This Chapter sets out the continuing listing obligations that must be complied with, amongst others, by a listed issuer, its directors or advisers in addition to other continuing listing obligations which have been set out in other Chapters of these Requirements.

PART B – CONTINUING LISTING CRITERIA**8.02 Compliance with security holding spread requirement**

- (1) A listed issuer must ensure that at least 25% of its total listed shares (excluding treasury shares) or listed units are in the hands of public security holders. The Exchange may accept a percentage lower than the 25% threshold if it is satisfied that such lower percentage is sufficient for a liquid market in such securities.
- (2) Listed issuers which have shares or units listed on other stock exchange(s) may have these securities included for the purpose of computing the percentage of security holding spread referred to in subparagraph (1) above.
- (3) A listed issuer must immediately announce to the Exchange if it becomes aware that it does not comply with the required security holding spread referred to in subparagraph (1) above.
- (4) A listed issuer which fails to maintain the required security holding spread referred to in subparagraph (1) above may request for an extension of time to rectify the situation in the manner as may be prescribed by the Exchange.
- (5) A listed issuer must furnish a schedule containing the information set out in Appendix 8E to the Exchange, upon completion of a take-over offer under the Take-Overs and Mergers Code.

8.03 Cash Companies

- (1) A listed issuer whose assets on a consolidated basis, consist of 70% or more of cash or short term investments, or a combination of both (“**Cash Criterion**”) must immediately notify the Exchange of its condition in writing. The Exchange will determine whether such listed issuer should be considered a Cash Company. A listed issuer considered as a Cash Company by the Exchange will be notified by the Exchange.
- (2) A Cash Company must comply with such requirements as may be prescribed by the Exchange, failing which the Exchange may suspend the trading of listed securities of such listed issuer or de-list it, or both.
- (3) For the purposes of subparagraph (1) above -
 - (a) a listed issuer must, as a minimum requirement, make a determination as to whether it triggers the Cash Criterion when it disposes its assets or business on a group basis or prepares its financial statements or accounts; and
 - (b) “**short term investments**” means investments which are by their nature readily realisable and intended to be held for 12 months or less including interests (equity or otherwise) incorporations.

-
- (4) A Cash Company must place at least 90% of its cash and short-dated securities (including existing cash balance and the consideration arising from the disposal undertaken by the Cash Company) in an account opened with a financial institution licensed by Bank Negara Malaysia and operated by a custodian. Any interest generated by the monies held in the account must accrue to the account. For the purpose of this subparagraph (4), “custodian” means any of the following who is independent of the Cash Company:
- (a) a trust company registered under the Trust Companies Act 1949 or incorporated pursuant to the Public Trust Corporation Act 1995 and is in the List of Registered Trustees in relation to Unit Trust Funds issued by the SC; or

- (7) Subparagraphs (1) and (2) above are not applicable to the following listed issuers:

- (9) A Cash Company must ensure that all moneys deposited, together with interests earned with the financial institution licensed by Bank Negara Malaysia and operated by a custodian under subparagraph (4) above are distributed to its shareholders on a pro-rata basis as soon as practicable if the Cash Company –

8.03A Level of operations

- (1) A listed issuer must maintain an adequate level of operations to warrant continued trading or listing on the Official List.
- (2) The following are circumstances which indicate that a listed issuer may not have a level of operations that is adequate to warrant continued trading or listing on the Official List:
- (a) the listed issuer has suspended or ceased –
 - (i) all of its business or its major business; or
 - (ii) its entire or major operations,
 for any reason whatsoever including, amongst others, due to or as a result of –
 - (aa) the cancellation, loss or non-renewal of a licence, concession or such other rights necessary to conduct its business activities;

If the regularisation plan is rejected by the Exchange, the affected listed issuer may appeal against the decision of the Exchange within 30 days from the date of its rejection.
- (5) An affected listed issuer need not comply with the requirements set out in subparagraph (3) above provided that -
- (a) the affected listed issuer is able to demonstrate to the satisfaction of the Exchange that its remaining business is viable, sustainable and has growth prospects, supported with appropriate justifications; and
- (b) in the view of the Exchange, its level of operations warrant continued trading or listing on the Official List.
- (6) An affected listed issuer intending to rely on subparagraph (5) above must announce the following to the Exchange:
- (a) immediately upon the affected listed issuer triggering subparagraphs (2)(a) or (2)(b) above, a statement to that effect and that it has made an application to the Exchange pursuant to subparagraph (5) above; and

- (b) "**insignificant business or operations**" means business or operations which generates revenue on a consolidated basis that represents 5% or less of the share capital (excluding any redeemable preference shares and treasury shares) or the unit holder capital of the listed issuer ("**Capital**") based on its latest annual audited or unaudited financial statements.

For the purpose of computation, the following applies:

- (i) "**revenue on a consolidated basis**" comprises the revenue of the listed issuer, its subsidiaries, as well as revenue from the listed issuer's associated companies, calculated on a proportionate basis, based on the listed issuer's equity holding in the associated companies; and

- (ii) where there is/are a change/changes to the Capital in that financial year, the weighted average Capital for that financial year must be used. The weighted average Capital means the total amount of the Capital at the beginning of the financial year, adjusted by the amount of increase or reduction in the Capital during that financial year multiplied by a time-weighting factor. The time-weighting factor is the number of days that the specific Capital is outstanding as a proportion of the total number of days in that financial year.

Example - Weighted Average of Capital for financial year ended 31 December 2xx1

		Share Capital (excluding redeemable preference shares and treasury shares) (RM)
1 January 2xx1	Balance	60,000,000
1 June 2xx1	Issue of 10,000,000 new shares at RM1 each for cash	70,000,000
1 Dec 2xx1	Issue of 12,000,000 new shares at RM1 each for cash	82,000,000

Computation of weighted average:

$$(RM60,000,000 \times 151/365) + (RM70,000,000 \times 183/365) + (RM82,000,000 \times 31/365) = RM66,882,185$$

- (8) Subparagraph (2)(b) above is not applicable to closed-end funds, REITs, ETFs, infrastructure project corporations which have not completed and commenced operations on their infrastructure project(s) and special purpose acquisition companies.

When a listed issuer triggers any of the Prescribed Criteria ("**PN17 Issuer**"), it must comply with such requirements as may be prescribed by the Exchange, failing which the Exchange may suspend the trading of listed securities of such listed issuer or de-list it, or both.

- (a) regularise its condition in the following manner:
- (i) within 12 months from the date it announces that it is a PN17 Issuer:

However, the Exchange shall suspend the trading of the PN17 Issuer's listed securities on the 6th market day after the date of notification of suspension by the Exchange even though the decision of the appeal is still pending.

 - (a) complete the implementation of its regularisation plan; and
 - (b) submit an application to the Exchange to demonstrate that it is no longer a PN17 Issuer, together with all the necessary documentary evidence.

The fact that a PN17 Issuer has ceased to trigger the Prescribed Criteria before it completes the implementation of its regularisation plan, would not entitle it to be no longer considered as a PN17 Issuer for the purpose of this subparagraph.
 - (9) If a PN17 Issuer triggers any one or more of the Prescribed Criteria within 3 years after it is no longer considered a PN17 Issuer, such PN17 Issuer must undertake a regularisation plan which will result in a significant change in its business direction or policy and submit the plan to the SC for approval.
