

## Building a Culture of Cyber Resilience

An education program on cyber security with the theme - *“Building A Culture of Cyber Resilience”* for the directors of Participant Organisations (POs) and Trading Participants (TPs) was conducted at Bursa Malaysia Berhad on 6 September 2016. The speaker was Mr Jason Yuen, a partner from Ernst & Young Advisory Services Sdn Bhd.

This program is a collaboration between Bursa Malaysia and ISACA Malaysia Chapter. This program is highly relevant for POs and TPs in implementing cyber resilience framework, cyber security risk assessment and enterprise monitoring framework to build a cyber resilience culture in the industry.

This program is attended by 81 participants comprised of the Directors of POs and TPs.

The speaker, Mr Jason Yuen from Ernst & Young addressing the participants on - *Building A Culture of Cyber Resilience*.
