Trading Participant Circular: 15/2022

BUSINESS CONTINUITY PLAN (BCP) SIMULATION EXERCISE ON 15 OCTOBER 2022

Reference is made to the Trading Participant (TP) Circular 01/2022 pertaining to the same subject that was issued on 5 January 2022. The Exchange would like to confirm that the BCP Simulation Exercise will proceed as scheduled on **Saturday, 15 October 2022**.

This BCP Exercise will simulate a failover from CME's main site in Chicago to CME's DR site in New York. Concurrently, Bursa will failover from Bursa's main site to Bursa's DR site. Participation in this exercise is **mandatory** for all TPs as it is essential that TPs are well prepared and familiar with the procedures to handle such situations.

Provided herewith is the "Acknowledgement & Participation Confirmation Form". All TPs must complete this form and submit to the following e-mail by **Thursday, 29 September 2022**:

bmdcustomersupport@bursamalaysia.com

Furthermore, the planned chronology of activities to be carried out for the event and the feedback form are provided in this circular. The attached feedback form is to be submitted by TPs after completion of the exercise.

Should you have any queries, please do not hesitate to contact the Trading Operations Department.
