The time-weighting factor is the number of days that the specific Capital is outstanding as a proportion of the total number of days in that financial year.

Example - Weighted Average of Capital for financial year ended 31 December 2xx1

		Share Capital (excluding redeemable preference shares and treasury shares) (RM)
1 January 2xx1	Balance	10,000,000
1 June 2xx1	Issue of 5,000,000 new shares at RM1 each for cash	15,000,000
1 Dec 2xx1	Issue of 3,000,000 new shares at RM1 each for cash	18,000,000

Computation of weighted average:

$$(RM10,000,000 \times 151/365) + (RM15,000,000 \times 183/365) + (RM18,000,000 \times 31/365) = RM13,186,301$$

PART B – CORPORATE DISCLOSURE POLICY**9.02 Corporate disclosure policy**

- (1) A listed corporation must, in accordance with these Requirements, disclose to the public all material information necessary for informed investing and take reasonable steps to ensure that all who invest in its securities enjoy equal access to such information.

Where material information is withheld, the listed corporation must refrain from delaying disclosure for an unreasonable period of time since it is unlikely that confidentiality can be maintained beyond a short period of time.
- (2) The exceptional circumstances where disclosures can be withheld are limited and constitute an infrequent exception to the normal requirement of immediate public disclosure. In cases of doubt, the presumption must always be in favour of disclosure.
- (3) The following are the exceptional circumstances where disclosure may be temporarily withheld:
 - (a) when immediate disclosure would prejudice the ability of the listed corporation to pursue its corporate objectives;
 - (b) when the facts are in a state of flux and a more appropriate moment for disclosure is imminent; or
 - (c) where the laws prohibit the disclosure of such information.

9.06 Maintaining confidentiality

- (1) Whenever material information is being temporarily withheld, a listed corporation must ensure that the strictest confidentiality is maintained, including limiting the number of persons having access to the material information and ensuring security of all confidential documents.
- (2) [Deleted]

- (2) A listed corporation must ensure that no disclosure of material information is made on an individual or selective basis to analysts, shareholders, journalists or other persons unless such information has previously been fully disclosed and disseminated to the public. If material information is inadvertently disclosed at any meetings with analysts, shareholders, journalists or others, it must be publicly disseminated as promptly as possible.
- (3) There may be limited circumstances where selective disclosure of material information is necessary, for example where the listed corporation is undertaking a corporate exercise or to facilitate a due diligence exercise. In such circumstances, the listed corporation must ensure that –
- (a) the disclosure is restricted to only relevant persons;
 - (b) the strictest confidentiality is maintained; and
 - (c) the requirements in Rule 9.07 are complied with.
- (4) If the disclosure is made immediately before or during trading hours, the Exchange may impose a temporary halt or suspension in trading of the listed corporation's securities to facilitate dissemination and evaluation of the information released.
- (5) Any public disclosure of material information must be made by an announcement first to the Exchange or simultaneously to the Exchange, the press and newswire services. For the avoidance of doubt, a listed corporation must not release any material information to the media even on an embargoed basis until it has given the information to the Exchange.

9.10 Response to rumour or report

- (1) A listed corporation must respond to a rumour or report by making an immediate announcement to the Exchange as follows:

-
- (a) if the rumour or report contains erroneous material information, a denial or clarification of the rumour or report together with facts sufficient to support the denial or to clarify any misleading aspects of the rumour or report. The listed corporation must also take reasonable effort to bring the announcement to the attention of the party that initially distributed the erroneous rumour or report; and
 - (b) if the rumour or report contains material information that is correct, a confirmation of the rumour or report together with the facts of the matter and an indication of the state of negotiations or of corporate plans in the rumoured area. Such announcements are essential even if the matter has yet to be presented to the listed corporation's board of directors for consideration.
- (2) In the case of a rumour or report predicting future sales, earnings or other quantitative data, a listed corporation is not ordinarily required to provide a response. However, if such a report is manifestly based on or contains erroneous information, or is wrongly attributed to the listed corporation, the listed corporation must -
- (a) respond promptly to the supposedly factual elements of the rumour or report as required under Rule 9.09 and this Rule 9.10; and

PART F – RESPONSE TO UNUSUAL MARKET ACTIVITY

9.11 Unusual market activity

- (1) Where unusual price movement, trading activity, or both (“**unusual market activity**”) occurs, the listed corporation must immediately undertake a due enquiry to seek the cause of the unusual market activity in its securities. The listed corporation must consider in particular whether there is any information concerning the listed corporation which would account for the unusual market activity that -
 - (a) has recently been publicly disclosed;
 - (b) has not been publicly disclosed (in which case the unusual market activity may signify that a “leak” has occurred); or
 - (c) is the subject matter of a rumour or report.
- (2) If the listed corporation determines that the unusual market activity results from material information that has already been publicly disclosed pursuant to these Requirements, the listed corporation is generally not required to make further announcement. However, if the unusual market activity indicates that such information may have been misinterpreted, the listed corporation must issue a clarifying announcement to the Exchange.
- (3) If the unusual market activity results from a “leak” of previously undisclosed information, the listed corporation must publicly disclose the information in question in accordance with these Requirements.
- (4) If the unusual market activity results from a rumour or report, the listed corporation must comply with Rules 9.09 and 9.10 above.

 - (c) flamboyant;
 - (d) overstated; or

Although the distinction between legitimate public relations activities and such promotional disclosure activity depends on the facts of a particular case, the following are frequent hallmarks of promotional activity:

- (a) a series of public announcements unrelated in volume or frequency to the materiality of actual developments concerning a listed corporation;
- (b) announcement of products still in the development stage with unproven commercial prospects;
- (c) promotions and expense-paid trips, or the seeking out of meetings or interviews with analysts and financial writers, which could have the effect of unduly influencing the market activity in the listed corporation's securities and are not justified in frequency or scope by the need to disseminate information about actual developments concerning the listed corporation;

- (e) listed corporation's or product advertisements which in effect promote the listed corporation's securities.

GUIDANCE NOTE 1**CLASSIFICATION OF APPLICANTS OR LISTED CORPORATIONS**

Details		Cross References
Effective date:	8 May 2006	Rule 8.13
Revision date:	3 August 2009, 3 June 2019	

1.0 Introduction

- 1.1 The Exchange classifies all applicants seeking admission on the Official List as well as listed corporations into homogenous group (“**Sectors**”) of a similar industry based on the applicants’ or listed corporations’ core business.
- 1.2 Pursuant to Bursa Malaysia Securities Berhad ACE Market Listing Requirements (“**Listing Requirements**”), an applicant is required to propose its classification into any one of the Sectors (“**Classification**”) and a listed corporation is also required to make a proposal to the Exchange whenever a change to its Classification becomes necessary.
- 1.3 The Classification proposed by an applicant or a listed corporation shall be subject to the approval of the Exchange. The Exchange reserves the right to classify an applicant or listed corporation into a Sector which in the opinion of the Exchange is more appropriate for the applicant or listed corporation.
- 1.4 This Guidance Note sets out the following:
- (a) the Sectors that are prescribed by the Exchange;
 - (b) the criteria in determining and proposing the Classification; and
 - (c) the manner in which an applicant or listed corporation is to inform or notify the Exchange of its proposed Classification or proposal for change in Classification, as the case may be.

2.0 Sectors prescribed by the Exchange

- 2.1 The Exchange will prescribe the Sectors for all listed corporations, from time to time. The list of Sectors can be obtained from the Exchange’s official website.

Guidance Note 1
Classification of Applicants or Listed Corporations

2.2 The Exchange reserves the right to vary the list of Sectors or the criteria when determining the Classification of a listed corporation and in that event, a listed corporation would be notified of its new Classification accordingly.

3.0 Classification of listed corporations

3.1 An applicant or a listed corporation must, when filing an application for listing to the Exchange, furnish the Exchange a proposal of its Classification by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange's official website), together with supporting documents.

3.2 In determining the Classification of the applicant or listed corporation into any one of the Sectors, an applicant or a listed corporation must examine the amount of contribution made by its various business activities for the past 2 years. A listed corporation will be classified into the Sector which most closely fits its source of revenue or if there are several sources of revenue, the business which consistently generates the highest revenue of the listed corporation. The Classification will also be determined based on either the immediate end use of the product or the industry processes used.

3.3 Segmental reporting normally discloses revenue before tax, non-controlling interests, extraordinary items and interest earned or incurred. Unless there is audited evidence that any of these items is specifically attributable to a class of business for which the revenue is disclosed, it will be disregarded in assessing the sources of revenue. Where any part of the listed corporation's business is to earn interest or incur interest, or interest expenses are central to its business, then such interest shall be taken into account in determining the listed corporation's business.

3.4 The Exchange will seek to maintain stability in the Classification and will disregard what the Exchange considers to be temporary fluctuations in the fortunes of individual businesses.

4.0 Exchange's power to require additional information or instruct change in Classification

4.1 The Exchange may, at its discretion, require an applicant or a listed corporation to provide additional information to the Exchange.

4.2 The Exchange may, where the circumstances warrant the same but without assigning any reasons, classify an applicant or change the Classification of a listed corporation into a Sector which, in the opinion of the Exchange, is more appropriate for the applicant or listed corporation.

5.0 Changes to listed corporation's Classification

5.1 Where there is a significant change in the business direction or policy in a listed corporation, the listed corporation must, upon completion of the relevant corporate exercise, immediately notify the Exchange of the proposal for change in its Classification by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange's official website), together with supporting documents.

**Guidance Note 1
Classification of Applicants or Listed Corporations**

- 5.2 Where the Classification does not accurately reflect its current core business, the listed corporation must submit to the Exchange a proposal for a change by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange's official website), together with supporting documents.
- 5.3 A listed corporation's Classification may also be reviewed by the Exchange either at its discretion, at the request of the listed corporation pursuant to paragraphs 5.1 and 5.2 above, or of the advisers acting on its behalf.

1.0 Introduction

1.1 This Guidance Note sets out, amongst others, the following:

- (a) the criteria in relation to the financial condition of a listed corporation, which if triggered, will give rise to an obligation for a listed corporation to comply with the provisions of this Guidance Note; and
- (b) the requirements that must be complied with by a GN3 Company.

2.0 Criteria

2.1 Pursuant to Rule 8.04(2) of the Listing Requirements, where a listed corporation triggers any one or more of the following Prescribed Criteria, it must comply with the provisions of Rule 8.04 and this Guidance Note:

- (a) the shareholders' equity of the listed corporation is 25% or less of the share capital of the listed corporation;
- (b) where the listed corporation has incurred loss in any 1 full financial year commencing on or after its listing, which equal to or exceed the amount of its shareholders' equity at the end of the said financial year and the shareholders' equity is equal to or less than 50% of the share capital of the listed corporation at the end of the said financial year;
- (c) where the listed corporation has incurred aggregated losses in any 2 consecutive full financial years commencing on or after its listing ("**said financial period**") –
 - (i) which exceed the amount of its shareholders' equity at the end of the said financial period;

**Guidance Note 3
Criteria and Obligations of GN3 Companies**

- (ii) the loss incurred in the second full financial year of the said financial period is 50% or more of the loss incurred in the first full financial year of the said financial period; and
- (iii) the shareholders' equity is equal to or less than 50% of the share capital of the listed corporation at the end of the said financial period;
- (d) receivers or managers, or judicial managers have been appointed over the asset of the listed corporation, its subsidiary or associated company which asset accounts for at least 50% of the total assets employed of the listed corporation;
- (e) a winding up of a listed corporation's subsidiary or associated company which accounts for at least 50% of the total assets employed of the listed corporation;
- (f) the auditors have expressed an adverse or disclaimer opinion in the listed corporation's latest audited financial statements;
- (g) the auditors have highlighted a material uncertainty related to going concern or expressed a qualification on the listed corporation's ability to continue as a going concern in the listed corporation's latest audited financial statements and the shareholders' equity of the listed corporation is 50% or less of the share capital of the listed corporation; or
- (h) a default in payment by a listed corporation, its major subsidiary or major associated company, as the case may be, as announced by a listed corporation pursuant to Rule 9.19A of the Listing Requirements and the listed corporation is unable to provide a solvency declaration to the Exchange.
- (i) [deleted]
- (j) [deleted]

2.2 For the purposes of this Guidance Note unless the context otherwise requires -

- (a) **"shareholders' equity"** refers to the equity attributable to the equity holders of the listed corporation;
- (b) [deleted]
- (c) [deleted]
- (d) **"issued and paid-up capital"** excludes treasury shares;
- (e) the determination of whether any one or more of the Prescribed Criteria is fulfilled must be based on the latest audited or unaudited consolidated financial statements of the listed corporation; and
- (f) in relation to subparagraphs 2.1(b) and (c) above, **"loss"** or **"losses"** refers to the loss or losses attributable to ordinary shareholders of the listed corporation.

2.3 The following example illustrates the application of subparagraph 2.1(b) above:

Example 1

A Bhd

	Financial Year Ended (FYE) 31 December 2xx1 (FYE 1)
Losses (RM'million)	(4)
Shareholders' equity (RM'million)	3
Issued and Paid-up Capital (RM' million)	6

In Example 1 above, listed corporation A Bhd incurs losses amounting to RM4 million in FYE 1. The shareholders' equity for FYE 1 amounts to RM3 million. The issued and paid-up capital of A Bhd as at FYE 1 is RM 6 million.

Since the amount of losses has exceeded the amount of the shareholders' equity, and the shareholders' equity is equal to 50% of the issued and paid-up capital of A Bhd, A Bhd has triggered the criteria set out in subparagraph 2.1 (b) above and must therefore comply with the requirements of Rule 8.04 and this Guidance Note.

2.4 The following example illustrates the application of subparagraph 2.1(c) above:

Example 2

B Bhd

	FYE 31 December 2xx1 (FYE 1)	FYE 31 December 2xx2 (FYE 2)
Losses (RM'million)	(2)	(3)
Shareholders' equity (RM'million)	7	4
Issued and paid- up capital (RM'million)	9	9

In Example 2 above, listed corporation B Bhd incurs losses amounting to RM2 million in FYE 1. The shareholders' equity for FYE 1 amounts to RM7 million.

In the following financial year, FYE 2, B Bhd incurs losses amounting to RM3 million, whilst the shareholders' equity amounts to RM4 million.

The issued and paid-up capital for both FYE1 and FYE 2 of B Bhd is RM 9 million.

The aggregated losses incurred by B Bhd in both FYE 1 and FYE 2 amount to RM5 million, which in absolute terms exceed the amount of the shareholders' equity for FYE 2 of RM4 million. In addition, the amount of losses incurred in FYE 2 is 50% more than the amount of losses incurred in FYE 1 and the shareholders' equity is less than 50% of the issued and paid-up capital of B Bhd as at FYE 2.

As such, B Bhd has triggered the criteria set out in subparagraph 2.1 (c) above and must therefore comply with the requirements of Rule 8.04 and this Guidance Note.

PROVISION OF FINANCIAL ASSISTANCE

Details		Cross References
Effective date:	22 May 2006	Rule 8.25
Revision date:	3 August 2009, 27 January 2015, 13 July 2015	

1.0 Introduction

1.1 Rule 8.25 of the Listing Requirements provides that a listed corporation or its subsidiaries not listed on any stock exchange may lend or advance any money, or guarantee, indemnify or provide collateral for a debt ("**provision of financial assistance**") to categories of persons set out in Rule 8.25(1)(i) to (iii). One of the categories of persons is the following:

“(ii) persons to whom the provision of financial assistance -

(aa) is necessary to facilitate the ordinary course of business of the listed corporation or its subsidiaries; or

(bb) pursuant to the ordinary course of business of the listed corporation or its subsidiaries,

such as the provision of advances to its sub-contractors or advances made to clients in the ordinary course of its moneylending business;”

1.2 This Guidance Note sets out the following:

(a) clarification of certain requirements under Rule 8.25 of the Listing Requirements ("**Requirements**"); and

(b) the disclosure obligations of a listed corporation in providing financial assistance pursuant to Rule 8.25(1)(ii) of the Listing Requirements.

1.3 This Guidance Note must be read in conjunction with Rule 8.25 of the Listing Requirements.

2.0 Clarification on Requirements

2.1 The following clarifications apply for the purpose of Rule 8.25(1)(ii) of the Listing Requirements:

2.1.1 Ordinary course of business

A transaction in the "ordinary course of business" means a transaction which would reasonably be expected to be carried out by the listed corporation and its subsidiaries given the particular business the listed corporation and its subsidiaries are involved in. The fact that the transaction is envisaged in the memorandum of association of the listed corporation and its subsidiaries is not a conclusive factor of determination.

As an example, in respect of a listed corporation involved in manufacturing activities ("**Manufacturing Company**"), the following transactions, which are by no means exhaustive, are considered to be in the ordinary course of business of the Manufacturing Company:

- (a) the purchase of materials and supplies for its manufacturing activities;
- (b) the sale of products either directly or through appointed distributors;
- (c) the purchase and/or lease of machines, equipment, vehicles and spares for its operations and office supplies;
- (d) the treatment and disposal of waste from its plants; and
- (e) the construction of plant and/or other infrastructure facilities for its operations.

2.1.2 Necessary to facilitate

In determining what constitutes "necessary to facilitate the ordinary course of business", the listed corporation must take into account whether the provision of financial assistance is essential to the listed corporation or its subsidiaries entering into, proceeding with and/or completing a transaction to the extent that if such financial assistance were not rendered, it would result in the listed corporation or its subsidiaries being unable to enter into, proceed with and/or complete such transaction.

Examples of what is necessary to facilitate the ordinary course of business, which is by no means exhaustive, are as follows:

- (a) provision of corporate guarantee or performance bond to a third party in favour of a main contractor in order for a listed corporation to secure work as a sub-contractor; and
- (b) provision of advances or collateral to or in favour of sub-contractors of the listed corporation to enable them to commence and/or complete the work for the listed corporation.

- 2.2 Subscription to or acquisition of debt securities and/or redeemable preference shares which are regulated by any written law and are subject to supervision by the SC, Bank Negara Malaysia or an equivalent foreign regulatory authority as the Exchange deems appropriate, by a listed corporation or its subsidiaries not listed on any stock exchange, are not considered as provision of financial assistance within Rule 8.25 of the Listing Requirements. However, where such subscription or acquisition is a related party transaction, the listed corporation must comply with Rule 10.08 of the Listing Requirements.

3.0 Disclosure obligations

- 3.1 A listed corporation must announce the financial assistance rendered or made by the said listed corporation or its subsidiaries not listed on any stock exchange pursuant to Rule 8.25(1)(ii) of the Listing Requirements for each quarter of its financial year, if any, simultaneously with its quarterly report pursuant to Rule 9.22 of the Listing Requirements and in any event not later than 2 months after the end of each quarter of a financial year. The listed corporation must include in its announcement the information set out in Annexure GN4-A.
- 3.2 Paragraph 3.1 above does not apply to provision of financial assistance in respect of the business of share financing, share margin financing or hire purchase carried out by a listed corporation or its subsidiaries not listed on any stock exchange in the ordinary course of business, or such other similar business that may be determined by the Exchange.
- 3.3 Where a listed corporation and/or its subsidiary lends or advances money in the ordinary course of its business as a moneylender pursuant to Rule 8.25(1)(ii) of the Listing Requirements, the listed corporation must include in its announcement referred to in paragraph 3.1 above the information prescribed under Appendix 8D of the Listing Requirements.

Annexure GN4-A
Contents of announcement for provision of financial assistance

ANNEXURE GN4-A

Contents of announcement in relation to provision of financial assistance
(paragraph 3.1)

- (1) The aggregate amount of financial assistance provided during the reporting quarter by type (i.e. advances, guarantees etc).
- (2) The financial impact of the financial assistance provided, on the listed corporation as a group.

GUIDANCE NOTE 7**PRINCIPLE OF AGGREGATION FOR TRANSACTIONS**

Details		Cross References
Effective date:	3 July 2006	Rule 10.12
Revision date:	3 August 2009	

1.0 Introduction

- 1.1 Pursuant to Rule 10.12 of the Listing Requirements, the Exchange may aggregate separate transactions and treat such transactions as if they were one transaction in certain circumstances ("**Rule of Aggregation**").
- 1.2 This Guidance Note sets out the consideration which the Exchange takes into account when applying the Rule of Aggregation.

2.0 Principles of aggregation

- 2.1 The Exchange generally considers the following principles in applying the Rule of Aggregation:
- (a) a transaction will be aggregated with an earlier transaction for the purpose of determining the obligations applicable in respect of the latest transaction except in the following circumstances:
- (i) a transaction that has been announced earlier pursuant to Chapter 10 of the Listing Requirements, will not be aggregated with the latest transaction when determining whether an announcement is required; and
 - (ii) a transaction which has been approved by shareholders or which was the subject of aggregation with a transaction which has been approved by shareholders pursuant to Chapter 10 of the Listing Requirements, will not be aggregated with the latest transaction when determining whether any obligations are applicable; and
- (b) if the aggregation of transactions results in a requirement for shareholder approval under Chapter 10 of the Listing Requirements, then that approval is required only for the latest transaction. The earlier transaction(s) would only require disclosure in the circular, which must include the information prescribed under the Listing Requirements.

Guidance Note 7
Principle of Aggregation for Transactions

Illustration 1:**Facts:**

Listed corporation, Z Bhd started to conduct business with a non-related party, Mr B in 2005. The transactions entered into between Z Bhd and Mr B during the year are as follows:

Transactions	Date of Transactions	Relevant Percentage Ratio
Transaction 1	January 2005	1%
Transaction 2	February 2005	4%
Transaction 3	Early March 2005	1%
Transaction 4	End March 2005	5%
Transaction 5	April 2005	6%
Transaction 6	November 2005	10%

Based on the above facts, the application of the principles set out in subparagraphs (a) and (b) above is as follows:

- (i) Transaction 2 will be aggregated with Transaction 1 to determine the obligations that are applicable. As the aggregate percentage ratio of Transactions 1 and 2 is 5%, Transaction 2 must be announced pursuant to Rule 10.06 of the Listing Requirements. The announcement must include information on Transaction 1 which must include the information set out in Appendix 10A of the Listing Requirements;
- (ii) Transactions 1 and 2 will be aggregated with Transaction 3 to determine the obligations that are applicable. However, for the purposes of determining whether an announcement is required, Transactions 1 and 2 will be excluded from aggregation with Transaction 3 as they have already been announced. As the percentage ratio of Transaction 3 is only 1%, no announcement is required. As the aggregate percentage ratio for Transactions 1 to 3 is 6%, no other obligation is triggered;
- (iii) Transaction 4 will be aggregated with Transactions 1 to 3 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 and 2 will be excluded from aggregation with Transaction 4 as they have already been announced. As the aggregate percentage ratio for Transactions 3 and 4 is 6%, an announcement is required. The announcement must include information on Transaction 3 which must include the information set out in Appendix 10A of the Listing Requirements. As the aggregate percentage ratio of Transactions 1 to 4 is 11%, no other obligation is triggered;
- (iv) Transaction 5 will be aggregated with Transactions 1 to 4 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 to 4 will be excluded from aggregation with Transaction 5 as they have all been announced. As the percentage ratio for Transaction 5 is 6%, Transaction 5 on its own requires an announcement; and
- (v) Transaction 6 will be aggregated with Transactions 1 to 5 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 to 5 will be excluded from aggregation with Transaction 6 as they have all been announced. As the percentage ratio for Transaction 6 is 10%, Transaction 6 on its own requires

Guidance Note 7
Principle of Aggregation for Transactions

an announcement. As the aggregate percentage ratio for Transactions 1 to 6 is 27%, shareholders' approval is required in respect of the latest transaction i.e. Transaction 6. In this respect, information on Transactions 1, 2, 3, 4 and 5 must be included in the circular issued which must include the information set out in Appendix 10B of the Listing Requirements.

Illustration 2:

Facts:

In addition to the facts set out in Illustration 1, Z Bhd entered into Transaction 7 with Mr B in December 2005. In this case, shareholder approval had been sought for Transaction 6 in November 2005.

Based on the above facts and the application of the principles set out in subparagraph (a) above, Transactions 1 to 6 will be excluded from aggregation with Transaction 7 for purposes of determining whether any obligation is triggered as they have all been announced and shareholder approval has been sought for Transaction 6 based on aggregation with Transactions 1 to 5.

Illustration 3:

Facts:

Listed corporation A Bhd entered into the following transactions with a related party, Mdm Y in 2005:

Transactions	Date of Transactions	Relevant Percentage Ratio
Transaction 1	February 2005	3%
Transaction 2	April 2005	2%

Based on the above and applying the principles set out in subparagraphs (a) and (b), Transaction 2 will be aggregated with Transaction 1 thus requiring Transaction 2 to comply with Rule 10.08(2) of the Listing Requirements. In this respect, information on Transaction 1 must be included in the circular issued which must include the information prescribed under Appendix 10B and Part A of Appendix 10D of the Listing Requirements.

Transactions	Date of Transactions	Relevant Percentage Ratio
Transaction 3	October 2005	3%

In this case, the parties subsequently entered into Transaction 3 in October 2005. Transaction 3 will not be aggregated with Transactions 1 and 2 as shareholder approval for Transaction 2 has been obtained based on aggregation with Transaction 1. Transaction 3 on its own must be announced pursuant to Rule 10.08(1) of the Listing Requirements.

1.0 Introduction

- 1.1 Rule 10.08 of the Listing Requirements stipulates the obligations that a listed corporation must comply with in relation to a related party transaction.
- 1.2 Rule 10.08 must be read together with Rule 10.09 of the Listing Requirements which is in relation to a Recurrent Related Party Transaction.
- 1.3 This Guidance Note sets out the following:
- (a) clarification of the disclosure obligations in relation to Recurrent Related Party Transactions;
 - (b) clarification of the application of Rules 10.08 and 10.09 of the Listing Requirements to Recurrent Related Party Transactions ("**Requirements**"); and
 - (c) the additional information required for the circular and announcement referred to under Rules 10.09(2)(c) and 10.09(2)(e) of the Listing Requirements respectively.
- 1.4 This Guidance Note must be read in conjunction with the Listing Requirements.
- 1.5 For the purpose of this Guidance Note, a "**listed corporation**" includes the listed corporation's subsidiaries.

2.0 Application of Rules 10.08 and 10.09 of the Listing Requirements to Recurrent Related Party Transactions

- 2.1 In addition to the obligation to immediately announce a related party transaction, Rule 10.08(2) of the Listing Requirements states that where any one of the percentage ratios of a related party transaction is 5% or more, a listed corporation must engage the services of a Sponsor or Adviser, as the case may be, appoint an independent adviser, issue a circular to its shareholders and obtain specific shareholder approval of the transaction.

-
- 2.2 However, pursuant to Rule 10.09 of the Listing Requirements, a listed corporation is allowed to obtain a mandate from its shareholders in respect of Recurrent Related Party Transactions (“Mandate”).
- 2.3 Where a listed corporation has obtained a Mandate in respect of any Recurrent Related Party Transactions, the requirements of Rule 10.08 of the Listing Requirements will not apply to the Recurrent Related Party Transactions which are comprised in the Mandate. This means, during the period of validity of the Mandate, the disclosure obligation as set out in Rule 10.09(1) of the Listing Requirements, as well as the obligation to procure shareholder approval as set out under Rule 10.08 of the Listing Requirements will not apply to the Recurrent Related Party Transactions which are comprised in the Mandate.
- 2.4 However, pursuant to Rule 10.09(2)(e) of the Listing Requirements, a listed corporation is required to immediately announce to the Exchange when the actual value of a Recurrent Related Party Transaction entered into by the listed corporation exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more.

3.0 Clarification on the Requirements

- 3.1 A listed corporation that wishes to obtain a Mandate must comply with all the requirements as set out under Rule 10.09 of the Listing Requirements. This paragraph sets out the clarification in relation to the following requirements stipulated under Rule 10.09(2):

3.1.1 Recurrent Related Party Transactions

In this respect, the frequency or regularity of the transaction has to be considered. A transaction which has been made or will be made by the listed corporation at least once in 3 years in the course of its business will be considered recurrent.

3.1.2 Revenue nature necessary for day-to-day operations

In this respect, a related party transaction of a revenue nature which is necessary for day-to-day operations must either contribute directly or indirectly to the generation of revenue for the listed corporation. As an example, in the case of an information technology corporation, the following transactions, which are by no means exhaustive, are considered to be of a revenue nature:

- (a) the purchase and sale of computer peripherals, accessories and components such as data storage products (e.g. micro floppy discs, audio and videotape) and optical data storage media (e.g. compact discs);
- (b) the appointment of third parties to sell its products;
- (c) the purchase of insurance policies for its properties, assets and employees;
- (d) the purchase of office supplies; and
- (e) the provision of storage and other infrastructure facilities.

3.1.3 In the ordinary course of business

A related party transaction is in the ordinary course of business, if it is a transaction which would reasonably be expected to be carried out by the listed corporation given the type of business the listed corporation is involved in.

The fact that the transaction is envisaged in the memorandum of association of the listed corporation will not be a conclusive factor of determination. As an example, in respect of a listed corporation involved in activities relating to information technology, the following transactions, which are by no means exhaustive, are considered to be in the ordinary course of business of the listed corporation:

- (a) the purchase of raw materials and supplies for its business;
- (b) rental of office space for its operations;
- (c) payment of insurance premium for coverage of corporation assets, staff and projects;
- (d) the purchase and maintenance of computers for corporation or project use; and
- (e) the requisition of management, secretarial, internal audit and other support services for its business.

3.1.4 Annual renewal

The Mandate is subject to annual renewal. In this respect, any authority conferred by a Mandate will only continue to be in force until -

- (a) the conclusion of the first annual general meeting of the listed corporation following the general meeting at which such Mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
- (b) the expiration of the period within which the next annual general meeting after that date is required to be held pursuant to section 340(2) of the Companies Act (but must not extend to such extension as may be allowed pursuant to section 340(4) of the Companies Act); or
- (c) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

3.1.5 Annual report

In making the disclosure of the aggregate value of Recurrent Related Party Transactions conducted pursuant to the Mandate in a listed corporation's annual report, a listed corporation must provide a breakdown of the aggregate value of the Recurrent Related Party Transactions made during the financial year, amongst others, based on the following information:

**Guidance Note 8

-
- (a) the type of the Recurrent Related Party Transactions made; and
 - (b) the names of the related parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the listed corporation.

- (a) the acquisition or disposal of land or land-based property except in circumstances set out in paragraph 3.3(a) below;
 - (b) the acquisition or disposal of vessels, air crafts and plants;
 - (c) the entry into a lease of -
 - (i) a property for a period exceeding 3 years; or
 - (ii) such other assets,which involve payments of rental or such consideration on a lump sum basis (i.e. other than on an equal pro-rated monthly or annual instalments);

 - (e) the acquisition or disposal of securities except in the circumstances set out in paragraph 3.3(b) below;
 - (f) the entry into joint ventures;
 - (g) the grant or exercise of an option in relation to matters set out in subparagraphs (a), (b), (c) and (e) above; and
 - (h) such other transactions as may be determined by the Exchange from time to time.
- 3.3 Notwithstanding paragraph 3.2 of this Guidance Note -
- (a) a listed corporation classified under the Exchange's property sector may procure a Mandate for acquisition or disposal of land or land-based property provided that the transaction is a Recurrent Related Party Transaction and any one of the percentage ratios is not more than 10%; and
 - (b) a listed corporation under Rule 9.20(2)(a) and (c) of the Listing Requirements may procure a Mandate for acquisition or disposal of securities which is a Recurrent Related Party Transaction.
- 3.4 Notwithstanding paragraph 3.2(d) above and subject to Rule 10.09 of the Listing Requirements and the other provisions of this Guidance Note, a listed corporation may obtain a Mandate in respect of the following Recurrent Related Party Transactions:
- (a) the pooling of funds within the listed corporation's group of companies via a centralised treasury management function or such similar arrangements which entails the provision of financial assistance by the listed corporation, its subsidiaries not listed on any stock exchange or both, on a short or medium term basis provided that -

**Guidance Note 8

- (i) the listed corporation in seeking such a mandate in accordance with Rules 8.25 and 10.09 of the Listing Requirements, must include in its circular, in addition to such other information as prescribed under the Listing Requirements, the estimated amounts or value of financial assistance ("**Estimate**"); and
- (ii) notwithstanding Rule 10.09(2)(e) of the Listing Requirements, if the actual amount of financial assistance provided or rendered exceeds the Estimate, the listed corporation must immediately announce the same to the Exchange. If the percentage ratio of the amount of financial assistance provided or rendered in excess of the Estimate is 5% or more, the listed corporation must comply with Rule 10.08 of the Listing Requirements.

For purposes of this paragraph -

- (aa) "**short or medium term basis**" means for a duration not exceeding 3 years; and
 - (bb) "**group of companies**" means the subsidiaries, associated companies of the listed corporation and the listed corporation's immediate holding company which is listed.

*“**independent director**” means a director who is independent of management and free from any business or other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interests of an applicant or listed corporation. Without limiting the generality of the foregoing, an independent director is one who -*

- (a) *is not an executive director of the applicant, listed corporation or any related corporation of such applicant or listed corporation (each corporation is referred to as “**said Corporation**”);*
- (b) *is not, and has not been within the last 3 years, an officer (except as an independent director) of the said Corporation. For this purpose, “**officer**” has the meaning given in section 2 of the Companies Act;*
- (c) *is not a major shareholder of the said Corporation;*
- (d) *is not a family member of any executive director, officer or major shareholder of the said Corporation;*

1.5 [Deleted].

1.6 This Guidance Note clarifies the following:

- (b) the requisite qualifications in relation to the signatory and the said audit committee member.
- (c) [deleted].

I. INDEPENDENCE OF DIRECTORS

2.0 General

2.1 Directors must give effect to the spirit, intention and purpose of the said definition. If a person does not fall within any of paragraphs (a) to (g) of the said definition, it does not mean that the person will automatically qualify to be an independent director. The director concerned as well as the board of directors of the applicant or listed corporation must still apply the test of whether the said director is able to exercise independent judgement and act in the best interests of the applicant or listed corporation as set out in the said definition.

2.2 Paragraphs 3.0 to 5.0 of this Guidance Note must be read in conjunction with the said definition.

3.0 Paragraph (e)

3.1 “**Nominee**” as used in paragraph (e) means a person who has been designated to act for another in his or her place. It denotes a person who is accustomed, or is under an obligation, whether formal or informal to act in accordance with the directions, instructions or wishes of another person.

Guidance Note 9

 - (c) the major shareholder is either -

2.2 [Deleted]

2.2A If a subject matter is required to be disclosed in the annual report pursuant to the Listing Requirements which relates to a Practice, the disclosure will be deemed made if the information is disclosed in the CG Report. 2.3 A listed corporation must ensure that the CG Overview Statement, the CG Report and the Risk Management and Internal Control Statement are approved by the board of directors of the listed corporation.

PART I – CORPORATE GOVERNANCE DISCLOSURES

3.0 Contents of the corporate governance disclosures

General

3.1 [Deleted]

CG Overview Statement

3.1A In making the CG Overview Statement, a listed corporation must provide a summary of its corporate governance practices during the financial year with reference to the 3 Principles, which are -

- (a) board leadership and effectiveness;
- (b) effective audit and risk management; and
- (c) integrity in corporate reporting and meaningful relationship with stakeholders.

3.1B A listed corporation should highlight its key focus areas and future priorities in relation to its corporate governance practices through the CG Overview Statement.

CG Report

3.2 A listed corporation must provide specific disclosures on its application of each Practice in the CG Report. The listed corporation must ensure that the CG report provides a fair and meaningful disclosure of the company's corporate governance practices.

3.2A In disclosing the application of each Practice in the CG Report, a listed corporation must provide meaningful explanation on how it has applied the Practice. If the listed corporation has departed from a Practice, it must –

- (a) provide an explanation for the departure; and
- (b) disclose the alternative practice it has adopted and how such alternative practice achieves the Intended Outcome as set out in the MCCG ("**Intended Outcome**").

Guidance Note 11
Risk Management And
Internal Control and Corporate Governance Statement

- 3.2B In explaining the departure from a Practice as required under paragraph 3.2A(a) above, a listed corporation must not merely state that it has complied with the requirements under the Listing Requirements as the reason for the departure. The listed corporation must still provide an explanation for the departure and disclose the alternative practice and how the alternative practice achieves the Intended Outcome as required under paragraph 3.2A(b) above.
- 3.3 In making the disclosures in the CG Report, a listed corporation must carefully consider and be closely guided by the Guidance set out in the MCCG (“**Guidance**”).
- 3.4 A listed corporation must also ensure that the CG Report covers the practices for the whole financial year. If a practice had been in place for only part of the financial year, the listed corporation must state so and the period during which it had been in place.
- 3.5 [Deleted]
- 3.6 [Deleted]

Additional considerations

- 3.7 In making the CG Overview Statement and the CG Report, a listed corporation must also consider the following:
- (a) Ensure that the CG Overview Statement and the CG Report –
- (i) contain adequate information to enable an informed assessment by shareholders and potential investors of its corporate governance practices; and
 - (ii) align with the spirit and Intended Outcome of the MCCG.
- For this purpose, a listed corporation should refer to the Corporate Governance Guide issued by the Exchange.
- (b) Ensure that key messages on governance are clearly set out and avoid compliance box-ticking or boilerplate statements. The listed corporation must avoid taking a mechanical or legalistic approach in making the disclosures in the CG Overview Statement and the CG Report. For example, the listed corporation should not merely provide bare statements that -
- (i) it has adopted the Practices without further elaboration on how the Practices have been applied during the financial year; or
 - (ii) the Intended Outcome has been achieved through adoption of the alternative practices by repeating the fact without explaining how such alternative practices meet the Intended Outcome.
- (c) Report how the Practices have been applied, having regard to the listed corporation’s particular circumstances and business. The listed corporation must avoid -
- (i) reporting in form over substance; or
 - (ii) vague or general statements without any real connection to the listed corporation’s situation.

Guidance Note 11
Risk Management And
Internal Control and Corporate Governance Statement

- (d) Provide a balanced report by describing key issues and incidences of failure, and explaining how the issues were managed, actions that were taken to remedy the failures and lessons learnt.
- (e) Ensure that the information is easy to understand. This can be achieved by using simple, plain everyday language and avoiding legalistic or technical terms.
- (f) Use the listed corporation's website to add depth to the governance reporting and keep shareholders updated throughout the year. Avoid cluttering the CG Overview Statement and the CG Report with static information such as policies, charters and codes that have not changed, or long convoluted write-ups, so that the key information and messages are not lost in the volume of data presented. Where possible, publish such static information on the listed corporation's website.

PART II – RISK MANAGEMENT AND INTERNAL CONTROL STATEMENT

4.0 Contents of the Risk Management and Internal Control Statement

- 4.1 In making the Risk Management and Internal Control Statement, a listed corporation is required to address Part II of Principle B, Intended Outcome 10.0, Practices 10.1 and 10.2 read together with Guidance 10.1 and 10.2 as set out in the MCCG which relate to risk management and internal control framework.
- 4.2 The listed corporation should also be guided by the **Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers** which is issued by the Taskforce on Internal Control with the support and endorsement of the Exchange.
- 4.3 A listed corporation must ensure that the Risk Management and Internal Control Statement contains adequate information to enable an informed assessment of its state of internal control.

5.0 [Deleted]

PART III – SUSTAINABILITY STATEMENT

6.0 Contents of the Sustainability Statement

- 6.1 All listed corporations should ensure that the Sustainability Statement contains information that is balanced, comparable and meaningful by referring to the Sustainability Reporting Guide issued by the Exchange. In identifying the material economic, environmental and social risks and opportunities, the listed corporation should consider the themes set out in the Sustainability Reporting Guide.

 - (b) the obligations of a Sponsor⁷ or an Adviser when advising a listed corporation on any new issue of securities as set out in paragraphs 5.0, 6.0, and 11.0 of this Guidance Note, with necessary modification and adaptation.

 - (b) an adviser for a listing application in respect of an issue of new securities prescribed in Rule 6.02(4A) of the Listing Requirements.

1.6 In addition, where a Sponsor or Joint Transfer Sponsor is appointed to submit a Specific Proposal, this Guidance Note also clarifies the obligations of a Senior Officer and Qualified Person assigned to such Specific Proposal as set out in paragraph 12 of this Guidance Note.

2.0 Sound understanding of an Applicant

2.1 A Sponsor must achieve a sound understanding and updated knowledge of the Applicant, its business, operations, the industry it operates in and any other issues that might affect the business, operations and industry of the Applicant. A Sponsor may use its in-house specialists, appoint independent external experts or procure professional or legal advice to achieve this.

2.2 In fulfilling paragraph 2.1 above, a Sponsor should at least do the following:

- (a) ensure that it has, or has access to, appropriate knowledge of the Applicant's area of business (taking into consideration its country of incorporation and operation);
- (b) consider the Applicant's sector, proposition, business plan, business structure, historical financial information and other corporate information;
- (c) consider any issues relating to the Applicant's country of incorporation, operation and any other issues which might affect its appropriateness and suitability for listing; and
- (d) visit the Applicant's office or material site(s) of operation and meet the directors and key managers.

3.0 Prospects of an Applicant

3.1 Generally, a Sponsor must consider, amongst others, whether -

- (a) the business is likely to succeed;
- (b) the business has potential for profitable operations and wealth creation;
- (c) the Applicant has adequate resources to realise its potential; and
- (d) the Applicant has a sustainable position in the industry having regard to its competitiveness, availability of alternative products or services, government policies and incentives, and the economy.

3.2 Generally, a Sponsor should not regard an Applicant as being suitable for listing if -

- (a) the Applicant's business is loss making;
- (b) the Applicant's business shows declining profits which may raise doubt on its potential; or

- (c) the Applicant suffers from low profitability and without any growth in financial results, unless the Sponsor is able to demonstrate to the Exchange that -
- (i) the Applicant is an innovative company involved either in technology-based business activities or research and development;
 - (ii) the Applicant has taken steps to improve its financial performance; or
 - (iii) the Applicant has a strategy to revive its business in the future,
- and there are acceptable justifications on the prospects of the Applicant's business.

3.3 In the case of a transfer of listing application, a Sponsor or Joint Transfer Sponsor, in assessing the suitability of listing of a transfer applicant, must also consider the effort taken and progress demonstrated by the transfer applicant in implementing its business plan and utilising the proceeds raised, in accordance with the purpose as disclosed in the information memorandum issued pursuant to the transfer applicant's listing on the LEAP Market, or as may be varied and approved by the transfer applicant's shareholders after its listing on the LEAP Market.

4.0 Corporate governance record

- 4.1 A Sponsor must consider the Applicant's corporate governance record. This includes whether there has been any previous action taken against the Applicant or its promoters for any breach of relevant laws, guidelines or rules including those issued by the SC or the Exchange or both, or for failure to comply with any instruction, directive, or condition imposed by the Exchange including the Listing Requirements.
- 4.2 Where the Applicant is a foreign corporation, the Sponsor must consider the extent of compliance by the Applicant or its promoters with the relevant foreign laws, applicable guidelines or rules issued by the relevant regulatory authorities.

5.0 Suitability, efficacy and past corporate conduct of the board of directors and key management

- 5.1 A Sponsor must investigate and assess the suitability of each (proposed) director and consider the efficacy of the board of directors as a whole for the Applicant's needs, as follows:
- (a) issue and review directors' questionnaire and review directors' curriculum vitae;
 - (b) verify the information revealed in the above questionnaires and curriculum vitae, for example by conducting press searches, Companies Commission of Malaysia checks, bankruptcy checks, taking-up references and, where appropriate, obtaining third party checks. For directors who are not Malaysian-based, appropriate investigations should be undertaken;
 - (c) analyse any issue arising from these review or investigations and in particular on how they can affect the appropriateness and suitability of the Applicant's listing; and
 - (d) consider each director's suitability and experience in relation to their (proposed) role in ensuring an effective operation of the Applicant's business and consider whether each (proposed) director is suitable to be a director of a Malaysian public listed corporation.

**Guidance Note 18
Roles and Responsibilities of Sponsors**

- 5.2 In considering each (proposed) director's suitability and experience provided under paragraph 5.1(d) above, the Sponsor must be satisfied that the (proposed) directors of the Applicant individually and collectively have the experience, qualifications and competence to manage the Applicant's business and comply with the Listing Requirements and other legal or regulatory requirements relevant to their roles.
- 5.3 The character and integrity of the (proposed) directors of the Applicant will be a relevant factor for consideration. In considering whether the (proposed) directors have the character and integrity expected of a listed corporation, the Sponsor must take into account the disclosures made in the questionnaire and curriculum vitae as provided under paragraph 5.1(a) by each (proposed) director.
- 5.4 A Sponsor must also investigate into the past corporate conduct of the (proposed) directors of an Applicant to determine their integrity. A Sponsor must be satisfied that in compliance with paragraph 5.3 above, no person is appointed or allowed to act as a director of the Applicant or be involved whether directly or indirectly in the management of the Applicant, including acting in an advisory capacity in relation to the Applicant, if he -
- (a) has been convicted by a court of law, whether within Malaysia or elsewhere, of an offence in connection with the promotion, formation or management of a corporation;
 - (b) has been convicted by a court of law, whether within Malaysia or elsewhere, of an offence, involving bribery, fraud or dishonesty or where the conviction involved a finding that he acted fraudulently or dishonestly; or
 - (c) has been convicted by a court of law of an offence under the securities laws or the Companies Act,
- within a period of 5 years from the date of conviction or if sentenced to imprisonment, from the date of release from prison, as the case may be.
- 5.5 Where appropriate, a Sponsor must extend the investigations and assessment specified in paragraph 5.1 above to the following persons:
- (a) each member of the key management when considering the efficacy of the key management as a whole for the Applicant's needs; and
 - (b) the promoters of the Applicant.
- 6.0 Conflict of interests**
- 6.1 A Sponsor must assess all aspects of the Applicant's business to determine whether there is, or is likely to exist, any situation of conflict of interests, including conflicts in relation to the Sponsor's role as a Sponsor to the Applicant.
- 6.2 An Applicant must resolve, eliminate or mitigate all conflicts of interests. The Sponsor must not submit any listing application to the Exchange if there is a conflict of interests which has not been satisfactorily addressed.
- 6.3 An Applicant and its Sponsor must consider the following factors to determine if a conflict of interests arises:

In Example 1 above, listed company A Bhd incurs losses amounting to RM4 million in FYE 1. The shareholders' equity for FYE 1 amounts to RM3 million. The issued and paid-up capital of A Bhd as at FYE 1 is RM 6 million.
