the announcement.

- 10.8** Similarly, if the listed subsidiary aforesaid enters into a transaction that requires, amongst others, shareholder approval to be obtained, pursuant to Chapter 10 of the ACE LR, will the listed corporation also be required to obtain the shareholder approval under the ACE LR?

No, only the listed subsidiary is required to obtain shareholder approval pursuant to Chapter 10 of the ACE LR.

Computation of percentage ratio**10.9 If the transaction is entered into, not by the listed corporation but by its subsidiary, how are the percentage ratios referred to in Rule 10.02(g) of the ACE LR applied?**

In applying the percentage ratios the listed corporation should take into account its interest in the subsidiary in question. For example, *A Bhd*, a listed corporation, has a 60% owned subsidiary, *B Sdn Bhd*. *B Sdn Bhd* acquires a piece of land for the consideration of RM10 million. The calculation of the percentage ratio in respect of Rule 10.02(g)(iii) should be as follows:

60% x RM10 million

Net assets of *A Bhd* on consolidated basis

10.10 Does a listed corporation need to exclude treasury shares when computing the percentage ratios of a transaction?

A listed corporation must exclude treasury shares in computing the -

- (a) total number of shares previously in issue under Rule 10.02(g)(iv); and
- (b) market value of all the ordinary shares of the listed corporation under Rule 10.02(g)(v),

when determining the percentage ratio of a transaction under Chapter 10 of the ACE LR.

10.11 If the application of a prescribed percentage ratio to a transaction results in an anomalous result (for example, a negative figure), must it still be applied?

No, such percentage ratio may be disregarded in such circumstances.

10.12 *XY Bhd*, a listed corporation has positive net assets. It enters into a transaction to acquire a piece of land from *A* ("Land Transaction"), an unrelated party for RM1 million which is payable by *XY Bhd* wholly in cash. Pursuant to Rule 10.02(g) of the ACE LR, the only applicable percentage ratio of the said transaction which exceeds 5% is Rule 10.02(g)(v) ("Market Cap Test"). Is *XY Bhd* required to comply with the relevant provisions of Part D of Chapter 10 of the ACE LR? Similarly, will *XY Bhd* be required to comply with the relevant provisions of Part D of Chapter 10 of the ACE LR if the parties agree that the consideration for the Land Transaction be in the form of *XY Bhd's* shares?

Pursuant to Rule 10.03(8) of the ACE LR, if *XY Bhd* pays for the land in cash, the Market Cap Test will not be applicable. As such, *XY Bhd* will not be required to comply with Part D of Chapter 10 because all the other applicable percentage ratios are less than 5%.

However, if the payment for the land is settled by issuance of *XY Bhd's* new listed shares (partly or wholly) and the percentage ratio of the same pursuant to the Market Cap Test is 5% or more, *XY Bhd* will be required to comply with the relevant provisions of Part D, Chapter 10 of the ACE LR.

- 10.13** The following question is based on similar facts as set out in Question 10.12 above, except that in this instance, *XY Bhd* has negative net assets. All the relevant percentage ratios are found to be inapplicable or produce anomalous results except for the Market Cap Test. In light of this, will *XY Bhd* be required to comply with Part D, Chapter 10 of the ACE LR in relation to the Land Transaction where *XY Bhd* pays for the land in cash?

Pursuant to Rule 10.03(8) of the ACE LR, the Market Cap Test will only be applicable if –

- (a) the Land Transaction involves consideration in the form of listed shares; or
- (b) all the other percentage ratios produce anomalous results or are inapplicable.

In this respect, as all the other relevant percentage ratios are inapplicable or produce anomalous results, even if *XY Bhd* pays for the land wholly in cash, *XY Bhd* will have to ensure that the relevant provisions of Part D, Chapter 10 of the ACE LR are complied with.

- 10.14** In relation to any acquisition or disposal of equity interest in a corporation, when will the total assets ratio provided in Rule 10.02(g)(vi) of the ACE LR (“Total Assets Ratio”) be applicable?

Pursuant to Rule 10.03(9) of the ACE LR, in relation to any acquisition or disposal of equity interest in a corporation, the Total Assets Ratio is applicable –

- (a) if the acquisition will result in such corporation’s total asset being consolidated into the group accounts after the acquisition; or
- (b) in the disposal where such corporation’s total asset has been consolidated in the group accounts before the disposal.

- 10.15** For the purposes of computation of indicators of materiality under Chapter 10 of the ACE LR, must a listed corporation submit a copy of the external auditors’ review report to Bursa Securities?

Yes, a copy of the external auditors’ review report must be furnished by the listed corporations to Bursa Securities where the figures used such as in the case of total assets, net assets, net book value of assets, net profits and cost of investment are based on the published or announced interim or unaudited financial report which must be the latest.

Valuation

- 10.16** What is considered as real estate for the purpose of determining whether the requirement for a valuation under Rule 10.04 of the ACE LR is applicable?

For the purpose of determining whether the requirement of Rule 10.04 of the ACE LR is applicable, real estate means land and all things that are a natural part of the land as well as all things attached to the land both below and above the ground and includes the rights, interests and benefits related to the ownership of the real estate.

Example of the rights, interests and benefits over real estate includes development rights, timber concession, mining concession etc.

10.17 Rule 10.04 of the ACE LR requires a valuation to be conducted when a transaction involves an acquisition or disposal of any real estate, and when the percentage ratio of the transaction is 5% or more for a related party transaction or 25% and more for a transaction falling under Part D of Chapter 10 of the ACE LR.

What will be considered as a transaction which “involves an acquisition or disposal of any real estate”?

These will be the acquisition or disposal of real estate or corporation(s) with real estate.

The following table further clarifies the requirement on valuation report pursuant to Rule 10.04 of the ACE LR:

	Transaction which percentage ratio is –	Valuation required to be conducted and valuation report submitted to Bursa?
	<ul style="list-style-type: none"> ▪ $\geq 25\%$ pursuant to Part D (Transaction), Chapter 10 of the ACE LR; or ▪ $\geq 5\%$ pursuant to Part E (Related Party Transaction), Chapter 10 of the ACE LR

In this situation, is a submission of a valuation report to Bursa Securities required?**

Pursuant to Rule 10.04 of the ACE LR, a valuation report only needs to be submitted for the real estate. The listed corporation need not submit a valuation report on the plant and machinery.

- 10.19 A Sdn Bhd revalued its real estate 5 years ago. PLC B plans to acquire A Sdn Bhd. Pursuant to Rule 10.04 of the ACE LR, such acquisition requires a valuation report to be submitted to Bursa Securities. Can PLC B use the revaluation report conducted 5 years ago by A Sdn Bhd, for the purpose of submission to Bursa Securities under Rule 10.04 of the ACE LR?**

No, pursuant to Rule 10.04(2)(b) of the ACE LR, PLC B must ensure that the date of valuation which forms the basis of the valuation certificate included in the circular is not more than 6 months before the date of circular issued to shareholders.

- 10.20 When a valuation report is required, must the listed corporation submit the valuation report to the SC or Bursa Securities?**

A valuation report required under Rule 10.04 of the ACE LR must be submitted to Bursa Securities. A listed corporation need not submit the report to the SC.

- 10.21 Must a valuer who is required to submit an undertaking to Bursa Securities under Rule 10.04 of the ACE LR, file an undertaking each time it acts for a listed corporation?**

No, a valuer is required to provide Bursa Securities its letter of undertaking to comply with the ACE LR once. The same undertaking will be applicable for all listed corporations which the valuer acts for.

Related party transactions

- 10.22 Must a listed corporation immediately announce all related party transactions?**

A listed corporation must immediately announce all the following related party transactions:

- (a) related party transactions which do not fall within the category of recurrent related party transaction of a revenue or trading nature and necessary for its day to day operations ("RRPT") and -
 - (i) the value of the consideration of the transaction is RM200,000 or more; and
 - (ii) the percentage ratio of such related party transaction is 0.25% or more; and
- (b) RRPTs which are not comprised in a valid mandate from its shareholders ("**Mandate**") and -
 - (i) in relation to a listed corporation with a share capital of RM60 million and above, the consideration, value of the assets, capital outlay or costs of the RRPT is RM1 million or more, or the percentage ratio of such RRPT is 1% or more, whichever is the higher; or

- (ii) in relation to a listed corporation with a share capital of less than RM60 million, the consideration, value of the assets, capital outlay or costs of the RRPT is RM1 million or more, or the percentage ratio of such RRPT is 1% or more, whichever is the lower,

("Prescribed Limit").

- 10.23** *P Bhd*, a listed corporation enters into a sale and purchase agreement with an unrelated party, *Q Bhd* to acquire a piece of property from *Q Bhd* for RM1 million ("Land Acquisition"). In consideration of the Land Acquisition, *P Bhd* issues to *Q Bhd* 500,000 new *P Bhd*'s shares of RM1 each ("Consideration Shares") and RM500,000 cash. The Land Acquisition is subject to conditions, including the requirement that *Company X*, a major shareholder of *P Bhd* must underwrite the sale of the Consideration Shares by *Q Bhd* subsequently ("Underwriting Arrangement"). Is the Land Acquisition a related party transaction?

Yes, as the Land Acquisition is conditional upon the Underwriting Arrangement and involves the indirect interest of a major shareholder of *P Bhd* (i.e. *Company X*), the Land Acquisition is a related party transaction.

- 10.24** *S Bhd*, a listed corporation enters into a subscription agreement with an unrelated party, *Mr A* to issue *Mr A* 50,000 new *S Bhd*'s shares of RM1 each ("New Shares"). The completion date of the subscription agreement is 6 months from 1 January 2010. On 1 April 2010, *Mr A* enters into a share sale agreement with *Mr B*, a director and a major shareholder of *S Bhd* for the sale of the New Shares ("Shares Sale Agreement"). Prior to this, *Mr B* has never had any dealings with *Mr A*. In addition, the Shares Sale Agreement was never envisaged on or before the execution of the subscription agreement between *S Bhd* and *Mr A*. On 30 April 2010, *S Bhd* and *Mr A* enter into a supplemental agreement in relation to the New Shares varying amongst others, the purchase price ("Supplemental Agreement"). Will *S Bhd* be required to comply with Part E of Chapter 10 of the ACE LR in relation to the Supplemental Agreement?

Yes, the Supplemental Agreement will be regarded as a related party transaction as it involves the indirect interest of a director and major shareholder of *S Bhd* i.e. *Mr B* and hence, *S Bhd* would be required to comply with Part E of Chapter 10.

- 10.25** *X Bhd*, a listed corporation has obtained a general mandate pursuant to Rule 10.09 of the ACE LR ("Mandate") for provision of financial assistance to its subsidiaries, which constitute related party transactions. If the actual provision of financial assistance exceeds the corresponding value or amount prescribed in the Mandate, does *X Bhd* have to make an announcement in relation to the excess amount?

Yes, pursuant to paragraph 3.4(a)(ii) of Guidance Note 8, if the actual amount of financial assistance provided exceeds the corresponding amount in the Mandate, *X Bhd* must immediately announce the same notwithstanding that the excess amount does not trigger the Prescribed Limit as referred to in Question 10.22. In addition, if the percentage ratio of the amount of financial assistance provided or rendered in excess of the value or amount prescribed in the Mandate is 5% or more, *X Bhd* must also comply with the relevant requirements of Rule 10.08 of the ACE LR.

- 10.26 In respect of a related party transaction where the percentage ratio is 5% or more but less than 25%, an independent adviser must be appointed by the listed corporation in respect of such transaction. Does the independent adviser have to provide a confirmation to Bursa Securities of its eligibility to act as an independent adviser?**

No, such a confirmation by an independent adviser is not required under the ACE LR and only a general undertaking letter under Rule 2.21(1) of the ACE LR is required. However, an independent adviser must ensure its independence within the definition of independence under Rule 1.01 of the ACE LR. Under Rule 10.08(5) of the ACE LR, Bursa Securities has the discretion not to allow an independent adviser to continue to act or be appointed as an independent adviser if in its opinion, the adviser is deemed not to be independent. Bursa Securities may also take enforcement action against independent advisers who misrepresented their independence.

- 10.27 What are the duties of an interested director in relation to the related party transaction under this Chapter?**

Pursuant to Rules 10.08(6) to (8) of the ACE LR, an interested director is imposed with an obligation to ensure that the board of directors is notified of the nature and extent of his interests. He must also abstain from board deliberation and voting on the relevant resolution in respect of the transaction. In addition, he must also ensure that persons connected with him also abstain from voting on the relevant resolution in respect of the transaction.

- 10.28 What is meant by “investee corporation” as used in Rule 10.08(11)(q) of the ACE LR?**

“Investee corporation” as used in Rule 10.08(11)(q) refers to any corporation in which the listed corporation has direct or indirect shareholdings.

- 10.29 Does the term “another person” as used in Rules 10.08(11)(c), (g), (k), (l), (m), (n) and (o) of the ACE LR include investee corporations of the listed corporation?**

Yes, “another person” includes investee corporations of the listed corporation.

- 10.30 What is meant by “no other interested relationship” as used in Rules 10.08(11)(c), (l), (m), (n) and (o) of the ACE LR?**

For the purposes of Rules 10.08(11)(c), (l), (m), (n) and (o) of the ACE LR, there would be “no other interested relationship” if the transaction does not involve any other interest of related party(ies).

- 10.31 Other than prices or charges, what are the “material terms” as envisaged under Rule 10.08(11)(g)(ii) of the ACE LR?**

The phrase “material terms” would include terms such as the mode of payment or settlement or the period of settlement.

- 10.32 If the listed corporation gives discounts on the provision of its goods on the basis of volume or bulk purchases to all its customers, can such provision still fall within the exemption set out in Rule 10.08(11)(g) of the ACE LR?**

Yes, provided that the provision of goods meets the conditions set out in Rule 10.08(11)(g). However, discounts given or granted purely on the basis that the customer is a related party will not meet the condition that “all material terms are applied consistently to all customers or classes of customers.”

- 10.33** *ZZ Bhd*, a listed corporation, is an investment holding company and it has one main subsidiary, *YY Sdn Bhd* which conducts stockbroking business. *YY Sdn Bhd* provides a wide range of products or services to its clients which may involve related parties. As *ZZ Bhd*'s main business involves or relates to dealings in securities, can *ZZ Bhd* rely on Rule 10.08(11)(g) of the ACE LR in respect of dealings in securities involving related parties to state that such transactions are not related party transactions, particularly since securities do not fall within the ambit of Rule 10.08(11)(g) of the ACE LR?

The products or services provided by *ZZ Bhd* to its related parties such as taking orders to acquire or dispose securities, nominees and custody services which although are in relation to securities, would come within the ambit of "stockbroking services" under Rule 10.08(11)(g) of the ACE LR. Therefore, offering of such products or services to *ZZ Bhd*'s related parties would not be considered as related party transactions provided that all conditions in Rule 10.08(11)(g) of the ACE LR are fulfilled. However, *ZZ Bhd*'s dealings in securities as a principal would not be exempted under Rule 10.08(11)(g) of the ACE LR (as the definition of "goods" excludes securities) and therefore, would be regarded as related party transactions if they involve interests of related parties.

- 10.34** In order to come within the ambit of "published or publicly quoted" as provided under Rule 10.08(11)(g) of the ACE LR, must the prices be advertised to the public?

In order to satisfy the criterion of "published or publicly quoted" under Rule 10.08(11)(g), the prices need not be advertised. So long as the pre-determined prices are or can be made readily available to the public or customers, this criterion is deemed satisfied.

- 10.35** *X Bhd*, a listed corporation, has a holding company, i.e. *Y Bhd*. *Y Bhd* has a subsidiary, *Z Sdn Bhd*. *X Bhd* is proposing to enter into a joint venture arrangement with *A Bhd*. *Mr B* who is a director and substantial shareholder of *Z Sdn Bhd* is also a substantial shareholder of *A Bhd*. Assuming that *Mr B* has no interest in *X Bhd* or *Y Bhd*, is this a related party transaction?

Illustration 1

No, based on the above facts, in view of the definition of "related party" under the ACE LR, the joint venture with *A Bhd* is not a related party transaction as it does not involve the interest of any related party (i.e. directors, major shareholders or persons connected with them) of *X Bhd* and *Y Bhd*.

- 10.36 Referring to the facts as set out in Question 10.35 above, will a transaction between *X Bhd* and *Z Sdn Bhd* be deemed a related party transaction?

Yes, a transaction between *X Bhd* and *Z Sdn Bhd*, its sister company, will be deemed to be a related party transaction as it involves the interests of a common major shareholder, *Y Bhd*.

- 10.37 *A Bhd*, a listed corporation, is entering into a transaction with *C Bhd*. *Mr X* who is a director of a subsidiary of *A Bhd*, i.e. *B Sdn Bhd*, is also a director and a substantial shareholder of *C Bhd*. *A Bhd* has no holding company. Assuming that *Mr X* has no interest in *A Bhd*, is this a related party transaction?

Illustration 2

No, based on the facts above, this transaction is exempted under Rule 10.08(11)(n) of the ACE LR.

- 10.38 *D Sdn Bhd*, a subsidiary company of *A Bhd*, the listed corporation, is entering into a transaction with *Y Sdn Bhd*. *Mr X* who is a director of *B Bhd*, a subsidiary of the listed corporation is also a director and a substantial shareholder of *Y Sdn Bhd*. *A Bhd* has no holding company. Assuming that *Mr X* has no interest in *A Bhd*, is this a related party transaction?

Illustration 3

No, based on the facts above, this transaction is exempted under Rule 10.08(11)(o) of the ACE LR.

- 10.39** Referring to the facts as set out in Question 10.38 above, *D Sdn Bhd*, is entering into a transaction with *Y Sdn Bhd*. *Mr Z* who is a director and a substantial shareholder of *D Sdn Bhd* is also a director and a substantial shareholder of *Y Sdn Bhd*. *A Bhd* has no holding company. Assuming that *Mr Z* has no interest in *A Bhd*, the listed corporation, is this a related party transaction?

Yes, this situation is considered a related party transaction. However, pursuant to Rule 10.08(9) of the ACE LR, *A Bhd* does not need to obtain shareholder approval, issue a circular or appoint an independent adviser or engage the service of a Sponsor or Adviser. *A Bhd* must however make an announcement which contains the prescribed information under Rule 10.08(1) of the ACE LR. In addition, the board of directors of *A Bhd* must approve the transaction before the terms of the transaction are agreed upon and ensure that the transaction is fair and reasonable to *A Bhd* and is in the best interests of *A Bhd*.

- 10.40** *X Bhd* is a listed corporation. *X Bhd* holds 20% of the total shares in *Y Sdn Bhd*. *Mr. A* is a major shareholder of *X Bhd* and *Y Sdn Bhd*. *X Bhd* intends to dispose of its 20% shareholding in *Y Bhd* to the shareholders in *X Bhd*, including *Mr. A*, on a pro-rata basis via a restricted offer for sale. Will this be considered as a related party transaction?

No, pursuant to Rule 10.08(11)(q) of the ACE LR, this disposal will not be considered as a related party transaction.

- 10.41** *PLC A* and *PLC B* are listed corporations. *Mr. X* is the common director of *PLC A* and *PLC B*. *Mr. X* has shareholdings of 10% in *PLC A* and 3% in *PLC B* respectively. *PLC A* enters into a supply transaction with *PLC B*. What is the nature of the supply transaction vis-à-vis *PLC A* and *PLC B*?

In so far as *PLC A* is concerned, the supply transaction would not be regarded as a related party transaction pursuant to Rule 10.08(11)(c) of the ACE LR provided that *Mr. X* does not receive or derive any benefits from *PLC A* and *PLC B* in relation to the said transaction. The transaction would however be regarded as a related party transaction vis-à-vis *PLC B*.

10.42 *ABC Berhad* and/or its subsidiaries propose(s) to enter into the following transactions:

No.	Details of transactions	Party(ies)	Highest percentage ratio triggered	Value of consideration given or received
1.	Transaction 1 in September 2009	<i>ABC Berhad</i> and <i>Mr. X</i> , a major shareholder of <i>ABC Berhad</i>	5%	RM90,000
2.	Transaction 2 in October 2009	<i>ABC Berhad</i> and <i>Syarikat 123 Sdn Bhd</i> , a joint venture company of <i>ABC Berhad</i> and <i>Mr. Z</i> , a major shareholder of <i>ABC Berhad</i> .	0.22%	RM500,000

What are the obligations of *ABC Berhad* in relation to the above transactions?

The obligations of *ABC Berhad* are as follows:

Transaction 1

Pursuant to Rule 10.08(1)(a) of the ACE LR, no obligation is triggered by *ABC Berhad* in relation to the related party transaction as even though the highest percentage ratio triggered is 5% (i.e. threshold for shareholder approval for related party transactions), the value of consideration given is less than RM200,000.

Transaction 2

Pursuant to Rule 10.08(1) of the ACE LR, as the highest percentage ratio is less than 0.25%, no requirement is imposed on *ABC Berhad* to immediately announce the related party transaction.

10.43 *Mr. X* holds 8% of the total number of voting shares in *ABC Berhad*, a listed corporation and he is not the largest shareholder of *ABC Berhad*. Is he a major shareholder in *ABC Berhad* under Chapter 10 of the ACE LR?

No, even though he holds more than 5% of the total number of voting shares in *ABC Berhad* (“shareholdings”), he is not regarded as a major shareholder of *ABC Berhad* under Chapter 10 of the ACE LR as he holds less than 10% of the shareholdings and is not the largest shareholder of *ABC Berhad*.

PLC A proposes to enter into Transactions 1 and 2 with C Sdn Bhd and Z Pte Ltd respectively. The terms and conditions of the transactions were agreed upon on 30 January 2010. Mr. C, a director and major shareholder of C Sdn Bhd, was also a director and major shareholder in PLC A but has resigned as a director of and disposed of his shares in PLC A on 1 September 2009 and 29 September 2009 respectively. Mr. Z, a director and major shareholder of Z Pte Ltd, was also a major shareholder of PLC A before 1 March 2009. Are Transactions 1 and 2 related party transactions?

As Transaction 1 involves the interest of Mr. C who was a director and major shareholder of PLC A within the preceding 6 months from 30 January 2010, Transaction 1 is regarded as a related party transaction pursuant to the ACE LR.

However, as Transaction 2 merely involves the interest of Mr. Z who is no longer a major shareholder within the preceding 6 months from 30 January 2010, Mr. Z is not regarded as a major shareholder under the new definition of “major shareholder” and Transaction 2 would not be regarded as a related party transaction pursuant to the ACE LR.

Recurrent related party transaction of a revenue or trading nature and necessary for its day to day operations (“RRPT”)

10.45 If the relevant percentage ratio of a RRPT exceeds 0.25%, must a listed corporation announce the RRPT?

The threshold set out in Rule 10.08(1) i.e. if the relevant percentage ratio is 0.25% or more is not applicable to RRPTs. The obligation to immediately announce RRPTs (where no mandate has been obtained) is set out in Rule 10.09(1) of the ACE LR.

10.46 Must a listed corporation obtain shareholder approval for RRPTs, where such transactions reach the threshold that requires shareholder approval?

Yes, however, the shareholder approval may be in the form of a general mandate from shareholders procured on a yearly basis pursuant to Rule 10.09 of the ACE LR. Where no general mandate is obtained from its shareholders, specific shareholder approval must be obtained for such transactions that reach the threshold which requires shareholder approval before the said transaction is completed.

10.47 *A Berhad* obtains a general mandate from its shareholders on 3 September 2009 for among others, RRPT with its major shareholder, *Mr. X*, as follows:

- (i) supply of cement for an estimated value of RM2 million; and
- (ii) rental of cranes for an estimated value of RM5 million.

After obtaining the general mandate, assuming -

- (a) the actual value of the RRPT entered into by *A Berhad* with *Mr. X* up to 3 June 2010 is RM8 million, what is the obligation of *A Berhad* under the ACE LR in regard to under the Main LR in regard to the deviation between the estimated and actual value of the RRPT?

Since the actual value of the RRPT entered into by *A Berhad* with *Mr. X* exceeds the estimated value of the RRPT by 10% or more, *A Berhad* must immediately announce the deviation to Bursa Securities pursuant to Rule 10.09(2)(e) of the ACE LR (“**Announcement 1**”). *A Berhad* must include in Announcement 1 the information set out in Annexure GN8-B of Guidance Note 8.

- (b) up to 15 July 2010, the actual value of the RRPT entered by *A Berhad* with *Mr. X* has increased to RM8.6 million, must *A Berhad* announce the RRPT again?

No, *A Berhad* is only required to announce the RRPT again when there is an increment of at least RM0.7 million (i.e. 10% of the general mandate estimated value of RM7 million) to the actual amount disclosed in Announcement 1.

10.48 Pursuant to Rule 10.09(2)(e) of the ACE LR, a listed corporation must immediately announce to the Exchange when the actual value of a RRPT (“Actual Value”) entered into by the listed corporation, exceeds the estimated value of the RRPT (“Estimated Value”) disclosed in the circular by 10% or more. Can the listed corporation wait until its next AGM (which is the date on which the current mandate expires) to make this announcement?

No, the listed corporation must make the announcement immediately when it becomes aware that the Actual Value has exceeded the Estimated Value by 10% or more. This applies even though the current mandate has yet to expire. For this purpose, the listed corporation is expected to closely monitor and track the value of the RRPTs transacted, as and when a transaction is entered into.

10.49 *A Bhd* has obtained mandate from shareholders for entering into the following RRPTs with corporations involving the interests of its director, *Mr. X*:

Transaction No.	Description	Estimated Value (RM)
1	Acquisition of stationery	500,000
2	Provision of secretarial, accounting and registration services	2,500,000

Transaction No.	Description	Estimated Value (RM)
3	Receipt of insurance services/products	4,000,000
	Total	7,000,000

- (a) For the purpose of determining whether the Actual Value of the RRPTs entered into by *A Bhd* with *Mr. X* exceeds the Estimated Value, can *A Bhd* use the aggregated Estimated Value for Transactions 1, 2 and 3 and compare it to the aggregated Actual Value for the 3 transactions?

Yes, as Transaction 1, 2 and 3 involve the interests of the same related party, pursuant to Rule 10.12 of the ACE LR, *A Bhd* may aggregate, the Estimated Value and Actual Value of those transactions respectively and determine whether the aggregated Actual Value exceeds the aggregated Estimated Value by 10% or more, in which case an announcement would be required.

- (b) Assuming only the actual value of Transaction 2 exceeds 10% of its estimated value, but the aggregated actual value of Transactions 1, 2 and 3 is below the aggregated estimated value of the RRPT or does not exceed the aggregated estimated value of the RRPT by 10% or more, must *A Bhd* make an announcement under Rule 10.09(2)(e) of the ACE LR relating to Transaction 2 only?

No, *A Bhd* need not make such announcement for Transaction 2 only. It only needs to announce under Rule 10.09(2)(e) of the ACE LR if the aggregated actual value of Transactions 1, 2 and 3 exceeds the aggregated estimated value of the RRPT by 10% or more.

- 10.50 Pursuant to paragraph 3 of Annexure GN8-A, a listed corporation has to disclose, among others, the “*estimated aggregate value of the respective Recurrent Related Party Transactions contemplated under the Mandate*” (“Estimated Value”). What are the RRPTs covered under the Estimated Value?

For the purpose of paragraph 3 of Annexure GN8-A, the listed corporation must disclose the Estimated Value in respect of RRPTs expected to be entered into from the date of the current AGM until the date of the next AGM.

- 10.51 Pursuant to paragraph 11 of Annexure GN8-A, a listed corporation must disclose the thresholds for the approval of RRPTs within its group of corporations.

- (a) What is the approval referred to in paragraph 11?

It refers to the listed corporation’s internal approval.

- (b) Does Bursa Securities prescribe these thresholds?

No, the listed corporation may determine the appropriate thresholds for the approval of RRPTs within its group of corporations.

- (c) *A Bhd* currently has its own internal authority matrix for approvals of transactions/procurement. However, this authority matrix makes no distinction between a transaction/procurement which involves the interest of a related party and a transaction/procurement which does not involve the interest of a related party. Can *A Bhd* use this authority matrix for the purpose of disclosure pursuant to paragraph 11 of Annexure GN8-A?

Yes, so long as the said authority matrix is wide enough to cover the RRPTs for which shareholders approval is being sought, *A Bhd* may use its internal authority matrix for the purpose of disclosure under paragraph 11 of Annexure GN8-A.

- 10.52** Pursuant to paragraph 12 of Annexure GN8-A, a listed corporation must include a statement that at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable, and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities. If a listed corporation can find only one other contemporaneous transaction with an unrelated third party, would it be deemed in compliance with paragraph 12 of Annexure GN8-A?

Yes, but the listed corporation must disclose in its circular that it has used its best endeavours to locate at least 2 contemporaneous transactions with unrelated third parties, but could only locate one.

- 10.53** *A Bhd's* AGM for its financial year ended 31 December 2008 was on 8 May 2009 ("2009 AGM"), while the AGM for its financial year ending 31 December 2009 falls on 20 May 2010 ("2010 AGM"). During its 2009 AGM, *A Bhd* has obtained its shareholder mandate for some RRPTs. *A Bhd* intends to obtain its shareholder approval to renew the RRPTs at the 2010 AGM. Pursuant to paragraph 14 of Annexure GN8-A, in its circular to renew the RRPTs, *A Bhd* must disclose the actual value transacted of each RRPT from the date on which the mandate was obtained (8 May 2009) up to the latest practicable date before the printing of the circular (assuming it falls on 15 April 2010) ("Actual Value"). Must this Actual Value be audited?

No, the Actual Value need not be audited. *A Bhd* may extract the Actual Value from its management accounts.

Major Disposal

- 10.54** What is meant by "substantially all of a listed corporation's assets" under the definition of "Major Disposal" in Rule 10.02(eA) of the ACE LR?

Disposal of "substantially all of the listed corporation's assets" refers to a disposal by a listed corporation of almost all of its assets, which is so material that upon the completion of the transaction, it will result in the listed corporation triggering the criteria for a cash company under Rule 8.03 and Guidance Note 2, the criteria for inadequate level of operations under Rule 8.03A, or any of the criteria prescribed under Rule 8.04 and Guidance Note 3 of the ACE LR.

10.55 Under Rule 10.11A(1)(bA) of the ACE LR, a listed corporation undertaking a Major Disposal is required to conduct a valuation on all its material real estate if the total net book value of all the listed corporation's real estate contributes 50% or more to the total assets of the listed corporation on a consolidated basis. What constitutes material real estate for the purpose of Rule 10.11A(1)(bA) of the ACE LR?

Bursa Securities does not prescribe a definition or threshold for material real estate under Rule 10.11A(1)(bA) of the ACE LR. Generally, material real estate is real estate owned by the listed corporation that will reflect a close estimate of the total real estate value of the listed corporation.

10.55A A listed corporation undertaking a Major Disposal must appoint an independent adviser and such independent adviser must be a person appropriate to give competent independent advice under the Take-Overs and Mergers Code as prescribed under Rules 10.11A(3)(a) of the ACE LR. How does a listed corporation comply with this requirement?

In assessing whether or not the adviser is a person appropriate to give competent independent advice, the listed corporation and its board should be guided by paragraphs 3.09 and 3.10 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions³.

³ Paragraphs 3.09 and 3.10 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions stipulate that -

- (a) a person would not be regarded as appropriate to give competent advice if the person –
- is in the same group as the financial or professional adviser (including a stockbroker) to the offeror or the offeree; or
 - has a substantial interest in or financial connection with, either the offeror or the offeree company of such a kind as to create a conflict of interests for that person; and
- (b) circumstances that can be taken into account in considering whether a person is appropriate to give competent independent advice include whether the person –
- holds 10 per cent or more of the voting shares or voting rights in the offeror or the offeree at any time during the last 12 months from the beginning of the offer period;
 - has a business relationship with the offeror or the offeree, at any time during the last 12 months from the beginning of the offer period that contributes to more than 10 per cent in revenue or profit of the adviser, based on the latest audited financial statements or the latest management accounts, if the latest audited financial statements is more than six months;
 - has a representative on the board of directors of the offeror or the offeree;
 - has a representative from either the offeror or the offeree on the board of directors of the independent adviser;
 - is or will be involved in the financing of the take-over offer;
 - is a substantial creditor of either the offeror or the offeree, based on the latest audited financial statements or the latest management accounts, if the latest audited financial statements is more than six months;
 - has a financial interest in the outcome of the take-over offer other than outlined above;
 - was an adviser in any planning, restructuring, acquisition or disposal proposals of the offeror or the offeree at any time during the period of 12 months prior to the beginning of the offer period.

Bursa Securities will not usually interfere with the selection and appointment of an independent adviser by a listed corporation, unless it is aware or becomes aware of issues which may compromise the independence of such adviser. In this regard, pursuant to Rule 10.11A(4) of the ACE LR, Bursa Securities may not allow an adviser to continue to act or be appointed as an independent adviser in a Major Disposal if, in its opinion, the adviser is deemed not to be independent.

10.56 If a Major Disposal also involves a take-over offer pursuant to the Take-Overs and Mergers Code, can the independent adviser required to be appointed under the Take-Overs and Mergers Code and under the ACE LR for the Major Disposal be the same party?

Yes, the independent adviser appointed can be the same party. The said independent adviser must be a person who is appropriate to give competent independent advice under the Take-Overs and Mergers Code and comply with the relevant requirements under both the Take-Overs and Mergers Code as well as the ACE LR.

10.57 Where the Major Disposal involves a related party, can the independent adviser required to be appointed for the related party transaction and the Major Disposal be the same party?

Yes, the independent adviser appointed can be the same party. However, the said independent adviser must be a person who is appropriate to give competent independent advice under the Take-Overs and Mergers Code and comply with the relevant requirements under Rules 10.08 (Related Party Transaction) and 10.11A (Major Disposal) of the ACE LR.

10.58 Where the consideration for the Major Disposal is by way of cash or partly in cash, who should make the statement whether the acquirer has sufficient financial resources to undertake the acquisition, as required under paragraph 4 in Part I of Appendix 10A of the ACE LR?

The announcement in relation to the Major Disposal as required under paragraph 4 in Part I of Appendix 10A of the ACE LR is to be made by the listed corporation that is disposing its assets. In making the statement, the board of directors of the listed corporation must take all reasonable steps to satisfy itself that the acquirer has sufficient financial resources to undertake the acquisition.

Aggregation of transactions

10.59 What is the definition of “parties connected with one another” as used in Rule 10.12(2)(a) of the ACE LR?

“Parties connected with one another” has the same meaning as assigned to “person connected” with a director or a major shareholder, as contained in Chapter 1 of the ACE LR.

10.60 *Z Bhd*, a listed corporation enters into transactions involving the acquisitions and disposal of securities in *A Sdn Bhd* with various parties who are not connected with each other. The transactions are as follows:

Transactions	Type of Transactions	Date of Transactions	Relevant % ratio
Transaction 1	Acquisition from a related party	October 2009	1%
Transaction 2	Acquisition from a non-related party	November 2009	4%
Transaction 3	Acquisition from a non-related party	February 2010	21%

Must the above transactions be aggregated to determine whether *Z Bhd* needs to comply with Chapter 10 of the ACE LR in respect of the aggregated transactions?

Yes, pursuant to Rule 10.12(2)(b) of the ACE LR and paragraph 2.0 of Guidance Note 7, the transactions must be aggregated as follows:

- Transaction 2 will be aggregated with Transaction 1 where *Z Bhd* will be required to announce Transactions 1 and 2 in accordance with Rule 10.06 of the ACE LR.
- Transaction 3 will be aggregated with Transactions 1 and 2 where *Z Bhd* will be required to, amongst others, seek its shareholder approval for Transaction 3 in accordance with Rule 10.07 of the ACE LR. However, *Z Bhd* must ensure that the circular issued to its shareholders includes information on Transactions 1, 2 and 3.

Contents of announcements and circulars

10.61 Can a listed corporation appoint a foreign valuer to prepare the requisite valuation report on the foreign assets proposed to be acquired under item 3 of Part F Appendix 10B of the ACE LR?

Yes, a listed corporation may appoint an independent valuer registered with the relevant professional body in the country where the foreign asset is located independently or jointly with an independent registered valuer in Malaysia to prepare the requisite valuation report. Further, the listed corporation must also ensure that the appointment of the valuer including the independent registered valuer in Malaysia fulfils the requirements under the SC's Asset Valuation Guidelines in relation to the appointment of valuer for valuation of foreign property assets.

10.62 “Conflicts of interest” on the part of the adviser or expert, where appointed which is required to be disclosed in circulars to shareholders has been defined to mean circumstances or relationships which affect or may affect the ability of the adviser or expert to act independently and objectively or where the adviser or expert has an interest in the outcome of the proposal which interferes or is likely to interfere with its independence and objectivity. What are the factors that should be taken into consideration by the adviser or expert to ascertain whether the “conflict of interest” exists?

The factors that should be taken into consideration by the adviser or expert to ascertain whether the “conflict of interest” exists or is likely to exist in relation to its role as an adviser or expert are varied and subjective. The adviser or expert must make that assessment and take all reasonable steps to ascertain whether the conflict of interest exists or is likely to exist. After that, full disclosure must be made in the circular of the nature and extent of the conflict of interests.

CHAPTER 12 – SHARE BUY-BACKS

12.1 Under the ACE LR, can all listed corporations undertake a share buy-back?

No, listed corporations may undertake a share buy-back only after their Sponsorship Period, provided that they fulfill the conditions set out under Chapter 12 of the ACE LR, including procuring their shareholder approval for the share buy-back.

12.2 [Deleted]

12.3 If a listed corporation obtains an authorisation from its shareholders to purchase its own shares in year 2017 but did not renew the said authorisation in year 2018, can it still issue a Share Buy-back Statement to its shareholders to seek their authorisation for the purchase of its own shares in year 2019?

Yes. Under Rule 12.06(1) of the ACE LR, a listed corporation is only required to issue a Share Buy-back Statement to its shareholders, for purposes of either seeking a new authorisation or renewing an existing authorisation to purchase its own shares. The Share Buy-back Statement must include the prescribed information as set out in Appendix 12A of the ACE LR.

12.4 Under Rule 7.15 of the ACE LR, notices of general meetings are required to be advertised in a daily press. Are listed corporations required to advertise the Share Buy-back Statement as well?

No, only notices of the general meeting for the renewal of an existing authorization for share buy-back are required to be advertised in the daily press.

12.5 A Bhd, a listed corporation has a total number of 100 million issued ordinary shares. Pursuant to its authorisation in year 2017, A Bhd had purchased 10 million of its own shares and retained the shares purchased as treasury shares. Can A Bhd still purchase its own shares in year 2018?

No, pursuant to Rule 12.09 of the ACE LR, A Bhd must not purchase its own shares or hold any of its own shares as treasury shares if this results in the aggregate of the shares purchased or held exceeding 10% of its total number of issued shares. Hence, as the treasury shares held by A Bhd in year 2018 is already 10% of its total number of issued shares, A Bhd may not purchase its own shares in year 2018. However, if the treasury shares are cancelled in year 2018 and subject to the authorisation from shareholders, A Bhd may purchase its own shares subsequently.

12.6 Based on the same facts as in Question 12.5 above, assuming that pursuant to its authorisation in year 2017, A Bhd had purchased 5 million of its own shares and cancelled the shares purchased in April 2017. What is the remaining number of its own shares that A Bhd may purchase in year 2017?

Pursuant to Rule 12.09 of the ACE LR, A Bhd may purchase an additional 5 million of its own shares for the remaining period in year 2017.

- 12.7 B Bhd, a listed corporation has a total number of 120 million issued ordinary shares. For year 2017, B Bhd procured its shareholder approval to undertake share buy-back of up to 10% of its total number of issued shares. Pursuant to its authorisation in year 2017, B Bhd had purchased 3 million of its own shares in February 2017 and retained the shares purchased as treasury shares. Subsequently in August 2017, the total number of issued shares of B Bhd is reduced to 100 million upon completion of its corporate exercise. What is the remaining number of its own shares that B Bhd may purchase in year 2017?**

The maximum limit that a listed corporation may purchase its own shares or hold any of its own shares as treasury shares under Rule 12.09 of the ACE LR will be based on the total number of issued shares of the listed corporation adjusted pursuant to a corporate exercise. Hence, in this case, the maximum limit of its own shares that B Bhd may purchase in year 2017 is 10 million based on its total number of issued shares adjusted pursuant to the corporate exercise in August 2017. In view of the 3 million shares purchased in February 2017, B Bhd may purchase an additional 7 million of its own shares for the remaining period in year 2017.

No, a listed corporation is not required to lodge the solvency statement with the Exchange.

- 12.8 What does “cost of purchase” in Rule 12.18(b)(ii) of the ACE LR refer to?**

- 12.9 M Bhd, a listed corporation purchases 10,000 of its own shares in January 2010 and keeps them as treasury shares. Subsequently, M Bhd wishes to sell the treasury shares on 12 March 2010 (i.e. more than 30 days from the date of purchase, in accordance with Rule 12.18 of the ACE LR). The weighted average market price of M Bhd’s shares for the 5 market days preceding the resale on 12 March 2010 (“5 days weighted average market price”) is RM2.00. Can M Bhd sell its treasury shares at RM1.60 on 12 March 2010?**

No, M Bhd is not permitted to sell its treasury shares at RM1.60 on 12 March 2010. The price of RM1.60 represents a discount of 20% from the 5 days weighted average market price of RM2.00, which exceeds the 5% discount on the 5 days weighted average market price immediately before 10 March 2010. According to Rule 12.18 of the ACE LR, a listed corporation may only sell its treasury shares at a discount if the discount is not more than 5% of the 5 days weighted average market price.

- 12.10 N Bhd, a listed corporation purchases 15,000 of its own shares in January 2010 and keeps them as treasury shares. Subsequently, N Bhd wishes to sell the treasury shares on 19 March 2010 (i.e. more than 30 days from the date of purchase, in accordance with Rule 12.18 of the ACE LR). “Dealing” is defined under Rule 14.02(c) of the ACE LR to include any disposal of securities or any interest in securities. As such a transfer of a principal officer's shares in the listed corporation to his wife without consideration or consideration in-kind would be regarded as dealing in securities under Chapter 14 of the ACE LR and subject to the notification requirements set out in that Chapter.

- 14.4** Are the requirements in Chapter 14 only applicable to dealing by affected persons personally?

No, the dealings falling under Chapter 14 include those undertaken by the affected persons as principal or as agent. This includes dealing via the nominee company of the affected persons. In this respect, a nominee company includes a body corporate which is wholly owned by the affected persons or where the affected persons have a controlling interest or a body corporate which is, or its directors are accustomed, or is under an obligation, whether formal or informal, to act in accordance with the directions, instructions or wishes of the affected persons.

14.5 *X* is the chief financial officer of *A Berhad*, a corporation listed on Bursa Securities. If *X* does not have access or is not privy to price sensitive information in relation to *A Berhad*, will he still be considered as a principal officer for the purpose of Rule 14.03 of the ACE LR?

Yes, pursuant to Rule 14.02(i) of the ACE LR, since *X* is a chief financial officer of *A Berhad*, he is considered as a principal officer of *A Berhad*.

No, they are only exempted from the requirements of Rule 14.08. All 14.06 Dealings are still subject to Rule 14.09 of the ACE LR.

14.7 *X* is a director of *A Berhad*. Does he need to comply with the dealing procedures set out in Rule 14.08 or 14.09 if he wishes to deal with the listed securities of *A Berhad*'s associate, subsidiary, or related corporation during or outside the closed period?

No. *X* is only required to comply with the dealing procedures set out in Rule 14.08 or 14.09 if he wishes to deal with the listed securities of *A Berhad*.

14.8 Pursuant to Rule 14.08 of the ACE LR, a director who wishes to deal in securities during a closed period must announce the proposed dealing to Bursa Securities before the proposed dealing. Currently, all announcements to Bursa Securities are made via the Bursa LINK. How can a director make an announcement to Bursa Securities if he has no access to the Bursa LINK?

The director who wishes to make an announcement to Bursa Securities should request the listed corporation to send the announcement to Bursa Securities on his behalf using the Bursa LINK.

¹ Rule 14.06 reads as follows:

The following categories of dealings are exempted from the restrictions or requirements of Rules 14.04 and 14.05 respectively:

- (a) the acceptance or exercise of options or rights under a Share Issuance Scheme or share option scheme;

- (f) the undertaking to accept, or the acceptance of securities as part of a merger by way of a scheme of arrangement.

14.9 A director must announce his dealings in securities within the timeframes stipulated under the ACE LR. Should the director still proceed to announce the dealings even if it is no longer within the timeframes prescribed under the ACE LR?

Yes, the director should still proceed to make the announcement even if it is no longer within the timeframes prescribed under the ACE LR to mitigate the failure to comply with the ACE LR.

14.10 Are the requirements relating to dealings in securities under Chapter 14 of the ACE LR applicable to securities borrowing and lending (“SBL”) transactions by directors and principal officers of listed corporations?

No, the requirements under Chapter 14 of the ACE LR are not applicable to SBL transactions by directors and principal officers of listed corporations. This is because a SBL transaction merely involves a temporary transfer of securities from the lender to the borrower on a collateralised basis. Therefore, it falls outside the ambit of Chapter 14 of the ACE LR which serves to apprise the market of acquisitions or disposals of securities or interest in securities (i.e. dealings in securities) by, or trading activities and trends of, directors and principal officers who are privy to price-sensitive information of the company.

Pursuant to Rule 15.08(2) of the ACE LR, the board of directors of the listed corporation is given the discretion to determine what constitutes “training” for its directors. In this respect, “training” could include, for example, the following:

- in-house training programmes organised by listed corporations for their directors;
- courses attended by directors as members of professional bodies which require mandatory training for their members;
- diploma/degree/post graduate courses; or
- courses/workshops conducted within or outside Malaysia.

15.17 Can the “training” prescribed by the board of directors for its directors relate to any topic at all, as may be determined at the absolute discretion of the board?

Under Rule 15.08(2) of the ACE LR, the training that is determined by the board of directors for its directors must be on a subject matter that aids the directors in the discharge of their duties as directors. Thus the board must exercise its discretion within the confines of that requirement.

In this regard, the findings from annual performance assessment of directors are useful as they provide valuable insights into the training and development needs of directors. The board or nominating committee will be able to prescribe the training required by its directors based on the areas for improvement identified in the findings. In addition, the board may also regularly request each director to identify appropriate training that he believes will enhance his contribution to the board.

Broadly, the training should include key developments in the legal and regulatory framework, as well as the industry within which the listed corporation operates. The training could also cover areas such as financial literacy, technical know-how, business and industry specific trends, business strategies, risk management and internal control.

15.18 Under Rule 15.08(3)(b) and item (29) of Appendix 9C of the ACE LR, a brief description of the type of training attended by the directors for the financial year is required to be disclosed in the annual report. What are examples of the type of information that is required to be included in the brief description?

Examples of the types of information that should be disclosed in the brief description are the mode of training i.e. via seminar, workshops or courses; the title of the seminar, workshop or courses and the number of hours/days spent.

- 15.19 Under Rule 15.08(3)(c) and item (29) of Appendix 9C of the ACE LR, a listed corporation must provide valid justifications if, in exceptional circumstances, its directors are unable to attend any training during the financial year. What are some of the “exceptional circumstances” envisaged under Rule 15.08(3)(c) of the ACE LR?**

Generally, a director is expected to attend continuous training to update and enhance his skills and knowledge. This is important for the director to ensure that he continues to carry out his role effectively. It is also recognized that there may be exceptional circumstances where a director may not be able attend any training. However, these circumstances should be **rare and uncommon**, such as if a director is suffering from a long term illness or is bedridden over a prolonged period.

Generally, it **will not be** considered as an exceptional circumstance if a director is unable to attend any training because he does not have the time due to business commitment or tight schedule for instance, or there are no suitable programmes or courses available.

 - (i) What is a listed corporation expected to disclose in the “application of the listed corporation’s fit and proper policy in the nomination and election of its directors”?

**Chapter 15 Corporate Governance
[Questions & Answers]**

In disclosing the “application of the listed corporation’s fit and proper policy in the nomination and election of its directors”, the listed corporation must ensure that the disclosure is sufficiently detailed and informative so that shareholders and investors have clarity and insights as to why the directors are selected and appointed to the board. In this regard, the listed corporation is expected to discuss –

- the overall desired board composition covering, among others, the combination of skill sets, diversity, tenure etc as reflected in its fit and proper policy;

The listed corporation must avoid providing generic, boilerplate or process-centric statements that do not add much value to shareholders. For example, “each director appointed or re-elected are in line with the listed corporation’s fit and proper policy” or “in nominating a candidate, the nominating committee has taken into account the listed corporation’s fit and proper policy and is satisfied that the candidate is suitable for the company”.

In respect of the subsequent financial years, while the listed corporation may publish the information under sub-Rules (a) and (b) on its website provided that the requirements under Rule 9.25(1)¹ of the ACE LR are complied with, information on the application of the fit and proper policy as well as the assessment of performance of the board, committee and individual directors undertaken by the nominating committee during the financial year, must be disclosed in the annual report.

The approval will be given on the basis of an application made by a listed corporation. Bursa Securities will examine the merits of each application and the approval of such signatory or requirements pertaining to audit committee member will be given on a case by case basis.

15.25 In relation to the requisite qualifications for the signatory under Rule 9.27 of the ACE LR and a member of the audit committee under Rule 15.09 of the ACE LR, if the person concerned fulfils the requirements set out in the said provisions or paragraph 7.1 of Guidance Note 9 (“Said Qualifications”), does he still have to submit an application to Bursa Securities for approval?

No. He does not have to submit any application to Bursa Securities for approval. In making the determination, the audit committee should, in addition to the suitability factors as set out in Rule 15.21 of the ACE LR², also consider the performance of the external auditor and its independence such as -

- the external auditor's ability to meet deadlines in providing services and responding to issues in a timely manner as contemplated in the external audit plan;
- the nature of the non-audit services provided by the external auditor and fees paid for such services relative to the audit fee; and
- whether there are safeguards in place to ensure that there is no threat to the objectivity and independence of the audit arising from the provision of non-audit services or tenure of the external auditor.

15.28B Pursuant to Rule 15.15(3)(d) of the ACE LR, a listed corporation must disclose in the audit committee report, a summary of work of the audit committee in the discharge of its functions and duties for the financial year, and how the audit committee has met its responsibilities. For example, the listed corporation should, in relation to the audit committee's role to oversee financial reporting, include details such as –

- the dates when the audit committee met with the external (and internal) auditors without the presence of management and the topics discussed;
- identified new financial reporting standards and other standards that were discussed and which may have had a significant impact on the listed corporation's financial statements;

- information on the framework in place for the purposes of identifying, evaluating, approving, reporting and monitoring such COI situations and transactions; and
- the key considerations taken by the audit committee when it reviews the RPTs or COI situations.

The listed corporation must avoid providing a generic or boilerplate statement that fails to reflect the breadth and depth of the important activities undertaken by the audit committee. ³ This is available at: <https://bursasustain.bursamalaysia.com/droplet-details/resources/corporate-governance-guide-4th-edition>

and responsibilities during the financial year. With such information, shareholders are able to understand better the effectiveness and efficiency of the governance, risk management and internal control processes in place. The disclosure would also assist shareholders in assessing whether the audit committee has carried out its oversight duties over the internal audit, effectively.

In this regard, the listed corporation should provide information on the key specific areas that were audited and other information such as the resources made available to the internal audit function as well as the internal audit reporting and communication flow i.e. what was done with the internal audit report and whether concerns, if any, identified by internal audit in its report were addressed, during the financial year. The listed corporation should avoid providing generic statements about the general responsibilities of the internal audit function or its terms of reference which do not inform shareholders of the actual work performed by the internal audit function.

The listed corporation and its audit committee may be further guided in disclosing the summary of the internal audit function's work as required under Rule 15.15(3)(e) of the ACE LR by referring to the **Corporate Governance Guide (4th Edition)**⁴.

In addition to Guidance Note 11, directors should also refer to the guidance entitled "Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers" issued by the Taskforce on Internal Control. A copy of the said guidelines is available on Bursa Securities' website at www.bursamalaysia.com.

Internal audit

15.35 What is meant by "an internal audit function which is independent of the activities it audits" as referred to under Rule 15.27 of the ACE LR?

This means that the internal audit function of a listed corporation must be independent from the management and operations. A listed corporation must not allow or condone inter-management audit. For example, finance department performing audit on the other operation units within the group of a listed corporation. For the purposes of clarifying the phrase "independent of the activities of its audits", reference may be made to the International Standards for the Professional Practice of Internal Auditing issued by the Institute of Internal Auditors and the Internal Auditing Guidelines issued by the Malaysian

Institute of Accountants (collectively referred to as “the Internal Audit Standards & Guidelines”).

15.36 Can the internal audit function of a listed corporation be outsourced?

Yes. The internal audit function of listed corporation can either be performed in-house or outsourced.

15.37 Where the internal audit function of a listed corporation is outsourced, what is the key issue that must be taken into consideration?

The key issue is the independence and objectivity of the firm/person to whom the internal audit function is outsourced. Again, for the purposes of clarifying the issue of “independence and objectivity”, reference may be made to the Internal Audit Standards & Guidelines.

15.38 Can the internal audit function be outsourced to the firm/person performing the statutory audit for the listed corporation?

Pursuant to section 290.186A of the By-Laws (On Professional Ethics, Conduct And Practice) of the Malaysian Institute of Accountants (“**Ethics By-Laws**”), where a financial statement audit client is a listed entity or public interest entity, the firm or network of firm performing the financial statement audit should not accept an engagement to provide internal audit services.

As such, the internal audit function of a listed corporation should not be outsourced to the firm/person performing the statutory audit for the listed corporation.

15.39 Can the internal audit function be outsourced to a group internal auditor who may be the internal auditor of the holding company, the subsidiary or subsidiary of the holding company?

Yes, all these can be considered as outsourcing. The listed corporation, however, must always adhere to the requirements of “independence and objectivity”.

15.40 With reference to Questions 15.36, 15.37 and 15.38 above, what are the requirements that must be complied with by the external party to whom the internal audit function is outsourced?

This depends on who the external party is. Such party must always comply with whatever legal requirements imposed on it by the relevant bodies or which it is subject to, in offering its services as an internal auditor. For example, in the case of a member of the Malaysian Institute of Accountants, it would have to comply with the Institute’s requirements. This would include the Ethics By-Laws.

Anti-corruption and whistle-blowing

15.42 Pursuant to Rule 15.28(1)(a)(i) of ACE LR, a listed corporation and its board are required to be guided by the Guidelines on Adequate Procedures issued pursuant to section 17A(5) of the Malaysian Anti-Corruption Commission Act 2009 (“GAP”), at a minimum, when establishing its group policies and procedures on anti-corruption. Besides GAP, can a listed corporation adopt other standards or systems on anti-corruption?

Yes, a listed corporation may adopt other recognised standards or systems on anti-corruption such as the Anti-Bribery Management System (MS ISO 37001) when formulating its anti-corruption policies and procedures provided that the listed corporation ensures that its anti-corruption policies and procedures comply with the GAP as well.

15.43 Is a listed corporation in compliance with Rule 15.28(1)(a) of the ACE LR if it establishes and maintains policies and procedures on anti-corruption and whistle-blowing, on a group basis?

Yes, the listed corporation complies with Rule 15.28(1)(a) of the ACE LR if the policies and procedures are established on a group basis and adopted by the listed corporation and all its subsidiaries within the group.

15.44 Rule 15.28(1)(b) of the ACE LR stipulates that a listed corporation and its board of directors must ensure that the policies and procedures on anti-corruption and whistle-blowing are reviewed periodically to assess their effectiveness, and in any event, at least once every 3 years. In this regard, when should the listed corporation conduct the periodic review?

To ensure that the listed corporation's policies and procedures remain effective, it is expected that a review would be carried out when -

- there is change in the law or circumstance in the listed corporation's business;
- there is a material change in the environment or circumstances in which the listed corporation is operating; or
- the current policies and procedures are found to be inadequate.

Such review is necessary to allow the listed corporation to analyse and assess whether the policies and procedures are still effective in addressing or mitigating corruption risks that the listed corporation group is exposed to, or whether improvements are required. In any event, the listed corporation must review its policies and procedures on anti-corruption and whistle-blowing at least once every 3 years.
