

Frequently Asked Questions (FAQs) in relation to the Pilot Market Making Programme for Eligible Stocks (“PMMP”)

1. Where can I get the information for net short selling positions for the securities?

The end-of-day Net Short Selling Position Report will be posted on Bursa Malaysia’s website the following day.

Please refer to the following link:

https://www.bursamalaysia.com/market_information/market_statistic/securities

2. What accounts must I open for the purpose of market making under PMMP?

Market makers registered under the PMMP can open two types of designated market making accounts:

- a. PSS/MM Account - PSS, normal buy and normal sell is allowed in this account
- b. MM Account - only normal buy and normal sell is allowed in this account

Details of the account qualifiers can be found in the Guidelines to Market Making on Bursa Malaysia Berhad and in Appendix 15 & 16 of the CDS Procedures Manual for ADM and ADA in the following links respectively:

https://www.bursamalaysia.com/trade/trading_resources/equities/manual_guidelines_po

https://www.bursamalaysia.com/trade/our_products_services/central_depository_system/procedures_manual/cds_procedures_manual_for_adm

https://www.bursamalaysia.com/trade/our_products_services/central_depository_system/procedures_manual/cds_procedures_manual_for_ada

3. Where can I find the Securities Borrowing and Lending List for PMMP?

The Securities Borrowing and Lending List for PMMP can be found in the following link:

https://www.bursamalaysia.com/trade/post_trade/securities_borrowing_lending/sbl_eligible_securities

4. How often is the list of Eligible PMMP Stocks updated?

The Eligible PMMP Stocks list will be updated every six months from the date of commencement. Participants of the PMMP will be notified each time the Eligible PMMP Stocks list is updated.

5. When can I undertake contract rectification as required in paragraph 5(3) of Directive on PMMP No. 4-002?

Please refer to item 2.10 under Chapter 2 of the Participating Organisations' Trading Manual on the relevant time to undertake contract rectification. The Trading Manual can be found in the following link:

https://www.bursamalaysia.com/trade/trading_resources/equities/manual_guidelines_po
