- A minimum CGPA of 3.00
- Active in extracurricular activities
- Proficient in English Language (verbal and written)
- Strong team player, self motivated and driven and willing to learn
- Preference will be given to graduates who are currently unemployed and with no prior working experience

The **PROTEGE PROGRAMME** is a programme to support the Malaysian Government's initiative to create a pool of competent, well trained, knowledgeable and skilled graduates through industrial attachment that will help them to attain relevant competencies that enhance their marketability and employability.

## PROGRAMME STRUCTURE

**Structured training will be provided as follows :**

- 12-24 months of on-the-job attachment with Bursa Malaysia.
  - This opportunity will allow the graduates to learn and acquire new skills and gain industrial exposure.
- Relevant classroom/online training will be provided from time-to-time during the duration of the programme.
  - This will build and enhance the graduates' soft skills.
