The Exchange will determine whether such listed corporation should be considered a Cash Company. A listed corporation considered as a Cash Company by the Exchange will be notified by the Exchange.

(2) A Cash Company must comply with such requirements as may be prescribed by the Exchange, failing which the Exchange may suspend the trading of listed securities of such listed corporation or de-list it, or both.

(3) For the purposes of sub-Rule (1) above, the following apply:

(a) a listed corporation must, as a minimum requirement, make a determination as to whether it triggers the Cash Criterion when it disposes its assets or business on a group basis or prepares its financial statements or accounts; and

Any interest generated by the monies held in the account must accrue to the account. For the purpose of this sub-Rule (4), “custodian” means any of the following who is independent of the Cash Company:

(c) where the provision of financial assistance is to the associated company or the joint arrangement of the listed corporation, and the aggregate amount provided or to be provided at any time to each associated company or joint arrangement compared to the net tangible assets of the group is 5% or more, the listed corporation must issue a circular to its shareholders and seek shareholder approval in a general meeting, of such provision of financial assistance, unless the listed corporation complies with the requirements in sub-Rule (1)(ii) above, in which case, the requirement to issue a circular and seek shareholder approval is dispensed with;

(d) where shareholder approval is required pursuant to sub-Rules (b) or (c) above, the listed corporation must state in its circular, the proposed utilisation of the amount of the financial assistance; and

(e) in addition to the announcement as may be required by the Exchange, the listed corporation must announce the information set out in Appendix 8D in relation to each moneylending company for each quarter of its financial year, if any, not later than 7 market days after the end of each quarter of a financial year.

(2) A listed corporation must appoint at least 1 scrutineer to validate the votes cast at the general meeting. Such scrutineer must not be an officer of the listed corporation or its related corporation, and must be independent of the person undertaking the polling process. If such scrutineer is interested in a resolution to be passed at the general meeting, the scrutineer must refrain from acting as the scrutineer for that resolution. For this purpose, “officer” has the meaning given in section 4 of the Companies Act 1965.

CHAPTER 9 CONTINUING DISCLOSURE

PART A – GENERAL

9.01 Introduction

(1) This Chapter sets out the continuing disclosure requirements that must be complied with, amongst others, by a listed corporation, its directors or advisers.

(2) The disclosure requirements set out in this Chapter consist of the following:

(a) corporate disclosure policy of the Exchange (Parts B to H);
(b) preparation of announcements (Part I);
(c) immediate disclosure requirements (Part J);
(d) periodic disclosure requirements (Part K); and
(e) circulars and other requirements (Part L).

(3) Continuing disclosure is the timely and accurate disclosure of all material information by a listed corporation to the public.

(4) Continuing disclosure ensures a credible and responsible market in which participants conduct themselves with the highest standards of due diligence and investors have access to timely and accurate information to facilitate the evaluation of securities.

PART B – CORPORATE DISCLOSURE POLICY

9.02 Corporate disclosure policy

(1) A listed corporation must, in accordance with these Requirements, disclose to the public all material information necessary for informed investing and take reasonable steps to ensure that all who invest in its securities enjoy equal access to such information.

(2) A listed corporation must adhere to the following 6 specific policies concerning disclosure, which are as follows:

(a) immediate disclosure of material information (Part C);
(b) thorough public dissemination (Part D);
(c) clarification, confirmation or denial of rumours or reports (Part E);
(d) response to unusual market activity (Part F);
(e) unwarranted promotional disclosure activity (Part G); and
(f) insider trading (Part H).
PART C – IMMEDIATE DISCLOSURE OF MATERIAL INFORMATION

9.03 Disclosure of material information

(1) A listed corporation must make immediate public disclosure of any material information, except as set out in Rule 9.05 below.

(2) Information is considered material, if it is reasonably expected to have a material effect on -

(a) the price, value or market activity of any of the listed corporation’s securities; or

(b) the decision of a holder of securities of the listed corporation or an investor in determining his choice of action.

(3) Without limiting the generality of sub-Rule (2) above, material information may include information which -

(a) concerns the listed corporation’s assets and liabilities, business, financial condition or prospects;

(b) relates to dealings with employees, suppliers, customers and others;

(c) relates to any event affecting the present or potential dilution of the rights or interests of the listed corporation’s securities; or

(d) relates to any event materially affecting the size of the public holding of its securities.

9.04 Examples of events which may require immediate disclosure

The following are some examples of events which may require immediate disclosure by the listed corporation:

(a) the entry into a joint venture agreement or merger;

(b) the acquisition or loss of a contract, franchise or distributorship rights;

(c) the introduction of a new product or discovery;

(d) a change in management;

(e) the borrowing of funds;

(f) the commencement of or the involvement in litigation and any material development arising from such litigation;

(g) the commencement of arbitration proceedings or proceedings involving alternative dispute resolution methods and any material development arising from such proceedings;

(h) the purchase or sale of an asset;

(i) a change in capital investment plans;

(j) the occurrence of a labour dispute or disputes with sub-contractors or suppliers;

(k) the making of a tender offer for another corporation’s securities;
(l) [deleted]
(m) a change in the general business direction;
(n) a change of intellectual property rights;
(o) the entry into a memorandum of understanding;
(p) the entry into any call or put option or financial futures contract; or
(q) a change in the business plan of the listed corporation that has been previously disclosed.

9.05 Withholding of material information

(1) A listed corporation may, in exceptional circumstances, temporarily refrain from publicly disclosing material information, provided that complete confidentiality is maintained. Where material information is withheld, the listed corporation must refrain from delaying disclosure for an unreasonable period of time since it is unlikely that confidentiality can be maintained beyond a short period of time.

(2) The exceptional circumstances where disclosures can be withheld are limited and constitute an infrequent exception to the normal requirement of immediate public disclosure. In cases of doubt, the presumption must always be in favour of disclosure.

(3) The following are some exceptional circumstances where disclosure may be temporarily withheld:

(a) when immediate disclosure would prejudice the ability of the listed corporation to pursue its corporate objectives. Public disclosure of a plan to acquire certain real estate for example, could result in an increase in the listed corporation’s cost of the desired acquisition or could prevent the listed corporation from carrying out the plan at all. In such circumstances, if the unfavourable result to the listed corporation outweighs the undesirable consequences of non-disclosure, disclosure may properly be deferred to a more appropriate time;

(b) when the facts are in a state of flux and a more appropriate moment for disclosure is imminent.

 Occasionally, corporate developments give rise to information which, although material, is subject to rapid change. If the situation is about to stabilise or resolve itself in the near future, it may be proper to withhold public announcement until a firm announcement may be made, since successive public announcements concerning the same subject but based on changing facts may confuse or mislead the public rather than enlighten it. In the course of a successful negotiation for the acquisition of another corporation, for example, the only information known to each party at the outset may be the willingness of the other to hold discussions. Shortly after that, it may become apparent to the parties that it is likely an agreement can be reached. Finally, an agreement in principle may be reached on specific terms. In such circumstances a listed corporation need not issue a public announcement at each stage of the negotiations, describing the current state of constantly changing facts but may await agreement in principle on specific terms. If, on the other hand, progress in the negotiations should stabilise at some other point, disclosure should then be made if the information is material; or

(c) where company or securities laws may restrict the extent of permissible disclosure before or during a public offering of securities or a solicitation of proxies.
9.06 Maintaining confidentiality

(1) Whenever material information is being temporarily withheld, a listed corporation must ensure that the strictest confidentiality is maintained.

(2) The listed corporation should limit the number of people with access to the material information and ensure the security of all confidential documents.

(3) Notwithstanding Rule 9.05 above, in the event that material information is or is believed to have been inadvertently disclosed to third parties or where the material information has become generally available through the media or otherwise, the listed corporation must immediately announce the information to the Exchange.

9.07 Monitoring of market activity and making of announcements

During a period where information is withheld, the market activity of the listed corporation’s securities must be closely monitored. The listed corporation must immediately announce the information withheld to the Exchange, in the following circumstances:

(a) unusual market activity in the listed corporation’s securities which signifies that a “leak” of the information may have occurred;

(b) rumours or reports concerning the information have appeared; or

(c) where the listed corporation learns that there are signs that insider trading may be taking place.

PART D – THOROUGH PUBLIC DISSEMINATION

9.08 Thorough public dissemination

(1) A listed corporation must release material information to the public in a manner designed to obtain its fullest possible public dissemination.

(2) A listed corporation must ensure that no disclosure of material information is made on an individual or selective basis to analysts, shareholders, journalists or other persons unless such information has previously been fully disclosed and disseminated to the public. In the event that material information is inadvertently disclosed on the occasion of any meetings with analysts, shareholders, journalists or others, it must be publicly disseminated as promptly as possible.

(3) There may be limited circumstances where selective disclosure of material information is necessary, for example where the listed corporation is undertaking a corporate exercise or to facilitate a due diligence exercise. In such circumstances, the listed corporation must ensure that the disclosure is restricted to only relevant persons and the strictest confidentiality is maintained.

(4) Disclosures of material information can often be made after the market closes. If the disclosure is made immediately before or during trading hours, the Exchange may impose a temporary halt or suspension in trading of the listed corporation’s securities. Such a temporary halt or suspension provides an opportunity for the dissemination and evaluation of the information released.
As at 31 December 2016

(5) Any public disclosure of material information must be made by an announcement first to the Exchange or simultaneously to the Exchange, the press and newswire services. For the avoidance of doubt, a listed corporation must not release any material information to the media even on an embargoed basis until it has given the information to the Exchange.

PART E – CLARIFICATION, CONFIRMATION OR DENIAL OF RUMOURS OR REPORTS

9.09 Clarification, confirmation or denial of rumours or reports

(1) Whenever a listed corporation becomes aware of any rumour or report, true or false, that contains material information, the listed corporation must make due enquiry and immediately publicly clarify, confirm or deny the rumour or report.

(2) For the purpose of sub-Rule (1) above, the listed corporation must publicly clarify any rumour or report which is in any form whatsoever and howsoever including that by word-of-mouth and not limited to an article or otherwise, published in a newspaper, newswire, magazine, a broker’s market report or any other publication.

9.10 Response to rumour or report

(1) In the case of a rumour or report containing erroneous material information which has been circulated, the listed corporation must immediately announce to the Exchange a denial or clarification of the rumour or report and provide facts sufficient to support the denial or to clarify any misleading aspects of the rumour or report. A reasonable effort must be made to bring the announcement to the attention of the particular group that initially distributed it. In the case of an erroneous newspaper article, for example, this should be done by sending a copy of the announcement to the newspaper's financial editor, or in the case of an erroneous broker’s market report, by sending a copy to the broker responsible for the report.

(2) In the case of a rumour or report containing material information that is correct, an announcement setting forth the facts must be prepared for public release, which must include but not be limited to, an indication of the state of negotiations or of corporate plans in the rumoured area. Such announcements are essential even if the matter has yet to be presented to the listed corporation’s board of directors for consideration.

(3) In the case of a rumour or report predicting future sales, earnings or other quantitative data, no response from the listed corporation is ordinarily required. However, if such a report is manifestly based on or contains erroneous information, or is wrongly attributed to the listed corporation, the listed corporation must respond promptly to the supposedly factual elements of the rumour or report as required under Rule 9.09 and this Rule 9.10. In addition, the listed corporation must include in the announcement a statement to the effect that the listed corporation itself has made no such prediction and currently knows of no facts that would justify making such a prediction.

PART F – RESPONSE TO UNUSUAL MARKET ACTIVITY

9.11 Unusual market activity

(1) Where unusual price movement, trading activity, or both (“unusual market activity”) occurs, the listed corporation must immediately undertake a due enquiry to seek the cause of the unusual market activity in its securities. The listed corporation must consider in particular whether there is any information concerning the listed corporation which would account for the unusual market activity that -
(a) has recently been publicly disclosed;

(b) has not been publicly disclosed (in which case the unusual market activity may signify that a “leak” has occurred); or

(c) is the subject matter of a rumour or report.

(2) If the listed corporation determines that the unusual market activity results from material information that has already been publicly disclosed pursuant to these Requirements, generally no further announcement is required, although, if the unusual market activity indicates that such information may have been misinterpreted, the listed corporation must issue a clarifying announcement to the Exchange.

(3) If the unusual market activity results from a “leak” of previously undisclosed information, the information in question must be publicly disclosed by the listed corporation in accordance with these Requirements.

(4) If the unusual market activity results from a rumour or report, the listed corporation must comply with Rules 9.09 and 9.10 above.

(5) Finally, if the listed corporation is unable to determine the cause of the unusual market activity, the listed corporation must announce that there have been no undisclosed developments which would account for the unusual market activity.

PART G – UNWARRANTED PROMOTIONAL DISCLOSURE ACTIVITY

9.12 Promotional disclosure activity

(1) A listed corporation must refrain from promotional disclosure activity in any form whatsoever or howsoever which may mislead investors or cause unwarranted price movement and activity in a listed corporation’s securities.

(2) Such activity includes news releases, public announcements, predictions, reports or advertisements which are -

(a) not justified by actual developments concerning a listed corporation;

(b) exaggerated;

(c) flamboyant;

(d) overstated; or

(e) over-zealous.

9.13 Hallmarks of promotional disclosure activity

Although the distinction between legitimate public relations activities and such promotional disclosure activity is one that must necessarily be drawn from the facts of a particular case, the following are frequent hallmarks of promotional activity:

(a) a series of public announcements unrelated in volume or frequency to the materiality of actual developments concerning a listed corporation;
(b) announcement of products still in the development stage with unproven commercial prospects;

(c) promotions and expense-paid trips, or the seeking out of meetings or interviews with analysts and financial writers, which could have the effect of unduly influencing the market activity in the listed corporation’s securities and are not justified in frequency or scope by the need to disseminate information about actual developments concerning the listed corporation;

(d) press releases or other public announcements of a one-sided or unbalanced nature; and

(e) listed corporation’s or product advertisements which in effect promote the listed corporation’s securities.

PART H – INSIDER TRADING

9.14 Prohibitions under the law

(1) All listed corporations and parties who may be regarded as insiders must be fully aware of the provisions of the CMSA and the Companies Act 1965.

(2) For the purpose of this Part, “insider” has the meaning given under section 188 of the CMSA.

9.15 Prohibition from trading

Insiders must not trade on the basis of material information which is not known to the investing public.

PART I – PREPARATION OF ANNOUNCEMENTS

9.16 Content of press or other public announcement

(1) The content of a press or other public announcement is as important as its timing. A listed corporation must ensure that each announcement -

(a) is factual, clear, unambiguous, accurate, succinct and contains sufficient information to enable investors to make informed investment decisions;

(b) is not false, misleading or deceptive, and does not contain any language which is inflammatory, defamatory or scandalous of another person;

(c) is balanced and fair. Thus, the announcement must avoid amongst others -

(i) the omission of material facts;

(ii) the omission of material unfavourable facts, or the slighting of such facts, (e.g. by “burying” them at the end of a press release);

(iii) the presentation of favourable possibilities as certain, or as more probable than is actually the case;

(iv) the representation with respect to any future performance, occurrence or matter (including the doing of, or the refusing to do, any act) without adequate justification (supported by proper bases and assumptions) or any reasonable grounds for making of such representation;
(v) the presentation of financial estimate, forecast or projection without reasonable bases and assumptions. If any financial estimate, forecast or projection is released, it must be prepared in compliance with Chapters 12 and 13 in Part I, Division 1 of the SC's Prospectus Guidelines in relation to future financial information. In addition, the underlying accounting policies and assumptions of the financial estimate, forecast or projection must be reviewed by the external auditors or reporting accountants, as the case may be, in accordance with Chapters 12 and 13 in Part I, Division 1 of the SC’s Prospectus Guidelines in relation to future financial information, except where the financial estimate, forecast or projection is required to be released on an immediate basis in response to a media report;

(vi) negative statements phrased so as to create a positive implication; e.g. “The company cannot now predict whether the development will have a materially favourable effect on its earnings” (creating the implication that the effect will be favourable even if not materially favourable), or “The company expects that the developments will not have a materially favourable effect on earnings in the immediate future” (creating the implication that the development will eventually have a materially favourable effect); or

(vii) the use of promotional jargon calculated to induce investment or create interest in the securities of the listed corporation rather than to inform;

(d) avoids over-technical language, and is expressed to the extent possible in language comprehensible to the layman;

(e) explains, if the consequences or effects of the information on the listed corporation’s future prospects cannot be assessed, why this is so; and

(f) explains, in relation to an announcement on internal targets, that the information disclosed are merely internal management targets or aspirations set to be achieved by the listed corporation and not a financial estimate, forecast or projection.

(2) Where an adviser is appointed by the listed corporation for preparation or submission of the announcement to the Exchange, such adviser must also comply with sub-Rule (1) above.

(3) A listed corporation or its adviser does not commit a breach of sub-Rules (1) or (2) above, as the case may be, if such person proves that -

(a) he had made all enquiries as were reasonable in the circumstances; and

(b) after making such enquiries, he had reasonable grounds to believe and did believe until the submission of the announcement that the announcement did fulfil the requirements of sub-Rule (1) above.

1.0 Introduction

1.1 The Exchange classifies all applicants seeking admission on the Official List as well as listed corporations into homogenous group (“Sectors”) of a similar industry based on the applicants’ or listed corporations’ core business.

1.2 Pursuant to Bursa Malaysia Securities Berhad ACE Market Listing Requirements (“Listing Requirements”), an applicant is required to propose its classification into any one of the Sectors (“Classification”) and a listed corporation is also required to make a proposal to the Exchange whenever a change to its Classification becomes necessary.

1.3 The Classification proposed by an applicant or a listed corporation shall be subject to the approval of the Exchange. The Exchange reserves the right to classify an applicant or listed corporation into a Sector which in the opinion of the Exchange is more appropriate for the applicant or listed corporation.

1.4 This Guidance Note sets out the following:

(a) the Sectors that are prescribed by the Exchange;

(b) the criteria in determining and proposing the Classification; and

(c) the manner in which an applicant or listed corporation is to inform or notify the Exchange of its proposed Classification or proposal for change in Classification, as the case may be.

2.0 Sectors prescribed by the Exchange

2.1 The Exchange will prescribe the Sectors for all listed corporations, from time to time. The list of Sectors can be obtained from the Exchange’s official website.
2.2 The Exchange reserves the right to vary the list of Sectors or the criteria when determining the Classification of a listed corporation and in that event, a listed corporation would be notified of its new Classification accordingly.

3.0 Classification of listed corporations

3.1 An applicant or a listed corporation must, when filing an application for listing to the Exchange, furnish the Exchange a proposal of its Classification by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange’s official website), together with supporting documents.

3.2 In determining the Classification of the applicant or listed corporation into any one of the Sectors, an applicant or a listed corporation must examine the amount of contribution made by its various business activities for the past 2 years. A listed corporation will be classified into the Sector which most closely fits its source of revenue or if there are several sources of revenue, the business which consistently generates the highest revenue of the listed corporation. The Classification will also be determined based on either the immediate end use of the product or the industry processes used.

3.3 Segmental reporting normally discloses revenue before tax, minority interests, extraordinary items and interest earned or incurred. Unless there is audited evidence that any of these items is specifically attributable to a class of business for which the revenue is disclosed, it will be disregarded in assessing the sources of revenue. Where any part of the listed corporation’s business is to earn interest or incur interest, or interest expenses are central to its business, then such interest shall be taken into account in determining the listed corporation’s business.

3.4 The Exchange will seek to maintain stability in the Classification and will disregard what the Exchange considers to be temporary fluctuations in the fortunes of individual businesses.

4.0 Exchange’s power to require additional information or instruct change in Classification

4.1 The Exchange may, at its discretion, require an applicant or a listed corporation to provide additional information to the Exchange.

4.2 The Exchange may, where the circumstances warrant the same but without assigning any reasons, classify an applicant or change the Classification of a listed corporation into a Sector which, in the opinion of the Exchange, is more appropriate for the applicant or listed corporation.

5.0 Changes to listed corporation’s Classification

5.1 Where there is a significant change in the business direction or policy in a listed corporation, the listed corporation must, upon completion of the relevant corporate exercise, immediately notify the Exchange of the proposal for change in its Classification by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange’s official website), together with supporting documents.

5.2 Where the Classification does not accurately reflect its current core business, the listed corporation must submit to the Exchange a proposal for a change by completing and submitting to the Exchange the Classification/Re-Classification Form (which is available on the Exchange’s official website), together with supporting documents.
5.3 A listed corporation’s Classification may also be reviewed by the Exchange either at its discretion, at the request of the listed corporation pursuant to paragraphs 5.1 and 5.2 above, or of the advisers acting on its behalf.

(b) the requirements that must be complied with by a GN3 Company.

2.0 Criteria

2.1 Pursuant to Rule 8.04(2) of the Listing Requirements, where a listed corporation triggers any one or more of the following Prescribed Criteria, it must comply with the provisions of Rule 8.04 and this Guidance Note:

(a) the shareholders’ equity of the listed corporation is 25% or less of the issued and paid-up capital of the listed corporation;

(b) where the listed corporation has incurred loss in any 1 full financial year commencing on or after its listing, which equal to or exceed the amount of its shareholders’ equity at the end of the said financial year and the shareholders’ equity is equal to or less than 50% of the issued and paid-up capital of the listed corporation at the end of the said financial year;

(i) [deleted]

(j) [deleted]

2.2 For the purposes of this Guidance Note unless the context otherwise requires -

(a) “shareholders’ equity” refers to the equity attributable to the equity holders of the listed corporation;

(b) [deleted]

(c) [deleted]

(d) “issued and paid-up capital” excludes treasury shares;

(e) the determination of whether any one or more of the Prescribed Criteria is fulfilled must be based on the latest audited or unaudited consolidated financial statements of the listed corporation; and

(f) in relation to subparagraphs 2.1(b) and (c) above, “loss” or “losses” refers to the loss or losses attributable to ordinary shareholders of the listed corporation.
2.3 The following example illustrates the application of subparagraph 2.1(b) above:

Example 1

A Bhd

<table>
<thead>
<tr>
<th>Financial Year Ended (FYE)</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>31 December 2xx1 (FYE 1)</td>

</tr>
<tr>
<td>Losses (RM’million)</td>
<td>(4)</td>
</tr>
<tr>
<td>Shareholders’ equity (RM’million)</td>
<td>3</td>
</tr>
<tr>
<td>Issued and Paid-up Capital (RM’ million)</td>
<td>6</td>
</tr>
</tbody>
</table>

In Example 1 above, listed corporation A Bhd incurs losses amounting to RM4 million in FYE 1. The shareholders’ equity for FYE 1 amounts to RM3 million. The issued and paid-up capital of A Bhd as at FYE 1 is RM 6 million.

Since the amount of losses has exceeded the amount of the shareholders’ equity, and the shareholders’ equity is equal to 50% of the issued and paid-up capital of A Bhd, A Bhd has triggered the criteria set out in subparagraph 2.1 (b) above and must therefore comply with the requirements of Rule 8.04 and this Guidance Note.

2.4 The following example illustrates the application of subparagraph 2.1(c) above:

Example 2

B Bhd

<table>
<thead>
<tr>
<th>FYE 31 December 2xx1 (FYE 1)</th>
<th>FYE 31 December 2xx2 (FYE 2)</th>

</tr>
<tr>
<td>Shareholders’ equity (RM’million)</td>
<td>7</td>
</tr>
<tr>
<td>Issued and paid-up capital (RM’ million)</td>
<td>9</td>
</tr>
</tbody>
</table>

In Example 2 above, listed corporation B Bhd incurs losses amounting to RM2 million in FYE 1. The shareholders’ equity for FYE 1 amounts to RM7 million.

In the following financial year, FYE 2, B Bhd incurs losses amounting to RM3 million, whilst the shareholders’ equity amounts to RM4 million.

The issued and paid-up capital for both FYE1 and FYE 2 of B Bhd is RM 9 million.

The aggregated losses incurred by B Bhd in both FYE 1 and FYE 2 amount to RM5 million, which in absolute terms exceed the amount of the shareholders’ equity for FYE 2 of RM4 million. In addition, the amount of losses incurred in FYE 2 is 50% more than the amount of losses incurred in FYE 1 and the shareholders’ equity is less than 50% of the issued and paid-up capital of B Bhd as at FYE 2.
As such, B Bhd has triggered the criteria set out in subparagraph 2.1 (c) above and must therefore comply with the requirements of Rule 8.04 and this Guidance Note.

1.0 Introduction

1.1 Rule 8.25 of the Listing Requirements provides that a listed corporation or its subsidiaries not listed on any stock exchange may lend or advance any money, or guarantee, indemnify or provide collateral for a debt ("provision of financial assistance") to categories of persons set out in Rule 8.25(1)(i) to (iii). One of the categories of persons is the following:

"(ii) persons to whom the provision of financial assistance -

(aa) is necessary to facilitate the ordinary course of business of the listed corporation or its subsidiaries; or

(bb) pursuant to the ordinary course of business of the listed corporation or its subsidiaries,

such as the provision of advances to its sub-contractors or advances made to clients in the ordinary course of its moneylending business;"

1.2 This Guidance Note sets out the following:

(a) clarification of certain requirements under Rule 8.25 of the Listing Requirements ("Requirements"); and

(b) the disclosure obligations of a listed corporation in providing financial assistance pursuant to Rule 8.25(1)(ii) of the Listing Requirements.

1.3 This Guidance Note must be read in conjunction with Rule 8.25 of the Listing Requirements.

2.0 Clarification on Requirements

2.1 The following clarifications apply for the purpose of Rule 8.25(1)(ii) of the Listing Requirements:
2.1.1 Ordinary course of business

A transaction in the "ordinary course of business" means a transaction which would reasonably be expected to be carried out by the listed corporation and its subsidiaries given the particular business the listed corporation and its subsidiaries are involved in. The fact that the transaction is envisaged in the memorandum of association of the listed corporation and its subsidiaries is not a conclusive factor of determination.

As an example, in respect of a listed corporation involved in manufacturing activities ("Manufacturing Company"), the following transactions, which are by no means exhaustive, are considered to be in the ordinary course of business of the Manufacturing Company:

(a) the purchase of materials and supplies for its manufacturing activities;
(b) the sale of products either directly or through appointed distributors;
(c) the purchase and/or lease of machines, equipment, vehicles and spares for its operations and office supplies;
(d) the treatment and disposal of waste from its plants; and
(e) the construction of plant and/or other infrastructure facilities for its operations.

2.1.2 Necessary to facilitate

In determining what constitutes "necessary to facilitate the ordinary course of business", the listed corporation must take into account whether the provision of financial assistance is essential to the listed corporation or its subsidiaries entering into, proceeding with and/or completing a transaction to the extent that if such financial assistance were not rendered, it would result in the listed corporation or its subsidiaries being unable to enter into, proceed with and/or complete such transaction.

Examples of what is necessary to facilitate the ordinary course of business, which is by no means exhaustive, are as follows:

(a) provision of corporate guarantee or performance bond to a third party in favour of a main contractor in order for a listed corporation to secure work as a sub-contractor; and
(b) provision of advances or collateral to or in favour of sub-contractors of the listed corporation to enable them to commence and/or complete the work for the listed corporation.

2.2 Subscription to or acquisition of debt securities and/or redeemable preference shares which are regulated by any written law and are subject to supervision by the SC, Bank Negara Malaysia or an equivalent foreign regulatory authority as the Exchange deems appropriate, by a listed corporation or its subsidiaries not listed on any stock exchange, are not considered as provision of financial assistance within Rule 8.25 of the Listing Requirements. However, where such subscription or acquisition is a related party transaction, the listed corporation must comply with Rule 10.08 of the Listing Requirements.
3.0 Disclosure obligations

3.1 A listed corporation must announce the financial assistance rendered or made by the said listed corporation or its subsidiaries not listed on any stock exchange pursuant to Rule 8.25(1)(ii) of the Listing Requirements for each quarter of its financial year, if any, simultaneously with its quarterly report pursuant to Rule 9.22 of the Listing Requirements and in any event not later than 2 months after the end of each quarter of a financial year. The listed corporation must include in its announcement the information set out in Annexure GN4-A.

3.2 Paragraph 3.1 above does not apply to provision of financial assistance in respect of the business of share financing, share margin financing or hire purchase carried out by a listed corporation or its subsidiaries not listed on any stock exchange in the ordinary course of business, or such other similar business that may be determined by the Exchange.

3.3 Where a listed corporation and/or its subsidiary lends or advances money in the ordinary course of its business as a moneylender pursuant to Rule 8.25(1)(ii) of the Listing Requirements, the listed corporation must include in its announcement referred to in paragraph 3.1 above the information prescribed under Appendix 8D of the Listing Requirements.
ANNEXURE GN4-A

Contents of announcement in relation to provision of financial assistance
(paragraph 3.1)

(1) The aggregate amount of financial assistance provided during the reporting quarter by type (i.e. advances, guarantees etc).

(2) The financial impact of the financial assistance provided, on the listed corporation as a group.

RESEARCH REPORT

1.0 Introduction

1.1 Pursuant to Rule 10.12 of the Listing Requirements, the Exchange may aggregate separate transactions and treat such transactions as if they were one transaction in certain circumstances (“Rule of Aggregation”).

1.2 This Guidance Note sets out the consideration which the Exchange takes into account when applying the Rule of Aggregation.

2.0 Principles of aggregation

2.1 The Exchange generally considers the following principles in applying the Rule of Aggregation:

(a) a transaction will be aggregated with an earlier transaction for the purpose of determining the obligations applicable in respect of the latest transaction except in the following circumstances:

(i) a transaction that has been announced earlier pursuant to Chapter 10 of the Listing Requirements, will not be aggregated with the latest transaction when determining whether an announcement is required; and

(ii) a transaction which has been approved by shareholders or which was the subject of aggregation with a transaction which has been approved by shareholders pursuant to Chapter 10 of the Listing Requirements, will not be aggregated with the latest transaction when determining whether any obligations are applicable; and

(b) if the aggregation of transactions results in a requirement for shareholder approval under Chapter 10 of the Listing Requirements, then that approval is required only for the latest transaction. The earlier transaction(s) would only require disclosure in the circular, which must include the information prescribed under the Listing Requirements.
Illustration 1:

Facts:

Listed corporation, Z Bhd started to conduct business with a non-related party, Mr B in 2005. The transactions entered into between Z Bhd and Mr B during the year are as follows:

<table>
<thead>
<tr>
<th>Transactions</th>
<th>Date of Transactions</th>
<th>Relevant Percentage Ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>Transaction 1</td>
<td>January 2005</td>
<td>1%</td>
</tr>
<tr>
<td>Transaction 2</td>
<td>February 2005</td>
<td>4%</td>
</tr>
<tr>
<td>Transaction 3</td>
<td>Early March 2005</td>
<td>1%</td>
</tr>
<tr>
<td>Transaction 4</td>
<td>End March 2005</td>
<td>5%</td>
</tr>
<tr>
<td>Transaction 5</td>
<td>April 2005</td>
<td>6%</td>
</tr>
<tr>
<td>Transaction 6</td>
<td>November 2005</td>
<td>10%</td>
</tr>
</tbody>
</table>

Based on the above facts, the application of the principles set out in subparagraphs (a) and (b) above is as follows:

(i) Transaction 2 will be aggregated with Transaction 1 to determine the obligations that are applicable. As the aggregate percentage ratio of Transactions 1 and 2 is 5%, Transaction 2 must be announced pursuant to Rule 10.06 of the Listing Requirements. The announcement must include information on Transaction 1 which must include the information set out in Appendix 10A of the Listing Requirements;

(ii) Transactions 1 and 2 will be aggregated with Transaction 3 to determine the obligations that are applicable. However, for the purposes of determining whether an announcement is required, Transactions 1 and 2 will be excluded from aggregation with Transaction 3 as they have already been announced. As the percentage ratio of Transaction 3 is only 1%, no announcement is required. As the aggregate percentage ratio for Transactions 1 to 3 is 6%, no other obligation is triggered;

(iii) Transaction 4 will be aggregated with Transactions 1 to 3 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 and 2 will be excluded from aggregation with Transaction 4 as they have already been announced. As the aggregate percentage ratio for Transactions 3 and 4 is 6%, an announcement is required. The announcement must include information on Transaction 3 which must include the information set out in Appendix 10A of the Listing Requirements. As the aggregate percentage ratio of Transactions 1 to 4 is 11%, no other obligation is triggered;

(iv) Transaction 5 will be aggregated with Transactions 1 to 4 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 to 4 will be excluded from aggregation with Transaction 5 as they have all been announced. As the percentage ratio for Transaction 5 is 6%, Transaction 5 on its own requires an announcement; and

(v) Transaction 6 will be aggregated with Transactions 1 to 5 to determine the obligations that are applicable. However, for purposes of determining whether an announcement is required, Transactions 1 to 5 will be excluded from aggregation with Transaction 6 as they have all been announced. As the percentage ratio for Transaction 6 is 10%, Transaction 6 on its own requires
As the aggregate percentage ratio for Transactions 1 to 6 is 27%, shareholders’ approval is required in respect of the latest transaction i.e. Transaction 6. In this respect, information on Transactions 1, 2, 3, 4 and 5 must be included in the circular issued which must include the information set out in Appendix 10B of the Listing Requirements.

Illustration 2:

Facts:

In addition to the facts set out in Illustration 1, Z Bhd entered into Transaction 7 with Mr B in December 2005. In this case, shareholder approval had been sought for Transaction 6 in November 2005.

Based on the above facts and the application of the principles set out in subparagraph (a) above, Transactions 1 to 6 will be excluded from aggregation with Transaction 7 for purposes of determining whether any obligation is triggered as they have all been announced and shareholder approval has been sought for Transaction 6 based on aggregation with Transactions 1 to 5.

Illustration 3:

Facts:

Listed corporation A Bhd entered into the following transactions with a related party, Mdm Y in 2005:

<table>
<thead>
<tr>
<th>Transactions</th>
<th>Date of Transactions</th>
<th>Relevant Percentage Ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>Transaction 1</td>
<td>February 2005</td>
<td>3%</td>
</tr>
<tr>
<td>Transaction 2</td>
<td>April 2005</td>
<td>2%</td>
</tr>
</tbody>
</table>

Based on the above and applying the principles set out in subparagraphs (a) and (b), Transaction 2 will be aggregated with Transaction 1 thus requiring Transaction 2 to comply with Rule 10.08(2) of the Listing Requirements. In this respect, information on Transaction 1 must be included in the circular issued which must include the information prescribed under Appendix 10B and Part A of Appendix 10D of the Listing Requirements.

<table>
<thead>
<tr>
<th>Transactions</th>
<th>Date of Transactions</th>
<th>Relevant Percentage Ratio</th>
</tr>
</thead>
<tbody>
<tr>
<td>Transaction 3</td>
<td>October 2005</td>
<td>3%</td>
</tr>
</tbody>
</table>

In this case, the parties subsequently entered into Transaction 3 in October 2005. Transaction 3 will not be aggregated with Transactions 1 and 2 as shareholder approval for Transaction 2 has been obtained based on aggregation with Transaction 1. Transaction 3 on its own must be announced pursuant to Rule 10.08(1) of the Listing Requirements.
1.0 Introduction

1.1 Rule 10.08 of the Listing Requirements stipulates the obligations that a listed corporation must comply with in relation to a related party transaction.

1.2 Rule 10.08 must be read together with Rule 10.09 of the Listing Requirements which is in relation to a Recurrent Related Party Transaction.

1.3 This Guidance Note sets out the following:

(a) clarification of the disclosure obligations in relation to Recurrent Related Party Transactions;

(b) clarification of the application of Rules 10.08 and 10.09 of the Listing Requirements to Recurrent Related Party Transactions ("Requirements"); and

(c) the additional information required for the circular and announcement referred to under Rules 10.09(2)(c) and 10.09(2)(e) of the Listing Requirements respectively.

1.4 This Guidance Note must be read in conjunction with the Listing Requirements.

1.5 For the purpose of this Guidance Note, a "listed corporation" includes the listed corporation's subsidiaries.

2.0 Application of Rules 10.08 and 10.09 of the Listing Requirements to Recurrent Related Party Transactions

2.1 In addition to the obligation to immediately announce a related party transaction, Rule 10.08(2) of the Listing Requirements states that where any one of the percentage ratios of a related party transaction is 5% or more, a listed corporation must engage the services of a Sponsor or Adviser, as the case may be, appoint an independent adviser, issue a circular to its shareholders and obtain specific shareholder approval of the transaction.
2.2 However, pursuant to Rule 10.09 of the Listing Requirements, a listed corporation is allowed to obtain a mandate from its shareholders in respect of Recurrent Related Party Transactions ("Mandate").

2.3 Where a listed corporation has obtained a Mandate in respect of any Recurrent Related Party Transactions, the requirements of Rule 10.08 of the Listing Requirements will not apply to the Recurrent Related Party Transactions which are comprised in the Mandate. This means, during the period of validity of the Mandate, the disclosure obligation as set out in Rule 10.09(1) of the Listing Requirements, as well as the obligation to procure shareholder approval as set out under Rule 10.08 of the Listing Requirements will not apply to the Recurrent Related Party Transactions which are comprised in the Mandate.

2.4 However, pursuant to Rule 10.09(2)(e) of the Listing Requirements, a listed corporation is required to immediately announce to the Exchange when the actual value of a Recurrent Related Party Transaction entered into by the listed corporation exceeds the estimated value of the Recurrent Related Party Transaction disclosed in the circular by 10% or more.

3.0 Clarification on the Requirements

3.1 A listed corporation that wishes to obtain a Mandate must comply with all the requirements as set out under Rule 10.09 of the Listing Requirements. This paragraph sets out the clarification in relation to the following requirements stipulated under Rule 10.09(2):

3.1.1 Recurrent Related Party Transactions

In this respect, the frequency or regularity of the transaction has to be considered. A transaction which has been made or will be made by the listed corporation at least once in 3 years in the course of its business will be considered recurrent.

3.1.2 Revenue nature necessary for day-to-day operations

In this respect, a related party transaction of a revenue nature which is necessary for day-to-day operations must either contribute directly or indirectly to the generation of revenue for the listed corporation. As an example, in the case of an information technology corporation, the following transactions, which are by no means exhaustive, are considered to be of a revenue nature:

(a) the purchase and sale of computer peripherals, accessories and components such as data storage products (e.g. micro floppy discs, audio and videotape) and optical data storage media (e.g. compact discs);
(b) the appointment of third parties to sell its products;
(c) the purchase of insurance policies for its properties, assets and employees;
(d) the purchase of office supplies; and
(e) the provision of storage and other infrastructure facilities.
3.1.3 In the ordinary course of business

A related party transaction is in the ordinary course of business, if it is a transaction which would reasonably be expected to be carried out by the listed corporation given the type of business the listed corporation is involved in.

The fact that the transaction is envisaged in the memorandum of association of the listed corporation will not be a conclusive factor of determination. As an example, in respect of a listed corporation involved in activities relating to information technology, the following transactions, which are by no means exhaustive, are considered to be in the ordinary course of business of the listed corporation:

(a) the purchase of raw materials and supplies for its business;
(b) rental of office space for its operations;
(c) payment of insurance premium for coverage of corporation assets, staff and projects;
(d) the purchase and maintenance of computers for corporation or project use; and
(e) the requisition of management, secretarial, internal audit and other support services for its business.

3.1.4 Annual renewal

The Mandate is subject to annual renewal. In this respect, any authority conferred by a Mandate will only continue to be in force until:

(a) the conclusion of the first annual general meeting of the listed corporation following the general meeting at which such Mandate was passed, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
(b) the expiration of the period within which the next annual general meeting after the date it is required to be held pursuant to section 143(1) of the Companies Act, 1965 (“CA”) (but will not extend to such extension as may be allowed pursuant to section 143(2) of CA); or
(c) revoked or varied by resolution passed by the shareholders in general meeting,

whichever is the earlier.

3.1.5 Annual report

In making the disclosure of the aggregate value of Recurrent Related Party Transactions conducted pursuant to the Mandate in a listed corporation’s annual report, a listed corporation must provide a breakdown of the aggregate value of the Recurrent Related Party Transactions made during the financial year, amongst others, based on the following information:
(a) the type of the Recurrent Related Party Transactions made; and

(b) the names of the related parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the listed corporation.

3.2 Notwithstanding the clarifications above, the following are not regarded as Recurrent Related Party Transactions and as such the Mandate does not apply:

(a) the acquisition or disposal of land or land-based property except in circumstances set out in paragraph 3.3(a) below;

(b) the acquisition or disposal of vessels, air crafts and plants;

(c) the entry into a lease of -
   (i) a property for a period exceeding 3 years; or
   (ii) such other assets,

which involve payments of rental or such consideration on a lump sum basis (i.e. other than on an equal pro-rated monthly or annual instalments);

(d) the provision of financial assistance pursuant to Rule 8.25 of the Listing Requirements;

(e) the acquisition or disposal of securities except in the circumstances set out in paragraph 3.3(b) below;

(f) the entry into joint ventures;

(g) the grant or exercise of an option in relation to matters set out in subparagraphs (a), (b), (c) and (e) above; and

(h) such other transactions as may be determined by the Exchange from time to time.

3.3 Notwithstanding paragraph 3.2 of this Guidance Note -

(a) a listed corporation classified under the Exchange's property sector may procure a Mandate for acquisition or disposal of land or land-based property provided that the transaction is a Recurrent Related Party Transaction and any one of the percentage ratios is not more than 10%; and

(b) a listed corporation under Rule 9.20(2)(a) and (c) of the Listing Requirements may procure a Mandate for acquisition or disposal of securities which is a Recurrent Related Party Transaction.

3.4 Notwithstanding paragraph 3.2(d) above and subject to Rule 10.09 of the Listing Requirements and the other provisions of this Guidance Note, a listed corporation may obtain a Mandate in respect of the following Recurrent Related Party Transactions:

(a) the pooling of funds within the listed corporation's group of companies via a centralised treasury management function or such similar arrangements which entails the provision of financial assistance by the listed corporation, its subsidiaries not listed on any stock exchange or both, on a short or medium term basis provided that -
(i) the listed corporation in seeking such a mandate in accordance with Rules 8.25 and 10.09 of the Listing Requirements, must include in its circular, in addition to such other information as prescribed under the Listing Requirements, the estimated amounts or value of financial assistance ("Estimate"); and

(ii) notwithstanding Rule 10.09(2)(e) of the Listing Requirements, if the actual amount of financial assistance provided or rendered exceeds the Estimate, the listed corporation must immediately announce the same to the Exchange. If the percentage ratio of the amount of financial assistance provided or rendered in excess of the Estimate is 5% or more, the listed corporation must comply with Rule 10.08 of the Listing Requirements.

For purposes of this paragraph -

(aa) "short or medium term basis" means for a duration not exceeding 3 years; and

(bb) "group of companies" means the subsidiaries, associated companies of the listed corporation and the listed corporation's immediate holding company which is listed.

(b) provision of guarantee, indemnity or such other collateral to or in favour of another person which is necessary in order to procure a contract or secure work from the other person or to enable the other person to commence and/or complete a contract or work for the listed corporation or its subsidiaries.

(c) provision of financial assistance in respect of the business of -

(i) leasing, factoring or hire purchase carried out by a listed corporation or its subsidiaries not listed on any stock exchange; or

(ii) share financing or share margin financing carried out by a listed corporation or its subsidiaries not listed on any stock exchange which is a Participating Organisation; or

(iii) such other similar business that may be determined by the Exchange.

[End of Annexure]
1.0 Introduction

1.1 A director who is appointed to act as an “independent director” of an applicant or a listed corporation must satisfy the definition of “independent director” set out in Rule 1.01 of the Listing Requirements (“said definition”). The said definition reads as follows:

“independent director” means a director who is independent of management and free from any business or other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interests of an applicant or listed corporation. Without limiting the generality of the foregoing, an independent director is one who -

(a) is not an executive director of the applicant, listed corporation or any related corporation of such applicant or listed corporation (each corporation is referred to as “said Corporation”);

(b) has not been within the last 2 years and is not an officer (except as a non-executive director) of the said Corporation. For this purpose, “officer” has the meaning given in section 4 of the Companies Act 1965;

(c) is not a major shareholder of the said Corporation;

(d) is not a family member of any executive director, officer or major shareholder of the said Corporation;

(e) is not acting as a nominee or representative of any executive director or major shareholder of the said Corporation (this paragraph is referred to as “paragraph (e)’’);

(f) has not been engaged as an adviser by the said Corporation under such circumstances as prescribed by the Exchange or is not presently a partner, director (except as an independent director) or major shareholder, as the case may be, of a firm or corporation which provides professional advisory services to the said Corporation under such circumstances as prescribed by the Exchange (this paragraph is referred to as “paragraph (f)’’); or
(g) has not engaged in any transaction with the said Corporation under such circumstances as prescribed by the Exchange or is not presently a partner, director or major shareholder, as the case may be, of a firm or corporation (other than subsidiaries of the applicant or the listed corporation) which has engaged in any transaction with the said Corporation under such circumstances as prescribed by the Exchange (this paragraph is referred to as “paragraph (g)”).

1.2 Pursuant to Rule 9.27 of the Listing Requirements, the director or person primarily responsible for the financial management of the listed corporation, as the case may be, who signs the statutory declaration pursuant to section 169(16) of the Companies Act 1965 (“signatory”) must satisfy the requirements prescribed in that section (“requisite qualifications”).

1.3 Further, Rule 15.09 of the Listing Requirements also states that at least 1 member of the audit committee must satisfy the requisite qualifications (“said audit committee member”).

1.4 [Deleted].

1.5 [Deleted].

1.6 This Guidance Note clarifies the following:

(a) certain aspects of the said definition; and

(b) the requisite qualifications in relation to the signatory and the said audit committee member.

(c) [deleted].

I. INDEPENDENCE OF DIRECTORS

2.0 General

2.1 Directors must give effect to the spirit, intention and purpose of the said definition. If a person does not fall within any of paragraphs (a) to (g) of the said definition, it does not mean that the person will automatically qualify to be an independent director. The director concerned as well as the board of directors of the applicant or listed corporation must still apply the test of whether the said director is able to exercise independent judgement and act in the best interests of the applicant or listed corporation as set out in the said definition.

2.2 Paragraphs 3.0 to 5.0 of this Guidance Note must be read in conjunction with the said definition.

3.0 Paragraph (e)

3.1 “Nominee” as used in paragraph (e) means a person who has been designated to act for another in his or her place. It denotes a person who is accustomed, or is under an obligation, whether formal or informal to act in accordance with the directions, instructions or wishes of another person.
3.2 A nominee or representative of major shareholders who fulfils all requirements of the definition of “independent director” except for the said paragraph (e), may nevertheless be considered as an “independent director” if -

(a) the major shareholder’s aggregate shareholding in the said Corporation, directly or indirectly, is not more than 15% of the issued and paid-up capital (excluding treasury shares) of the said Corporation;

(b) the major shareholder is not deemed to be a promoter of the said Corporation; and

(c) the major shareholder is either -

(i) a statutory institution who is managing funds belonging to the general public; or

(ii) an entity established as a collective investment scheme, such as closed-end funds, unit trusts or investment funds (but excluding investment holding corporations).

4.0 Paragraph (f)

4.1 In relation to paragraph (f), a person who is proposed to be or is an independent director (“said Director”) is disqualified from being an independent director if he –

(a) had personally provided professional advisory services to the said Corporation within the last 2 years; or

(b) is presently a partner, director (except as an independent director) or major shareholder, of a firm or corporation (“Entity”) which has provided professional advisory services to the said Corporation within the last 2 years, and the consideration in aggregate is more than 5% of the gross revenue on a consolidated basis (where applicable) of the said Director or the Entity, or RM1 million, whichever is the higher.

4.2 For the purposes of paragraph 4.1 above, the following applies:

(a) where the Entity is a corporation, the computation of the gross revenue of the Entity must be based on its annual audited financial statements for the last 2 financial years; and

(b) where the service is rendered by the said Director personally or by an Entity which is other than a corporation, the computation of the gross revenue must be based on the income tax returns of the said Director or the Entity, as the case may be, submitted to the Inland Revenue Board for the last 2 years.

5.0 Paragraph (g)

5.1 In relation to paragraph (g), the said Director is disqualified from being an independent director if he –

(a) had engaged personally in transactions with the said Corporation (other than for board service as a non-executive director) within the last 2 years; or
(b) is presently a partner, director, a major shareholder, of an Entity (other than subsidiaries of the applicant or listed corporation) which has engaged in transactions with the said Corporation within the last 2 years,

and the consideration in aggregate exceeds 5% of the gross revenue on a consolidated basis (where applicable) of the said Director or the Entity, or RM1 million, whichever is the higher.

5.2 However, “transactions” in paragraph 5.1 above excludes transactions -

(a) on normal commercial terms entered into between the said Corporation and the said Director or between the said Corporation and an Entity where the said Director is also a director, major shareholder or partner -

(i) for personal use of the said Director; or

(ii) for personal investment of the said Director but not for the purpose of carrying on a trade or business;

(b) on normal commercial terms entered into between the said Corporation and an Entity where the said Director is also a director (and not a major shareholder) but is not involved in the said transactions;

(c) for the following goods and services, provided that they are sold or rendered based on a non-negotiable fixed price or rate, which is published or publicly quoted and the material terms including the prices or charges are applied consistently to all customers or classes of customers:

(i) provision or usage of public utility services such as water, electricity and telecommunications and data, postal or courier services, services by licensed persons as defined under the Financial Services Act 2013 (other than professional advisory services which are subject to paragraph 4.1 above), insurance, unit trusts, stockbroking services, public transport, education, medical services, provision or usage of tolled highways, hotel facilities and recreational services, provision or consumption of fuel on retail or food and beverage at eateries, provision or purchase of goods at retail outlets such as supermarkets, hypermarkets or departmental stores; and

(ii) such other types of goods or services that may be prescribed by the Exchange from time to time.

5.3 For the purposes of paragraph 5.1 above, the following applies:

(a) where the Entity is a corporation, the computation of the gross revenue of the Entity must be based on its annual audited financial statements for the last 2 financial years;

(b) where the transaction is entered into by the said Director personally or by an Entity which is other than a corporation, the computation of the gross revenue must be based on the income tax returns of the said Director or the Entity, as the case may be, submitted to the Inland Revenue Board for the last 2 years.
II. REQUISITE QUALIFICATIONS FOR THE SIGNATORY AND THE SAID AUDIT COMMITTEE MEMBER

6.0 General

6.1 Paragraph 7.0 of this Guidance Note must be read in conjunction with Rules 9.27 and 15.09 of the Listing Requirements.

7.0 Requisite qualifications

7.1 For the purposes of Rules 9.27(c) and 15.09(1)(c)(iii) of the Listing Requirements, it is prescribed that the following qualifications are also acceptable:

(a) either one of the following qualifications and at least 3 years’ post qualification experience in accounting or finance:

   (i) a degree/masters/doctorate in accounting or finance; or

   (ii) a member of any professional accountancy organisation which has been admitted as a full member of the International Federation of Accountants;

or

(b) at least 7 years’ experience being a chief financial officer of a corporation or having the function of being primarily responsible for the management of the financial affairs of a corporation.

III. RESTRICTION IN NUMBER OF DIRECTORSHIPS

[Deleted].
1.0 Introduction

1.1 This Guidance Note prescribes the requirements of the Exchange in relation to training programmes that must be attended by directors of a listed corporation or an applicant seeking listing on the Official List of the Exchange ("Directors") in compliance with the Listing Requirements.

1.2 Pursuant to Rule 15.08 of the Listing Requirements, Directors must attend training programmes that are prescribed by the Exchange from time to time.

1.3 The Exchange has prescribed that Directors attend the Mandatory Accreditation Programme ("MAP") under Rule 15.08 of the Listing Requirements.

2.0 Mandatory Accreditation Programme ("MAP")

2.1 The MAP is organised by such body corporate as may be approved by the Exchange ("Approved Organiser").

2.2 A Director must comply with the following requirements in relation to the MAP:

(a) a Director must attend the MAP in full and procure a certificate from the Approved Organiser to confirm his completion of the MAP;

(b) a Director must complete the MAP within the time set out in the table below:

<table>
<thead>
<tr>
<th>No.</th>
<th>Director</th>
<th>Timeframe to Complete MAP</th>
</tr>
</thead>
<tbody>
<tr>
<td>(i)</td>
<td>A Director who is appointed for the first time as a director of a listed corporation</td>
<td>Within 4 months from the date of appointment</td>
</tr>
<tr>
<td>(ii)</td>
<td>A Director of an applicant seeking listing on the Official List of the Exchange</td>
<td>Within 4 months from the date of listing of the applicant unless the Director falls within the category set out in subparagraph (i) above in which case the period in subparagraph (i) applies</td>
</tr>
</tbody>
</table>
(c) unless otherwise stipulated by the Exchange, only a Director who has been issued a certificate by the Approved Organiser for completion of the MAP within the timeframes stipulated in subparagraph (b) above or such other timeframe as may be allowed by the Exchange will be deemed to have completed the MAP.

2.3 The course content and duration of the MAP may be varied by the Approved Organiser with the approval of the Exchange at any time deemed necessary. A Director who has already been issued with a certificate for completing the MAP or any part of the MAP before the date of variation will not be affected by the variation.

3.0 Duty of listed corporations

3.1 Listed corporations must notify their directors of the requirement to attend the MAP.
1.0 Introduction

1.1 Rule 15.25 of the Listing Requirements provides that a listed corporation must include in its annual report, a narrative statement of its corporate governance practices ("Corporate Governance Statement") with reference to the Malaysian Code on Corporate Governance 2012 ("Code"). In making the Corporate Governance Statement, the listed corporation must include the following information:

(a) how the listed corporation has applied the Principles set out in the Code ("Principles") to its particular circumstances, having regard to the Recommendations stated under each Principle ("Recommendations"); and

(b) any Recommendation which the listed corporation has not followed, together with the reasons for not following it and the alternatives adopted by the listed corporation, if any.

1.2 Rule 15.26(b) of the Listing Requirements requires a listed corporation to ensure that its board of directors make a statement in its annual report about the state of risk management and internal control of the listed corporation as a group ("Risk Management and Internal Control Statement").

1.3 This Guidance Note clarifies the obligation of the listed corporations in making the Corporate Governance Statement and the Risk Management and Internal Control Statement.

2.0 Location of the Corporate Governance Statement and the Risk Management and Internal Control Statement in the annual report

2.1 A listed corporation may combine both the Corporate Governance Statement and the Risk Management and Internal Control Statement (both statements are collectively referred to as "said Statements").
2.2 A listed corporation must set out the said Statements prominently and clearly in its annual report. The said Statements must not be incorporated into the management discussion and analysis’ statement in the annual report as referred to in paragraph 8 of Appendix 9C of the Listing Requirements.

3.0 Contents of the Corporate Governance Statement

General

3.1 A listed corporation must be mindful that the purpose of the Corporate Governance Statement is to give shareholders a meaningful description or discussion of its corporate governance practices, rather than just complying with provisions of the Listing Requirements. Therefore, a listed corporation must ensure that the Corporate Governance Statement contains adequate information to enable an informed assessment by shareholders of its corporate governance practices.

3.2 In disclosing the application of each Principle, a listed corporation must ensure that it has regard to the Recommendations stated under the Principle. If the listed corporation has not followed any of the Recommendations, it must deal with them individually, give reasons for not following them and state the alternatives adopted, if any.

3.2A In explaining the reasons for not following any of the Recommendations, a listed corporation must not use compliance with the requirements under the Listing Requirements as a reason justifying the departure from the Recommendations (in areas where both the Listing Requirements and the Code govern the same subject matter). The listed corporation must still explain the reasons for not following the Recommendations, and state the alternatives adopted, if any.

3.3 In assessing whether a Recommendation is followed, a listed corporation must have regard to the commentaries set out in the Code which provide guidance to the listed corporation in implementing the Recommendation (“Commentaries”).

3.4 A listed corporation must also ensure that the Corporate Governance Statement covers its corporate governance practices for the whole financial year. If a practice had been in place for only part of the financial year, the listed corporation must state so and the period during which it had been in place.

3.5 If a listed corporation has not followed any Recommendation for a certain part of the financial year, but –

(a) intends to take steps or has taken steps to follow such Recommendation; or

(b) intends to establish or has established an alternative approach,

such listed corporation should make a statement to that effect.

3.6 [Deleted].
Additional considerations

3.7 In making the Corporate Governance Statement, a listed corporation must also consider the following:

(a) Treat the Corporate Governance Statement as a tool to communicate effectively with shareholders and the investing public and describe the actual governance practices in a coherent and concise manner, whilst ensuring adherence to the spirit of the Code.

*Note: Ask the following questions:*

(i) *Is the listed corporation addressing the right issues?*

(ii) *Is the listed corporation reporting the issues clearly?*

(iii) *Is the listed corporation linking the issues coherently?*

(iv) *Is there any information that has been missed out?*

(b) Ensure that key messages on governance are clearly set out and avoid compliance box-ticking or boilerplate statements. The listed corporation must avoid taking a mechanical or legalistic approach in making the Corporate Governance Statement. For example, the listed corporation should not merely -

(i) list down those Principles which have been applied or Recommendations which have been followed; or

(ii) state the process and procedures without further elaboration on how such processes and procedures have been applied during the financial year.

(c) Report how the Principles have been applied, based on the listed corporation’s actual corporate governance practices having regard to its particular circumstances and business. The listed corporation must avoid -

(i) reporting in form over substance; or

(ii) vague or general statements without any real connection to the listed corporation’s situation.

(d) Provide a balanced report by describing key issues and incidences of failure, and explaining how the issues were managed, actions that were taken to remedy the failures and lessons learnt.

(e) Ensure that the information is easy to understand. This can be achieved by using simple, plain everyday language and avoiding legalistic or technical terms.

(f) Use the listed corporation’s website to add depth to the governance reporting and keep shareholders updated throughout the year. Avoid cluttering the Corporate Governance Statement with static information such as policies, charters and codes that have not changed, or long convoluted write-ups, so that the key information and messages are not lost in the volume of data presented. Where possible, publish such static information on the listed corporation’s website.
4.0 Contents of the Risk Management and Internal Control Statement

4.1 In making the Risk Management and Internal Control Statement, a listed corporation is required to address the Principle, Recommendation and Commentary in the Code which relate to internal control, namely the following:

(a) Principle 6 of the Code on recognizing and managing risks which reads as follows:

“The board should establish a sound risk management framework and internal control system.”

(b) Recommendation 6.1 read together with the Commentary of the Code which states as follows:

“The board should establish a sound framework to manage risks.

Commentary:

- The board should determine the company’s level of risk tolerance and actively identify, assess and monitor key business risks to safeguard shareholders’ investments and the company’s assets.

- Internal controls are important for risk management and the board should be committed to articulating, implementing and reviewing the company’s internal controls system.

- Periodic testing of the effectiveness and efficiency of the internal controls procedures and processes must be conducted to ensure that the system is viable and robust.

- The board should disclose in the annual report the main features of the company’s risk management framework and internal controls system.”

4.2 In making the Risk Management and Internal Control Statement, a listed corporation should be guided by the Statement on Risk Management and Internal Control: Guidelines for Directors of Listed Issuers which is issued by the Taskforce on Internal Control with the support and endorsement of the Exchange.

4.3 A listed corporation must ensure that the Risk Management and Internal Control Statement contains adequate information to enable an informed assessment of its state of internal control.

5.0 The said Statements

5.1 The said Statements must clearly identify the board of directors of the listed corporation as the party which is making the statements.
1.0 Introduction

1.1 Suspension in the trading of securities ("suspension") may be effected under any of the circumstances set out in Rules 16.02 and 16.03 of the Listing Requirements.

1.2 Suspensions may be effected at the request of the listed corporation or imposed by the Exchange independently of any such request subject to the relevant requirements set out in this Guidance Note.

1.3 This Guidance Note clarifies the operational procedures in respect of a request for suspension made by listed corporations.

2.0 Form and information for a request for suspension

2.1 Any request for suspension must be made in writing and in the form of Annexure GN12-A. In addition, a listed corporation must provide to the Exchange any other information as may be requested by the Exchange.

2.2 The request for suspension must be signed by a member of the listed corporation’s senior management such as the company secretary, managing director or chief executive who is duly empowered to do so by the board of directors of the listed corporation.

2.3 The Exchange will only consider a request for suspension where the information requested pursuant to paragraph 2.1 above has been fully and completely provided.

3.0 Situations which may warrant suspension

3.1 The Exchange may approve a listed corporation’s request for suspension where -

(a) the listed corporation requires time to prepare and release an announcement relating to a material transaction, such as -

(i) a very substantial transaction as defined in Chapter 10 of the Listing Requirements;
(ii) a significant change in the business direction or policy of a listed corporation; or

(iii) any other corporate exercise which the Exchange considers to be material;

(b) where the listed corporation intends to -

(i) make a material announcement, including one that falls within paragraph 3.2 below (“Very Material Announcement”); or

(ii) hold a press conference to make a Very Material Announcement,

before the close of trading; or

(c) any other reason which, in the opinion of the Exchange, justifies a suspension.

3.2 Without limiting the above, an announcement relating to any of the following matters will be regarded as a Very Material Announcement -

(a) an interim financial report;

(b) a bonus issue or fund raising exercise;

(c) a transaction as defined under Rule 10.02(j) of the Listing Requirements, where the percentage ratio calculated in accordance with Chapter 10 of the Listing Requirements is 25% or more;

(d) a notice of take-over being served on a listed corporation which the public has no prior knowledge of; or

(e) any other corporate exercise.

3.3 A listed corporation should not request for a suspension if it relates to a corporate exercise where the facts are still in a state of flux and no disclosure can yet be made.

4.0 Suspension period and announcement timeframe

4.1 If the Exchange grants a suspension for any of the reasons stated in paragraph 3.1 above, the period of suspension that may be approved by the Exchange is -

(a) up to 3 market days only where the reason for suspension falls within the ambit of paragraph 3.1(a);

(b) up to 1 market day only where the reason for suspension falls within the ambit of paragraph 3.1(b); and

(c) such other period as deemed appropriate by the Exchange where the reason for suspension falls within the ambit of paragraph 3.1(c).

4.2 For the purposes of computation of the period of suspension –

(a) if a suspension is effected at 9.00 a.m., the day the suspension is effected will be counted as 1 market day; or
(b) if a suspension is effected after 9.00 a.m., the day suspension is effected will not be counted as 1 market day of suspension.

5.0 Announcements

5.1 If a suspension is granted by the Exchange under paragraph 3.1(a), the listed corporation must announce the relevant information to the Exchange on or before the expiry of the period of suspension that is approved by the Exchange pursuant to paragraph 4.1 above.

5.2 If a suspension is granted by the Exchange under paragraph 3.1(b), the listed corporation must announce the relevant information to the Exchange on the day suspension is requested to take effect.

5.3 If a suspension is granted by the Exchange under paragraph 3.1(c), the listed corporation must announce the relevant information to the Exchange on such date as may be specified by the Exchange.

6.0 Suspension

6.1 A listed corporation should submit its request for suspension at least 1 hour before the time suspension is requested to commence. For the purpose of this paragraph, the “1 hour” means any 1 hour between 9 a.m. to 1 p.m. and 2 p.m. to 5.30 p.m.

6.2 Where the Exchange decides to allow a suspension, such suspension will be imposed immediately upon the decision being made, even if it may be before the date or time suspension is requested to commence.

6.3 If the Exchange considers that the reasons given in support of a request for suspension do not warrant a suspension -

(a) the Exchange will inform the listed corporation; and

(b) the Exchange may at its discretion, require a listed corporation to announce sufficient information to enable an investor to make an informed decision, as soon as practicable or within a time prescribed by the Exchange, which in any event will not be longer than 1 market day from notification.

7.0 Illustration

7.1 The following are illustrations of the application of paragraphs 6.1 and 6.2:

(a) If A Bhd intends to have its securities suspended at 9.00 a.m. on Monday, it should submit its request for suspension by 4.30 p.m. on the previous Friday.

(b) Where the submission is made on Friday and the Exchange decides on Friday to allow the suspension, suspension will be effected immediately on Friday itself (if at that time, the trading session has not yet ended).

(c) However, pursuant to paragraph 4.2(b), the Exchange will not take into account the suspension effected on Friday when computing the period of suspension.

1.1 This Guidance Note prescribes -

(a) the information that listed corporations must include in -

(i) an application to the Exchange for acceptance of a lower percentage of public shareholding spread pursuant to Rule 8.02(1) of the Listing Requirements; and

(ii) an application to the Exchange for an extension of time to rectify the public shareholding spread; and

(b) the disclosure requirements in the event a listed corporation -

(i) fails to comply with the required public shareholding spread; and

(ii) triggers a suspension pursuant to Rules 16.02(1) and (2) of the Listing Requirements.

2.0 Application for acceptance of a lower percentage of public shareholding spread

2.1 Rule 8.02(1) of the Listing Requirements provides that a listed corporation must ensure that at least 25% of its total listed shares (excluding treasury shares) or such lower percentage of shareholding spread as may be allowed by the Exchange are in the hands of public shareholders ("Required Public Shareholding Spread").

2.2 The Exchange may, on the application by a listed corporation, accept a percentage lower than 25% of the total number of listed shares (excluding treasury shares) if it is satisfied that such lower percentage is sufficient for a liquid market in such shares ("Acceptance of Lower Spread").
2.3 In this respect, a listed corporation which proposes to apply for Acceptance of Lower Spread must include the following information in its application:

(a) its issued and paid-up capital;
(b) the number of public shareholders;
(c) the percentage of public shareholding spread;
(d) a statement as to whether the public shareholding spread includes a substantial shareholder who is deemed as “public” pursuant to Rule 1.01 of the Listing Requirements ("Shareholder") and if yes, the following details in relation to such Shareholder:
   (i) name; and
   (ii) shareholdings in the listed corporation;
(e) the average market capitalisation based on the daily closing price of the listed corporation’s shares during the last 12-month period;

3.3 After the Non-Compliance Announcement, a listed corporation which does not comply with the Required Public Shareholding Spread must announce the status of its efforts to comply with the Required Shareholding Spread ("Status Announcement"). The listed corporation must make the Status Announcement for each quarter of its financial year simultaneously with the quarterly reports and in any event, not later than 2 months after the end of each quarter of a financial year.

3.4 The listed corporation must include the following information in the Status Announcement:

4.1 Pursuant to Rule 8.02(4) of the Listing Requirements, a listed corporation which does not comply with the Required Public Shareholding Spread may apply to the Exchange for an extension of time to rectify its public shareholding spread.

(c) the date suspension will be effected (i.e. the market day immediately following the expiry of 30 market days from the date of the immediate announcement);

1.0 Introduction

1.1 Pursuant to Rule 16.04 of the Listing Requirements, a trading halt may be imposed on the listed corporation's securities by the Exchange upon release of a material announcement by the listed corporation before or during trading hours.

1.2 The purpose of trading halt is to enable dissemination of the material information disclosed and facilitate the evaluation of such information.

1.3 This Guidance Note sets out the following:

(a) the types of material announcements which may warrant trading halt; and

(b) the periods of trading halt.

1.4 Nothing in this Guidance Note will be read to restrict the powers of the Exchange to suspend the trading of the listed corporation’s securities pursuant to Rule 16.02 of the Listing Requirements.

(e) a declaration of a dividend or distribution;
(f) a change in the controlling shareholder of the listed corporation;

(g) a notice of take-over being served on a listed corporation;

(h) commencement of winding-up proceedings against the listed corporation or any of its subsidiaries or major associated companies;

(i) rejection of the corporate proposals previously announced by the shareholders or regulatory authorities;

(j) the financial estimate, forecast, projection or internal targets of the listed corporation and any circumstances or development which are likely to materially affect the results or outcome of the same;

(k) any clarifying announcement pursuant to Chapter 9 of the Listing Requirements including the response to a rumour or report or unusual market activity; or

(l) any other announcements which the Exchange considers material pursuant to Rule 9.03(2) of the Listing Requirements.

3.2 Notwithstanding paragraph 3.1, the Exchange may, at its discretion, suspend the trading of the listed corporation’s securities for the entire day or such period as the Exchange deems it appropriate.

3.3 For the avoidance of doubt, the periods of trading halt as stated in this Guidance Note are not applicable to the securities of a listed corporation suspended pursuant to a request for suspension under Rule 16.03 of the Listing Requirements and Guidance Note 12. Hence, the securities of a listed corporation which are suspended will not be requoted on the same day of the release of the relevant announcement.

Roles and Responsibilities of Sponsors

1.0 Introduction

1.1 The ACE Market of Bursa Malaysia Berhad (Bursa Malaysia) is a growth market designed to provide a suitable platform for Malaysian companies with the potential to raise funds and become listed on the主板 in Malaysia.

1.2 This Guidance Note aims to provide guidelines on the roles and responsibilities of sponsors in respect of the listing of applicants on the ACE Market.

2.0 Listing Requirements

2.1 Applicants must meet the Listing Requirements of Bursa Malaysia, as set out in Bursa Malaysia's Listing Requirements for Companies (Main Board) and the relevant guidelines and rules issued by Bursa Malaysia.

3.0 Assessment of Applicants

3.1 A Sponsor should assess an Applicant on the following criteria:

(a) the business is likely to succeed;
(b) the business has potential for profitable operations and wealth creation;
(c) the Applicant has adequate resources to realise its potential; and
(d) the Applicant has a sustainable position in the industry having regard to its competitiveness, availability of alternative products or services, government policies and incentives, and the economy.

3.2 Generally, a Sponsor should not regard an Applicant as being suitable for listing if -

(a) the Applicant’s business is loss making;
(b) the Applicant’s business shows declining profits which may raise doubt on its potential; or
(c) the Applicant suffers from low profitability and without any growth in financial results, unless the Sponsor is able to demonstrate to the Exchange that -

(i) the Applicant is an innovative company involved either in technology-based business activities or research and development;
(ii) the Applicant has taken steps to improve its financial performance; or
(iii) the Applicant has a strategy to revive its business in the future, and there are acceptable justifications on the prospects of the Applicant’s business.

(c) analyse any issue arising from these review or investigations and in particular on how they can affect the appropriateness and suitability of the Applicant’s listing; and

(d) consider each director’s suitability and experience in relation to their (proposed) role in ensuring an effective operation of the Applicant’s business and consider whether each (proposed) director is suitable to be a director of a Malaysian public listed corporation.

5.2 In considering each (proposed) director’s suitability and experience provided under paragraph 5.1(d) above, the Sponsor must be satisfied that the (proposed) directors of the Applicant individually and collectively have the experience, qualifications and competence to manage the Applicant’s business and comply with the Listing Requirements and other legal or regulatory requirements relevant to their roles.

5.4 A Sponsor must also investigate into the past corporate conduct of the (proposed) directors of an Applicant to determine their integrity. A Sponsor must be satisfied that in compliance with paragraph 5.3 above, no person is appointed or allowed to act as a director of the Applicant or be involved whether directly or indirectly in the management of the Applicant, including acting in an advisory capacity in relation to the Applicant, if he -

5.5 Where appropriate, a Sponsor must extend the investigations and assessment specified in paragraph 5.1 above to the following persons:

(b) the promoters of the Applicant.

6.2 An Applicant must resolve, eliminate or mitigate all conflicts of interests. The Sponsor must not submit any listing application to the Exchange if there is a conflict of interests which has not been satisfactorily addressed.

6.3 An Applicant and its Sponsor must consider the following factors to determine if a conflict of interests arises:

(d) whether any interested person is otherwise engaged in an activity which detracts time and commitment from managing the Applicant or its subsidiary company(ies); and

(e) whether the conflict is significant in relation to the nature, scale and complexity of the businesses of the Applicant or its subsidiary company(ies).

6.4 A Sponsor must ensure that all trade debts exceeding the normal credit period and all non-trade debts, owing by the interested persons to the Applicant or its subsidiary company(ies), are fully settled before the Applicant’s listing on the Official List.

6.5 An Applicant and its Sponsor must declare the following in the listing application:

Example – Weighted Average of Capital for financial year ended 31 December 2xx1

<table>
<thead>
<tr>
<th>Issued and Paid-up Capital (RM)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 January 2xx1 Balance 10,000,000</td>

<tr>

</tr>
<tr>
<td>1 Dec 2xx1 Issue of 3,000,000 new shares for cash 18,000,000</td>
</tr>
</tbody>
</table>

Computation of weighted average:

\[(10,000,000 \times 151/365) + (15,000,000 \times 183/365) + (18,000,000 \times 31/365)\]

2.3 The following example shall illustrate the application of subparagraph 2.1(b) above:-

</tr>
<tr>
<td>Shareholders’ equity (RM’million)</td>
<td>3</td>
</tr>
<tr>
<td>Issued and Paid-up Capital (RM’ million)</td>
<td>6</td>
</tr>
</tbody>
</table>

In Example 1 above, listed company A Bhd incurs losses amounting to RM4 million in FYE 1. The shareholders’ equity for FYE 1 amounts to RM3 million. The issued and paid-up capital of A Bhd as at FYE 1 is RM 6 million.

Since the amount of losses has exceeded the amount of the shareholders’ equity, and the shareholders’ equity is equal to 50% of the issued and paid-up capital of A Bhd, A Bhd has triggered the criteria set out in subparagraph 2.1 (b) above and must therefore comply with the requirements of Rule 8.16 and this Guidance Note.

2.4 The following example shall illustrate the application of subparagraph 2.1© above:-

Example 2

B Bhd

</tr>
<tr>
<td>Issued and paid-up capital (RM’million)</td>
<td>9</td>
<td>9</td>
</tr>

In the following financial year, FYE 2, B Bhd incurs losses amounting to RM3 million, whilst the shareholders’ equity amounts to RM4 million.
