If an update was not conducted in CDS, the ADA must maintain written records of the depositor's reasonable justification for not updating the particulars of the securities account.*

However, should individual depositors use CDS eServices platform to execute permitted CDS related transactions, the ADA is not required to submit any documents as the documents are stored in CDS.

The requirements of this chapter and its related appendices must be complied with at all times by the ADA.

It is mandatory for Malaysian citizens, Permanent Residents of Malaysia and Malaysian incorporated/registered entities to provide their bank account information during account opening. A depositor is required to indicate whether he would like to have the same bank account information to be used for all his/her CDS accounts (here called "Consolidate Bank Account" which means that to consolidate all his/her CDS accounts with One similar bank account information), inclusive of new CDS account that may be opened by the same depositor in the future.

Email address is a mandatory information that all depositors must provide during the account opening regardless the depositor's nationality or place of incorporation and investor types. By registering the email address in CDS, the depositor will receive electronic notification instead of hardcopy notification or communication in relation to the following:

- i. CDS statements of accounts, CDS notices and other communication from Bursa Depository; and
- ii. as and when the service becomes available and the relevant persons such as issuers of securities or Participating Organisations (“POs”) elect to use such service, notices and communication in relation to the depositor’s deposited securities from such issuers, POs or other entities within Bursa Malaysia Berhad’s Group of Companies.

Note:

1. Pursuant to the Securities Commission’s Directive dated 12 July 2019, with effect from 1 September 2019, all depositors opening new CDS accounts and existing depositors who trade online must register their email address in CDS.
2. The mandatory requirement to register email addresses during CDS account openings is applicable to all modes of CDS account opening.

The above stated notification or communication will be sent electronically to the depositor’s email address and, if the same is available, to the handphone number that has been registered in Bursa Depository’s records.

If a depositor (excluding the ADA’s wholly owned nominee company) has registered his email address for a particular CDS account, the same email address will be automatically linked to all CDS accounts of the same depositor which will also include any new CDS account that may be opened by the same depositor in the future.
