PART DC – UNDERLYING FINANCIAL INSTRUMENT

5.03 Underlying financial instrument listed on the Exchange

- (1) Where the underlying financial instrument of structured warrants is shares or an exchange-traded fund listed on the Exchange, an issuer must ensure that the underlying corporation or exchange-traded fund has an average daily market capitalisation (excluding treasury shares) of at least -
- (a) RM1 billion in the past 3 months ending on the last market day of the calendar month immediately preceding the date of issue; or
 - (b) RM3 billion for newly listed corporations or exchange-traded funds that do not meet the 3 month market capitalisation track record.
- (2) In the case of an issue of structured warrants where the underlying financial instrument is shares, an issuer must ensure that the underlying corporation is in compliance with the Exchange's public shareholding spread requirement.

5.04 Underlying financial instrument listed outside Malaysia

Where the underlying financial instrument of the structured warrants is shares or an exchange-traded fund listed on a securities exchange outside Malaysia, an issuer must ensure that the underlying financial instrument satisfies the following criteria:

- (a) The underlying corporation or exchange-traded fund is listed on a securities exchange which is a member of the World Federation of Exchanges or is approved by the Exchange;
- (b) The underlying corporation or exchange-traded fund must have an average daily market capitalisation equivalent to at least -
 - (i) RM3 billion in the past 3 months ending on the last market day of the calendar month immediately preceding the date of issue; or
 - (ii) RM5 billion for newly listed corporations or exchange-traded fund that does not meet the 3 month market capitalisation track record;
- (c) The underlying corporation or exchange-traded fund must be in compliance with the listing rules and requirements of its home exchange at the date of issue; and

- (d) Information on the price, volume, financial information and price-sensitive information relating to the underlying corporation or exchange-traded fund must be available to investors in Malaysia.

5.05 Index as underlying financial instrument

- (1) Where the underlying financial instrument of the structured warrants is an index, an issuer must ensure that the index is either based on the Exchange or if it is based on a securities exchange outside Malaysia, it is approved by the Exchange; and
- (2) Where the index is based on a securities exchange outside Malaysia, information on its composition and performance must be made available to investors in Malaysia.

5.06 Underlying financial instrument for put warrants

- (1) Subject to compliance with paragraphs 5.03, 5.04 and 5.05 above, an issuer may issue put warrants based on an underlying financial instrument which is -
- (a) shares or an exchange-traded fund listed on the Exchange or a securities exchange outside Malaysia; or
- (b) an index, which composition and performance is based on the Exchange or a securities exchange outside Malaysia.;
- (2) When an issuer issues put warrants based on underlying shares which are listed on the Exchange, the issuer must ensure that the underlying shares are part of the Approved Securities unless the said put warrant is issued together with a call warrant with the same underlying shares.

5.07 Acceptable securities exchange outside Malaysia

Where the underlying financial instrument of the structured warrants is listed on a securities exchange outside Malaysia, in determining whether the securities exchange is acceptable, the Exchange will consider among others, the following:

- (a) The market is regulated in a fair and orderly manner by the government or properly constituted body pursuant to a body of laws, regulations or rules which are broadly based;
- (b) Quality of the reporting and timeliness of the disclosure of information on price, volume, financial information and price-sensitive information; and
- (c) The availability of price information to investors in Malaysia.

5.08 Acceptable index

Where the underlying financial instrument of the structured warrants is an index, in determining whether the index is acceptable, the Exchange will consider among others, whether the index –

- (a) is broadly based;
- (b) has transparent components; and
- (c) is a recognised benchmark.

PART CD – ADMISSION**5.035.09 Admission**

- (1) The Exchange will exercise discretion over the admission and continued listing of structured warrants on its Official List and may approve or reject applications for listing, as it deems fit.
- (2) The Exchange may also approve applications for listing unconditionally or subject to such conditions, as it deems fit.
- (3) An issuer applying to admit a structured warrant issue must comply with the relevant listing procedures and requirements as may be prescribed by the Exchange.

[Cross reference: Practice Note 20A27]

- (4) An issuer must submit its listing application to the Exchange for the issue of structured warrants through an eligible broker. However, where the issuers themselves are eligible brokers or licensed institutions approved by Bank Negara Malaysia, they may submit the proposals on their own behalf.

5.045.10 Approval from other authorities

- (1) An issuer seeking a listing of its structured warrants on the Official List must fulfill the eligibility criteria prescribed by the SC.
- (2) In addition, an issuer must first obtain approval(s) from the ~~Commission and~~ other -relevant authorities (where applicable) before listing and quotation of any structured warrants will be considered by the Exchange.

5.075.11 Holders of structured warrants

- (1) An issuer must ensure that, upon initial listing, the structured warrants for which listing is sought are in the hands of a minimum -
 - (a) 100 warrant holders holding not less than 1 board lot of warrants each; or
 - (b) 50 warrant holders holding not less than 1 board lot each provided that each of these warrant holders subscribe for a minimum of RM100,000 of warrants each.
- (2) The requirements in subparagraph (1) above do not apply to –
 - (a) an issuer of bull equity-linked structures; or
 - (b) an issuer who provides liquidity for the structured warrant issue via market making in accordance with paragraph 5.08-5.12 below.

5.085.12 Market making

An issuer intending to provide liquidity via market making must appoint only 1 Market Maker or be the Market Maker if it wishes to undertake the market making activities itself.

PART E – TERMS AND CONDITIONS**5.13 Maximum issue size**

- (1) For structured warrants where settlement is –

(a) by way of physical delivery; and

(b) the underlying financial instrument is shares or an exchange-traded fund listed on the Exchange.

the aggregate outstanding collateralised and non-collateralised structured warrants issued at any one time must not exceed 20% of the share capital of the underlying corporation or the fund size of the exchange-traded fund.

(2) For the purpose of this paragraph, the aggregate outstanding collateralised and non-collateralised structured warrants issued include those already issued by third-party issuers on the same underlying shares that are still outstanding (unexercised and unexpired).

(3) When computing the size of a structured warrant issue, an issuer must not include the company warrants issued by the underlying corporation.

5.065.14 Minimum issue size

An issuer must ensure that each issue of structured warrants is for a total face amount of not less than RM5 million.

5.055.15 Tenure of issue

An issuer must ensure that the expiry date of the structured warrants :-

- (a) in relation to call and put warrants, is not earlier than 6 months and no later than 5 years from the date of issue; and
- (b) in relation to bull equity-linked structures, is not earlier than 28 days and no later than 2 years from the date of issue.

5.16 Take-over, Liquidation, Dissolution and Winding Up

The terms and conditions of each issue of structured warrant must specify the rights of the warrant holders in the event of –

- (a) a take-over, merger, liquidation, dissolution or winding-up of the underlying corporation or issuer;
- (b) a scheme of arrangement involving the shareholders of the underlying corporation or issuer;
- (c) winding-up of the underlying exchange-traded fund; or
- (d) any other circumstances having a similar effect on the rights of warrant holders to any of the above events.

5.1517 Adjustment

Where an issuer proposes an adjustment to the terms of the structured warrants arising from the following (collectively referred to as “**Corporate Proposals**”):

- (a) a corporate exercise undertaken by the underlying corporation or the issuer of the underlying financial instrument, for example a consolidation, bonus or rights issue; or
- (b) any event which has a dilutive or concentrative or other effect on the theoretical value of the underlying financial instruments,

the issuer may only adjust the exercise price, conversion ratio of its structured warrants, or both.

PART ~~DE~~ - TRUST DEED/DEED POLL**5.095.18 Contents of trust deed or deed poll**

- (1) An issuer must ensure that the trust deed or deed poll governing an issue of structured warrants includes the various provisions set out in Appendix 5A.
- (2) An issuer must furnish to the Exchange a letter of compliance pursuant to paragraph 2.12 together with the trust deed or deed poll and a checklist showing compliance with Appendix 5A.

PART G – TRADING**5.19 Minimum issue price**

The minimum issue price for a structured warrants issue must be RM0.15 per warrant.

5.20 Board lot

- (1) Trading of structured warrants must be in a board lot comprising 100 units or any other number of securities permitted by the Rules of the Exchange.
- (2) Structured warrants based on an index must be issued in board lots of 100 warrants.

5.21 Conversion Ratio

For the purpose of exercising structured warrants where settlement is by way of delivery of the underlying shares, the conversion ratio must be as follows:

- (a) 1 structured warrant for 1 share;
- (b) 10 structured warrants for 1 share; or
- (c) Such other ratio as the Exchange may approve, provided it will convert to a whole number of a board lot of the underlying shares.

5.22 Exercise Style

- (1) Other than bull equity-linked structures, the right of the structured warrant holders must be exercisable in American style, European style or such other style as the Exchange may approve.
- (2) For bull equity-linked structures, the right is only exercisable in European style.

PART H – SETTLEMENT OF STRUCTURED WARRANTS**5.23 Mode of settlement**

- (1) An issuer must settle a structured warrants issue either -
 - (a) by way of delivery of the underlying shares or units of the exchange traded fund; or
 - (b) in cash.
- (2) The issuer must specify the mode of settlement clearly in the terms and conditions of the structured warrants issue.

(3) Subject to subparagraph (4) below, upon exercise by warrant holders or at the expiry date of a structured warrant issue, an issuer does not have the option to elect for an alternative mode of settlement.

(4) Notwithstanding subparagraph (3) above, where –

(a) the mode of settlement is by way of delivery of underlying shares or units of the exchange traded fund; and

(b) the warrant holders receive odd lots of shares upon exercise of the structured warrants or at expiry date,

the issuer must settle the said odd lots in cash.

5.24 Settlement by cash only

(1) An issuer must settle a structured warrants issue in cash if the underlying financial instrument is –

(a) shares or an exchange-traded fund listed on a securities exchange outside Malaysia;
or

(b) an index.

(2) An issuer must specify the settlement by way of cash clearly in the terms and conditions of the structured warrants issue.

5.25 Settlement of bull equity-linked structures

Subject to paragraph 5.24, in relation to a settlement of bull equity-linked structures, the terms and conditions of the issue must clearly specify that the holders will receive on settlement date –

(a) a predetermined amount in the form of cash if the closing price of the underlying shares on expiry date is at or above the strike price; or

(b) delivery of underlying shares or an amount in the form of cash if the closing price of the underlying shares is below the strike price on expiry date. In this event, the cash will be calculated by reference to the value of those underlying shares.

5.26 Calculation of settlement price when settled by way of cash

(1) Where settlement of a structured warrant issue is in the form of cash, an issuer must specify in the terms and condition of the structured warrants issue, the method of calculation in determining the settlement price, as described below.

(a) Where the underlying financial instrument is shares or an exchange-traded fund, the settlement price will be calculated using one of the following methods -

(i) the volume weighted average price;

(ii) the average closing price; or

(iii) the closing price of the underlying share or exchange-traded fund on the market day immediately before the exercise or expiry date;

(b) Where the underlying financial instrument is an index, the settlement price must be calculated using one of the following methods:

- (i) the closing level of the underlying index on the market day immediately before the exercise or expiry date; or
 - (ii) the final settlement price for settling the corresponding index futures contract on the expiry date; or
 - (iii) the average of the closing levels of the underlying index for the 5 market days prior to and including the market day immediately before the exercise or expiry date.
- (2) For the purpose of subparagraph (1) above, the volume weighted average price or the average closing price of the underlying shares or exchange traded fund will be computed based on 5 market days immediately before the exercise or expiry date of the structured warrants, subject to any adjustment as may be necessary to reflect any capitalisation, rights issue, distribution or others.

5.27 Settlement price for American style structured warrants

- (1) Subject to subparagraph (2), for American style structured warrants, in addition to the methods of calculating the settlement price set out in paragraph 5.26, the following calculation method may be used:
- (a) where the structured warrant is exercised before 12.30 p.m., the settlement price must be calculated using -
 - (i) the closing price of the underlying share or exchange-traded fund; or
 - (ii) the closing level of the underlying index,where applicable, on the day that the structured warrant is exercised; and
 - (b) where the structured warrant is exercised on or after 12.30 p.m., the settlement price must be calculated using -
 - (i) the closing price of the underlying share or exchange-traded fund; or
 - (ii) the closing level of the underlying index,where applicable, on the next day after the day when the structured warrant is exercised;.
- (2) An issuer may only use the additional calculation method set out in subparagraph (1) if -
- (a) it has specified the same in the terms and condition of the structured warrants issue; and
 - (b) the structured warrants are exercised before the expiry date,

5.28 Automatic settlement in cash

Where the settlement of the structured warrants issue is in the form of cash, an issuer must ensure that the terms and conditions of the structured warrants issue provide for automatic settlement (i.e. whereby warrant holders are not required to serve a notice of exercise to the issuer) if the call and put warrants expire in-the-money.

PART E – FURTHER ISSUE**5.1029 Further Issue**

- (1) An issuer may apply to list a further issue of its structured warrants ("**Further Issue**") which forms part of the existing listed series of the structured warrants ("**Existing Issue**"), subject to the following conditions:
 - (a) the Further Issue is for the purpose of facilitating market making;
 - (b) the terms and conditions of the Existing Issue either permit the Further Issue or have been properly amended to give the issuer the right to issue and list one or more Further Issues;
 - (c) the terms and conditions of the Further Issue and the Existing Issue must be identical except for the size and tenure of the issue; and
 - (d) the issuer holds no more than 50% of the Existing Issue at the time of application for the Further Issue.
- (2) An issuer may retain up to 100% of the Further Issue at the date of listing of the Further Issue.
- ~~(3)~~ For the avoidance of doubt, the requirements under paragraphs ~~5.055.14~~, ~~and 5.065.15 and 5.19~~ are not applicable to a Further issue.

5.1130 Listing application for Further Issue

An issuer must comply with the relevant listing procedures and requirements for the listing of Further Issue as may be prescribed by the Exchange.

[Cross reference: Practice Note ~~20A27~~]

PART H-J – ISSUE OF BASKET WARRANTS**5.31 Basket warrants**

Basket warrants are call or put warrants that are issued on a basket of 2 or more underlying shares.

5.32 Issuance of basket warrants

An issuer may issue basket warrants subject to the relevant terms and conditions applicable to the issue of structured warrants set out in this Chapter, with the following additional requirements:

- (a) For fully-collateralised issue of basket call warrants, the settlement may either be by way of delivery of the underlying shares or cash settlement; and
- (b) For non-collateralised issue of basket call or put warrants, the settlement must be by way of cash settlement only.

PART EK - CONTINUING LISTING OBLIGATIONS**5.1233 Obligation to retain a Market Maker**

- (1) An issuer who provides liquidity for structured warrants via market making must ensure that the market making obligations, whether performed by itself or by another party, are performed -
- (a) in accordance with the Rules of the Exchange; and
 - (b) as disclosed in the prospectus in relation to the minimum presence, spread and quantity requirements of the structured warrants.
- (2) For the avoidance of doubt, an issuer which has fulfilled the requirements in paragraph 5.075.11(1) above may also provide liquidity for its structured warrants via market making. In such instance, the issuer must also ensure that the Market Maker and market making activities comply with subparagraph (1) above.

5.1334 Submission of financial statements

- (1) Subject to subparagraph (2) below, an issuer must announce its unaudited/audited financial statements covering the profit and loss position and the balance sheet position on a consolidated basis within 3 months after the close of the half year of the issuer's financial year ("**Due Date**"), or such period as may be approved by the Exchange. The issuer must ensure that the financial statement states whether there is any abnormal circumstance that has affected or will affect the business and financial position of the issuer.
- (2) This obligation does not apply to an issuer of bull equity-linked structures with a expiry date which takes place before the Due Date.
- (3) An issuer must immediately announce to the Exchange full details of any financial information which the issuer discloses to the public.

5.1435 Submission of periodic information

- (1) Subject to subparagraph (2) below, an issuer must announce to the Exchange the following information, within the timeframes stipulated in subparagraph (2) below.
- (a) the number of structured warrants exercised during the relevant timeframe;
 - (b) the cumulative number of structured warrants exercised to date; and
 - (c) the number of structured warrants outstanding.
- (2) The timeframes referred to in subparagraph (1) above are -

	Expiry date of Structured Warrants	Timeframes for Announcement
(a)	28 days	On a weekly basis, on the first market day of the week.
(b)	More than 28 days but 6 months or less	On a fortnightly basis, on the first market day of the week.
(c)	More than 6 months	On a monthly basis, within the first 5 market days of the month.

-
- (3) Subparagraph (1) above does not apply to structured warrants exercisable in an European style.
 - (4) If an issuer provides liquidity via a market making, the issuer must announce the following information within the first 5 market days of every month:
 - (a) stock short name;
 - (b) stock code;
 - (c) number of structured warrants bought and the volume weighted average price of structured warrants bought in the preceding month;
 - (d) number of structured warrants sold and the volume weighted average price of structured warrants sold in the preceding month;
 - (e) number of outstanding structured warrants in the market and the percentage of the same; and
 - (f) total issue size.
 - (5) An issuer must also announce the number of structured warrants not held by the issuer or its Market Maker and the percentage of the same, on a quarterly basis.

5.1636 Notice of expiry

- (1) An issuer of structured warrants must prepare and announce a notice of expiry stating the expiry date of the structured warrants and treatment of the structured warrants which are not exercised, within the following timeframes, as may be applicable:
 - (a) where the structured warrants have an expiry date of 28 days but not more than 6 months - 2 weeks before the expiry date; or
 - (b) in respect of structured warrants other than those referred to in subparagraph (a) above - not less than 1 month before the expiry date.
- (2) In addition to subparagraph (1) above, an issuer of structured warrants without an automatic exercise feature must also despatch the above notice of expiry to its structured warrant holders.

5.1737 Director's undertaking

An issuer of listed structured warrants must ensure that every director of the issuer gives the Exchange immediately after his appointment, and in any event not later than 14 days after the appointment, an undertaking in a form as may be prescribed by the Exchange.

[Cross reference: Annexure PN27-D of Practice Note [20A27](#)]

5.1838 Allotment of securities, despatch of notices of allotment for exercise and cash payment

Within 7 market days of the date a notice of exercise is received by the issuer together with the requisite payment (if any), or the expiry date, as the case may be, or such other period as may be prescribed by the Exchange :-

- (a) where settlement of the structured warrants is by way of delivery of the underlying shares, an issuer must :-

- (i) cause the securities to be credited into the securities accounts of the structured warrants holders; and
- (ii) despatch notices of allotment to the structured warrants holders; and
- (b) where settlement of the structured warrants is by way of cash payment, an issuer must make the payment to the structured warrants holders.

5.1939 Full exercise before expiry

Where a structured warrant has been fully exercised before expiry, an issuer is required to immediately notify the Exchange of the full exercise.

5.2040 Issuers incorporated in a jurisdiction outside Malaysia

- (1) In relation to an issuer incorporated in a jurisdiction outside Malaysia which has been approved by the ~~Commission~~SC to issue non-collateralised call warrants, such an issuer must comply with the following provisions:
 - (a) paragraph 4A.03
 - (b) paragraph 4A.09;
 - (c) paragraph 4A.10;
 - (d) paragraph 4A.15;
 - (e) paragraph 4A.16; and
 - (f) paragraph 9.34.
- (2) For the purpose of this paragraph, all references to foreign corporation in subparagraphs (1)(a) to (e) above and all references to listed issuer in paragraph 9.34 mean an issuer incorporated in a jurisdiction outside Malaysia.

5.2141 Request for suspension, resumption of trading or withdrawal of listing

Where the underlying corporation or the underlying financial instrument is listed on a securities exchange outside Malaysia, the issuer must immediately request for a suspension, resumption in trading or withdrawal of listing, as the case may be if –

- (a) the underlying corporation or issuer of the underlying financial instrument announces that it has requested a suspension, resumption in trading or withdrawal of listing on the securities exchange; or
- (b) the suspension, resumption in trading or withdrawal is imposed or effected by the relevant securities exchange.

5.2242 Other continuing obligations

Apart from Chapters 1, 2 and 16, the other Chapters of these Requirements are not applicable to an issuer of structured warrants.

PART FL - ANNOUNCEMENTS**5.2343 Announcement relating to adjustment to structured warrants**

-
- (1) Where an issuer proposes an adjustment to the terms of the structured warrants arising from a Corporate Proposal defined in paragraph 5.4517 above, the issuer must, not later than 3 market days from the date of announcement of the Corporate Proposal by the underlying corporation or the issuer of the underlying financial instrument, announce to the Exchange the following information:
 - (a) the salient terms and conditions of the Corporate Proposals which will result in the adjustment; and
 - (b) the adjustments that will be made to the structured warrants due to the Corporate Proposals.
 - (2) Any adjustment to the structured warrants pursuant to subparagraph (1) above may only be made in accordance with paragraph 5.4517 above.
 - (3) An issuer must, not later than 3 market days from the date of announcement of the books closing date by the underlying corporation or the issuer of the underlying financial instrument, announce to the Exchange the following information:
 - (a) the books closing date for the adjustments;
 - (b) the details of the adjustments; and
 - (c) in respect of a foreign underlying corporation or underlying financial instrument, the ex-entitlement date, which must be consistent with the foreign underlying corporation's or underlying financial instrument's ex-entitlement date.
 - (4) Where an issuer adjusts the terms of the structured warrants or distributions to the holders of the structured warrants pursuant to events other than the Corporate Proposals, the issuer must immediately announce the following information:
 - (a) the occurrence of the events, details and reasons of such adjustments or distributions; and
 - (b) the books closing date for the adjustments, and in respect of a foreign underlying corporation or underlying financial instrument, the ex-entitlement date (which must be consistent with the foreign underlying corporation's or underlying financial instrument's ex-entitlement date).
 - (5) In respect of the adjustments made pursuant to subparagraph (4) above, an issuer must ensure that the period from it announcing the books closing date to the books closing date is not less than 10 market days.
 - (6) An issuer must announce the adjusted exercise price, conversion ratio or both, and other salient terms of the structured warrants as soon as practicable and in any event not later than the last market day before the ex-entitlement date of the underlying financial instrument.

5.2444 Announcement relating to market making

An issuer that provides liquidity via market making must immediately announce to the Exchange if –

- (a) the Market Maker of its structured warrants -
 - (i) does not carry out market making activities pursuant to the circumstances disclosed in the prospectus;
