

Day Order

Benefits of Day Order

- **Operation efficiency**

Dealers do not have to re-key in unmatched 1st Session orders from 2:00pm onwards with the intention of carrying forward the order to afternoon session.

- **Order Priority**

Unmatched 1st Session orders will not lose their priorities when they enter the 2nd Session, unless they are modified with increase in order quantity.

Day Order Procedures/Process

Morning Session

Trading Limit
= Previous
Closing Price
x (+/-) 30%

BFE

9:00am

BTS

Order Entry

1:00pm
