Trading Participant Circular: 11/2021

SUBMISSION OF NEGOTIATED LARGE TRADE REQUEST VIA THE QST OMS PLATFORM

We are pleased to inform that with effect from **8 September 2021**, the submission of Negotiated Large Trade (NLT) request can be performed via the Quick Suite Trading (QST) OMS platform.

To ensure familiarisation with this new NLT facility process workflow, the Exchange will continue to accept the submission of the NLT request from either the QST OMS platform or the MSC TrustGate TGSigner facility. The MSC TrustGate TGSigner facility will be phased out after **30 November 2021**.

Should you have any queries, please do not hesitate to contact the Trading Operations Department.
